**Constitution and By-Laws
Randolph Baptist Association
Revised: October, 1990**

ARTICLE I - NAME

Section 1. The name of this body shall be known as the Randolph Baptist Association. It may hereafter be referred to as the Association.

ARTICLE II - PURPOSE

Section 1. This Association is a self-determining Baptist body, created and sustained by the churches affiliated with her and responsible to them through their Messengers.

Section 2. The purpose of the Randolph Baptist Association is to enable member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the programs and ministries of this Association, the Baptist State Convention of North Carolina, and the Southern Baptist Convention, thereby fulfilling the Commission of Jesus Christ as stated in Matthew 28:19-20.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of cooperating Baptist churches within the area of the Association. A cooperating church shall be defined as one which sends an Annual Report to the Association, elects Messengers to attend the Associational Meetings, and contributes to the financial program of the Association.

Section 2. The Association shall be sole judge of it's membership and may receive churches, according to the Constitution and By-laws. Member churches may withdraw from the Association as they desire.

Section 3. Any church in the Association which fails to cooperate with the Association over a period of two years shall be contacted by the Credentials Committee of the Association to determine the intentions of the church regarding it's desire to remain in the Association. In the event the church does not respond to the efforts of the Credentials Committee, the church will be considered as having chosen to withdraw from the Association.

Section 4. Any church that has departed from Baptist faith and practices and has failed to abide by the provision of the Constitution and By-laws of the Association, will be contacted by the Credentials Committee. Such church upon recommendation of the Credentials Committee and a vote of the Association shall be placed on probation until the conditions prompting such actions have been corrected. Messengers from any church on probation shall not be allowed to vote in the Meetings of the Association.

Section 5 Churches desiring to affiliate with the Association shall make a written request to the Credentials Committee of the Association at least three months prior to the Fall Meeting (October), for examination and recommendation to the Association. A church (or mission) is first received into the watch care of the Association. Upon completion of one year in watch care relationship, a church may be received into full membership of the Association by a recommendation of the Credentials Committee. There must be a vote of two-thirds majority of the messengers present at the Associational Meeting for petitioning church (or mission) to become a regularly affiliated member church of the Association.

Section 6. It is understood that each church in this Association is independent and sovereign in it's own affairs, and the Association has no authority over the churches, except in an advisory nature, and this by invitation only.

ARTICLE IV - MEETINGS

CHURCH AND COMMUNITY MINISTRIES

1990-91

This has been a great year for us here in the Randolph Association. We have a good start on beginning new Ministries for our churches through the good response, not only from the agencies whom we want to work with, but also from the church members in the Association. We especially appreciate the interest people have given in meeting human needs.

Currently, we are surveying the various social agencies and other related organizations about the needs in their work and the perceived needs in the county. Through this work, we are putting together a Mission Action Resource Guide, which entails descriptions of various organizations here in the Randolph County area, and how church groups can minister to their needs. Also, we are continuing to contact all of our churches so that we can introduce new CCM in the Association. Finally, we are attempting to put together a Church & Community Ministries Council to help develop and give guidance to new Ministries.

Again, we really appreciate the support you have given to the work here in the Association.

"Is it not to share your food with the hungry and to provide the poor wanderer with shelter - when you see the naked, to clothe him, and not to turn away from your own flesh and blood? Then your light will break forth like the dawn...then your righteousness will go before you and the glory of the Lord will be your rear guard. If you do away with the yoke of oppression...and if you spend yourselves in behalf of the hungry and satisfy the needs of the oppressed, then your light will rise in the darkness, and your night will become like the noonday."

Isaiah 58:7-8, 9b-10

Love in Christ,
Hoove Lee, CCM Director

COMMUNICATIONS

1990-91

Effective organizations are described as having a clear sense of what they are about and where they are going, or stated differently, they know and understand their mission. Our Association has been heavily involved in Strategy Planning during the past year, with the goal in mind of developing a Mission Statement; as well as supporting strategies with which to carry out the stated mission. Communicating those efforts has been and will remain a integrated part of that process.

One of the stated purposes of the Communications Committee has been to expand and improve the level and quality of communication between and among member churches, and to heighten awareness of stated goals and objectives. A number of things have been accomplished in the past twelve months under the leadership of our Mission Director and the Associational Staff; they are as follows:

- I. Associational Newsletter
 - A. The quality of the Associational Newsletter has been upgraded - now printed rather than copied.
 - B. Distribution has increased from 750 to 1,000 copies.
 - C. Improvements made in the information included in newsletter.
- II. Quarterly Bulletin
 - A. Major emphasis on Associational purpose, mission, and major events.
 - B. Two printings to date -6,000 copies each.

Preliminary work has also been done to appoint an Associational Representative from each church to assist in the gathering of information. Additionally this person would help by sharing information from the Association back to individual churches. Hopefully, this process will be complete by January 1992, allowing us to develop a valuable Associational network.

The Communications Committee is presently working on a plan to emphasize Associational work in May 1992, and plans are forthcoming to establish at least one fellowship group early in the new church year.

Our Director and the Associational Staff have done an outstanding job of guiding our communications effort and we look forward to an excellent year.

DISCIPLESHIP TRAINING

1990-91

The avenues for a church to be involved in Discipleship Training are many. From Equipping Centers, to LIFE Courses, to regular curriculum, Doctrinal Studies, to Survival Kits, there's something for everyone.

This year we had a Doctrinal Study on "the Lordship of Christ" led by Dr. Bruce Anthony, which several of our pastors attended.

Also, First Baptist, Asheboro again did an excellent job with Youth/Children's Bible Drill. They are to be commended. We need a more dedicated committee from our churches in helping our children learn the Bible.

It is the prayer of your Associational Leadership that we will continue in our effort to make Disciples of those who commit their lives to Christ.

Respectfully submitted,
Rev. Mike Eller, Seagrove 1st
Assoc. Discipleship Director

EVANGELISM REPORT

1990-1991

While working on a Course in Church Growth, the old question of the "main purpose of the church" has come up. Is it Evangelism? Well, it looks to me that Evangelism is the main purpose of individuals. The main purpose of the church is Edification, but the church is made of individuals, so Evangelism and Edification are our main purpose. It's sort of like asking, which is my hand - the left or the right?

This year your Evangelism Council has had several meetings. We have made ourselves available to you for Evangelism and Edification. Each member has ministered to people and churches.

I attended the Key Leadership Conference, where we were challenged to share with you the Witnessing-Giving Life and the Total Church Life concepts.

Upcoming event:

We have scheduled Richard Everett, from our Evangelism Department, for February 1, 1992. He will be coming that Saturday morning to share principles for witnessing.

Assoc. Evangelism Director

MISSIONS DEVELOPMENT COUNCIL

1990-91

The Missions Development Council has enjoyed a busy year. The following is a list of projects that highlighted our '90-91 calendar:

1. Began making preparations for our World Missions Conference, April 5-12, 1992. Koy Haywood was selected to Co-Chair this Conference, along with our D.O.M. A Coordinating Committee was also selected and efforts are currently underway to enlist all of our churches to participate. The Coordinating Committee is composed of the following:

Co-Directors-Koy Haywood/Judson Rotan
Prayer Leaders- Ruth Jackson/Donna Auman
Hospitality Leaders-Barbara Dawkins/Dottie Pickler
Transportation Leaders-Mark Hall/Richard Fisher
Promotion Leaders-Janet Myers/James Garner
Special Events Leaders-Justus McKeel/Andi Morris
Secretary-Mary Ann Ingold

2. On March 19th, our Associational area was extensively

surveyed during our Probe. The purpose of Probe was to uncover possible areas throughout our county where new work could be started. Several areas were found to be particularly attractive. Attention will be given to some of these areas for development toward new work. Especially are we concerned by the mobile home parks and the apartments in our county. Mike Eller is planning some strategy for our Mission Development Council to consider in the coming year.

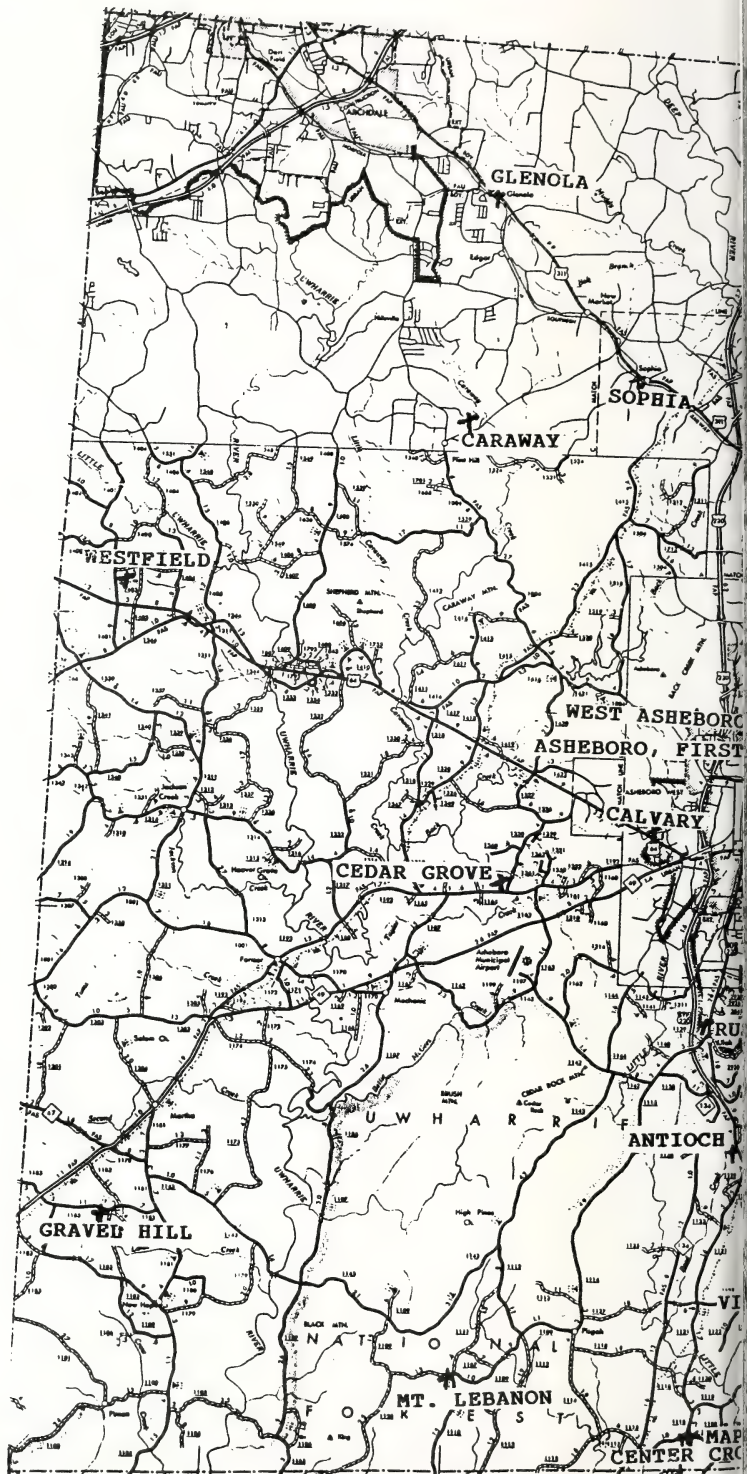

3. The Randolph Baptist Assoc. had a Church Extension worker assigned to us during the summer. Garland Reynolds, a student at Southeastern Seminary, worked ten weeks surveying various parts of the county, particularly those found to be attractive during the Probe, for mission opportunities. Twenty (20) apartments and thirteen (13) mobile parks were pinpointed on a map for our future concerns.
4. Encouraged our churches to participate in the Brazil Mission Project, Oct. 30 - Nov. 13, 1991. To date, there are nine (9) people enlisted to represent our Association. A special offering was promoted in May (to continue throughout the summer) to help off-set the expense for those who may be interested in going to Brazil, but were financially hindered. As of October 1, 1991 \$3,335.90 was given to the Brazil trip. We are assisting four (4) persons with their expenses.
5. Continued to promote MAP (Mission Action Project). MAP is a continuous mission fund used to support various mission endeavors throughout the year. MAP continues to be an opportunity through which individuals can help further the cause of Christ through the work of our Randolph Baptist Association.
6. Welcomed to the Randolph Baptist Association, Hoover Lee, our US-2 Missionary. Hoover began his work Sept. 3rd and has already begun to survey many local agencies in seeking to develop a strategy of assisting our Association in establishing some specific church and community mission opportunities. Hoover resides in a apartment on Central Ave (north Asheboro). He continues to seek entry into all churches in the Association to discuss his work and how he may assist them.

PERSONNEL COMMITTEE

1990-91

The Personnel Committee has met three (3) times this year to consider the following:

1. In May, we met to consider the salaries and benefits of the Associational staff and to make recommendations to the Finance Committee about increases for the new Budget. Also, we updated the job description for Administrative Assistant for distributing sheet to candidates for the position in September.
2. In July, we met to consider nine (9) candidates for the Administrative Assistant position to be filled in September.
3. In August, we met to consider the top candidate and considered further changes in salary and benefits in securing our top candidate.
4. In the August Quarterly Meeting, we presented Mrs. Mary Ann Ingold, who was approved as the Administrative Assistant for Randolph Baptist Association.

PROPERTIES COMMITTEE

1990-91

The Properties Committee has met twice this year to consider two matters. First, we had some work around the drive-way to the building and drainage problems around the edge of the property. L & M Construction Co. was contacted to improve the drainage around the edge and rebuild our drive-way with crushed rock and grading.

Second, we contracted with Mr. and Mrs. Tony Ingold and family for Janitorial Services for the building twice a month, and for care and up-keep of the grounds, with around 30 weeks of mowing the grass a year. We agreed with the Personnel and Finance Committee to pay \$175.00 per month for these services. They would furnish their equipment and supplies for doing this Service.

It is our hope to paint the inside of the building during the next year to improve the appearance.

Mr. Leland Bingham, Chairman

STRATEGY COMMITTEE REPORT

1990-91

As we go into the future and especially to the ministry and programs of Randolph Baptists we, as the Strategy Committee, would like to re-affirm our purpose that was adopted through Strategy Planning in 1989. That purpose was the following:

"The purpose of the Randolph Baptist Association is to enable member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the programs and ministries of this Association, Baptist State Convention of North

Carolina, and the Southern Baptist Convention, thereby fulfilling the Commission of Jesus Christ as stated in Matthew 28:19-20."

The Committee met a few weeks ago and reviewed the objectives and goals adopted in 1989. We are glad to report that two (2) of these objectives have been met, except for on-going actions which will continue until 1995.

Those objectives were:

- 1) To expand the Organizational Structure and
- 2) To Improve the Fellowship.

We commend the leaders and appropriate committees or groups for helping to carry out these goals and actions quickly.

The other three (3) objectives of Strategy Planning need our attention throughout the coming year. They are:

- 1) To Strengthen Churches
- 2) To Involve Persons in People's Needs (Missions Opportunities)
- 3) Reaching People (Evangelism)

As we seek to minister through our churches and Association in 1991-92, we would encourage our churches to adopt the following major objectives for our Association:

I. Strengthen Churches

-To strengthen their church through improved organizational programs and training.

II. Involve Churches

-To involve their church in meeting human needs in their community and around the world.

III. Reach Persons

-To enlist their church to reach and win more persons for Christ.

To implement the strategy for 1991-92, the Strategy Committee suggests that we adopt a theme for our 1991-92 Strategy Planning. It is "YOU MAKE A DIFFERENCE." This would be a year-long effort to get people and churches involved in Bible Study, Discipleship Training, and Mission/Ministries. We encourage each organization in our Association to work cooperatively in planning and implementing the objectives and goals through this theme.

"YOU MAKE A DIFFERENCE" comes out of a basic concept that change is inevitable, but God loves us and has a wonderful plan for our lives. Each person makes a difference. Each organization makes a difference. We all make a difference to God. Our Association makes a difference to the community and world in which we live.

1. "You Make a Difference" in Breakthrough in Sunday School.
2. "You Make a Difference" in Discipleship, equipping the believers through Discipleship Training.
3. "You Make a Difference" in WMU through the emphasis, 'Called and Accountable'.
4. "You Make a Difference" in Brotherhood, 'Lifestyle Evangelism and Ministry'.
5. "You Make a Difference" in Church and Community Ministries in meeting human needs.

The following objectives and goals from Strategy Planning, adopted in 1989, should continue to receive our attention through 1991-92. We encourage every church in Randolph Association to share these objectives and goals in their work and ministry:

Objective 1-Restructuring the Association

- Goal 1- to continue the feasibility study of the Associational Building needs, location, and resources through the special Committee appointed by the Moderator
- Goal 2- to encourage churches to consider giving 3-1/2% to Associational Budget this year and to consider giving 4% in 1992-93

Objective 2-Improve the Fellowship

- Goal 1- to encourage churches to request reports from messengers concerning Quarterly and Annual Meetings
- Goal 2- to help develop two (2) fellowship groups this year

Objective 3-Strengthen Churches

- Goal 1- to increase enrollment in Sunday Schools, Discipleship Training, WMU, and Brotherhood by 3 by 9/30/92
- Goal 2- to enlist three (3) churches to have a major emphasis on Witnessing/Giving Life by 9/30/92
- Goal 3- to enlist two (2) churches to conduct a Church Growth Project by 9/30/92
- Goal 4- to encourage five (5) churches, who have not, to conduct a doctrinal study by 9/30/92

Objective 4-Involvement in People's Needs

- Goal 1- to enlist twenty (20) churches to give continuous support to the Church & Community Ministries with US-2 Missionary, Hoover Lee
- Goal 2- to assist five (5) churches to organize a Mission Development Council in their church by 9/30/92
- Goal 3- to help ten (10) churches to identify two (2) specific needs that will become a mission activity for their church by 9/30/92
- Goal 4- to involve five (5) churches to participate in Associational projects through Volunteers in Missions by 9/30/92
- Goal 5- to encourage thirty (30) churches to participate in the World Mission Conference in April, 1992 by 12/31/91

Objective 5-Reaching People

- Goal 1- to enlist four (4) churches to conduct one-day Soul-Winning Workshops by 9/30/92
- Goal 2- to enlist five (5) churches to conduct Backyard Bible Clubs Mobile Homes and Apartment Ministries by 9/30/92
- Goal 3- to enlist one (1) church to sponsor a new work in the county by 9/30/92
- Goal 4- to develop an Associational Youth Council to assist churches with Youth Ministries and to plan for two (2) Associational events for youth by 9/30/92

If we accomplish these objectives and goals, we must emphasize - YOU MAKE A DIFFERENCE. Yes, you as individuals, churches, and an Association can make a difference in our growth during this year.

Church growth can happen when a church is faithful to God and the mandate of His Great Commission. There are two (2) essential ingredients for growth: a positive attitude and a strong commitment. These twin ingredients are absolutes for an Association and it's churches to experience growth; but with the resources that are available we can make a difference - YOU CAN MAKE A DIFFERENCE.

Growth begins with discovering needs in your church and community, then establishing goals and actions to fulfill those needs. Let us, as churches, in Randolph Association join together by "Lifting up our eyes, looking on the fields, for they are white already unto harvest."

SUNDAY SCHOOL
1990-91

As we come to the close of this Associational year, we have much for which we are thankful. During 1990-91 we have witnessed and been a part of the greatest undertaking of the history of the Southern Baptist Convention. We have undertaken to BREAKTHROUGH the barriers that stand between the unsaved world and the churches, and as an Association we played a very important part in that Program.

In this BREAKTHROUGH effort, we set goals not for the Association but for each individual church; a goal of a 9.1% increase in all areas of Sunday School. Some churches exceeded this goal, others did not. However, BREAKTHROUGH has occurred, and will continue to occur as long as we Baptist have Jesus as our model and leader.

The years 1991-92 are called BREAKTHROUGH years. These years are the Sunday School's expression of the SBC 1990-95 theme, "**SHARE HERITAGE & HOPE**". If we are to share Heritage & Hope in Christ with a lost world, there must be a spiritual BREAKTHROUGH in Southern Baptist Churches and Sunday Schools. The Sunday School Board of the SBC has challenged each church with the following themes:

1991-92...BREAKTHROUGH...TEACH THE BIBLE TO WIN
1992-93...BREAKTHROUGH...EQUIP TO WIN
1993-94...BREAKTHROUGH...SERVE TO WIN
1994-95...BREAKTHROUGH...WITNESS TO WIN

Many churches face a growing population of adults and youth who do not know Christ as Lord and Savior. Many have plateaued in total membership, baptisms, and even in enrollment. Now is the time to begin again to sustain the vigorous, aggressive, and effective outreach that has for long characterized our churches. No longer will Randolph Baptists remain complacent and self-satisfied. If ever there was a time in which BREAKTHROUGH was needed to continue, it is now!

BREAKTHROUGH is needed in evangelism. We need a renewed evangelistic spirit. We need to take the gospel to every place where men and women, boys and girls, live and work. Your Sunday School is willing and able to lead the way.

BREAKTHROUGH is needed in Christian living. Men and women, boys and girls, who are saved need a fresh, new commitment to Bible study and prayer; fresh commitment to live out the Christian life. Your Sunday School is willing and able to lead the way.

BREAKTHROUGH, with new courage, is needed. Many of our people have despaired; they have drifted. A new courage, a new spirit, a new heart, a new vitality, and enthusiasm is needed to take the good news to our nation and world. Your Sunday School is willing and able to lead the way.

I believe the Sunday School is at the very heart of BREAKTHROUGH. The theme for this year, BREAKTHROUGH...TEACH THE BIBLE TO WIN, means we must start new Sunday Schools, start new churches, begin to reach and enroll people in Sunday School's Bible study. Randolph Baptist must have a strong and continuing commitment to reach and enroll the lost for Christ.

Here are some suggested CHURCH Goals for your churches this BREAKTHROUGH year of Teaching to Win:

- *9.2% increase in Sunday School enrollment
- *9.2% increase in average Sunday School attendance
- *9.2% increase in number of unsaved persons (10 years of age or older) who are enrolled in Sunday School
- *9.2% increase in number of Sunday School leadership training awards earned
- *One or more REACHOUT groups conducted
- *One person won to Christ for every 15 persons enrolled in Sunday School

These are not Associational Goals; they are Church Goals. BREAKTHROUGH will occur in SBC churches and Sunday Schools. It will not come through our power. It can only come through the power of the Holy Spirit working as we work for Christ.

Respectfully submitted,
Rev. Phillips McRae, Mt.Pleasant,
Assoc. Sunday School Director

DIRECTOR OF MISSIONS REPORT

1990-91

In many ways this past year was one of our best since I have served as Director of Missions. We had more activities within our Association, and more people involved in local missions/ministries than at any time during the past years. All of this is due to our Strategy Planning process that was adopted in 1989. After implementing the new organizational structure and rewriting of the Constitution during 1989-90, this past year (1990-91) has been a year of involvement of the new organizational councils with programs and procedures. We are still seeking to find our way in this new format of ministry. It has been a very busy year, but a great year.

Several highlights of the year are as follows:

1. This was the first year that the Quarterly Meetings were conducted. In the past we had an Executive Committee, made up of a Pastor and an elected Representative, meeting quarterly, but poorly attended. The Quarterly Meetings have been very successful with average attendance of one hundred twenty-five (125) from thirty (30) of our forty-three (43) churches. Four (4) elements of the Meetings have been Worship, Information, Business, and Inspiration. The Messengers elected for Annual Meetings in October served as Messengers for the Quarterly Meetings. Also, we urged all key leadership in our churches to attend. I am thankful for these Meetings and the participation from the churches. It has built unity and fellowship among our Association.

2. A Probe was conducted in March in our Association, sponsored by the Mission Development Council and Church Extension Department, Baptist State Convention. In one day, around thirty (30) persons from fifteen (15) churches participated in a intensive survey of the county. It was a windshield survey as teams of three to four counted homes, mobile homes, and apartments. Ten guest consultants from across the state helped these teams to discover needs and opportunities for ministries in each area surveyed. Out of this Probe many needs were discovered. A strategy for new work and ministries will be forthcoming in the months ahead for our Association.
3. The application and preparation for the US-2 Missionary and his ministry has occupied much of our time since May 1st. A year ago we voted to apply for a US-2 Missionary from the Home Mission Board to help us develop Church and Community Ministries, or social ministries, in our county. The Mission Development Council had to put together a job description and our need for a US-2 Missionary. Our whole situation was considered by the Home Mission Board - such as 66% of the county unchurched and unreached, the particular social needs among the population, and the strength of the churches, both in persons and financial, to meet those needs.

Because of our needs and concerns, the Home Mission Board appointed Hoover Lee, from Columbus, Ohio as a US-2 Missionary for our Association. His main work is to help us establish Church and Community Ministries through our Association, and help churches develop ministries in their communities. Hoover will be with us for two (2) years.

This new ministry has brought a new day to Randolph Baptists. We hope and pray to see more churches and individuals involved in local ministries than ever before. I pray daily for God's leadership and direction in this important ministry. Now we can express our love and concern by doing - meeting human hurts and needs in Christ's name. May God help us to give a cup of water daily in His name to those who have needs.

4. The preparation for another trip to Brazil is another milestone in our ministry this year. We have enlisted nine (9) persons to go to Sao Paulo, Brazil October 30 - November 13, 1991. This will be our second trip to Brazil. Again, we will be ministering to people in and around the city of Presidente Prudente, a city over 300,000 in population. We will be doing evangelistic visitation and services through the missions and churches in this city and surrounding areas. I am thrilled that four (4) ministers and five (5) lay-persons are going. Many across our

Association - individuals and groups - have given to the Mission Fund - MAP - to help send three individuals to Brazil. The lives, and their concept of missions, will never be the same after this experience.

In all of the major events, new mission needs continue to come to our attention. There are mobile home parks and apartment complexes that are open and ready for our ministry. There are communities with population increases that need a new church. There are crucial needs in the community for transportation for the elderly, food and clothing for the poor, and persons who need caring persons to listen to them and be care-takers. There are now in our county, persons from other ethnic groups and cultures who need our love and witness. Various needs are confronting us each day. The challenge is before us as churches and as an Association to meet these needs as we share the Good News of Christ with every person in this county.

As to my personal accounting to the Association, I have been sensitive to the needs and opportunities to minister to churches and it's leadership. I have had the privilege of preaching, speaking, teaching, or visiting in twenty-four (24) of our churches. Again, every opportunity that the churches have given me, I have taught mission studies, conducted Bible studies, lead deacon conferences or retreats, and shared with pastor's search committees. I have attended and shared in thirty-eight (38) committee meetings and attended sixteen (16) conferences for our Association. My travels have carried me over 10,000 miles across this Association for events and activities with pastors and church leaders. Also, I have been involved with fourteen (14) meetings, conferences or events outside the Association, each benefiting my work.

An essential part of our Associational responsibility continues to be fulfilled through the varied ministries of the Associational office. Our ministry through the Resource Center with videos, equipping centers, and other materials and information is increasing greatly. The printing of the newsletter has increased from 750 to 1,000 addresses and the printing of Quarterly Bulletin inserts is 6,000, all in increased ministry of the Associational office. I am very grateful for our staff and the volunteers who help us from time to time.

As we look to our ministry for the coming year, our focus will be more locally through the Church and Community Ministries and the World Missions Conference in April, 1992.

Somehow, local missions have never held the attraction for Baptists that some other geographical locations have attained. To go to some other place to do missions or to send financial resources for mission causes in foreign countries has always offered an irresistible motive to Baptists for mission giving. I am glad that this is true, and I don't want it to change; but, as I view our entire missions responsibility, I am convinced that we must give more attention and allocate more resources for local missions.

Our Lord said that we are to "Go into all the world and make disciples, teaching them to observe all things;" but, Jesus also said that we are to begin "in Jerusalem" - our backyard - and from there reach the whole world.

I urge our churches to recognize that in the teaching of the New Testament there is no essential difference between missions done locally and missions done elsewhere. Whether missions are done in our own backyard or whether

missions are done on the far fringes of the earth, there is no essential difference. I believe that our acceptance of this basic and Biblical truth will give us a new appreciation for Associational missions.

In conclusion, a special word of thanks is due to everyone, both pastors and lay-persons, who have shared in and been supportive of Associational missions this past year. I am indebted to the prayers, support, and cooperation each one has given me throughout this past year. I am privileged and honored to serve our Association over these last fourteen (14) years as Director of Missions. I look forward with joy and anticipation to what God has in store for us during this coming year.

A. Judson Rotan/DOM

ANNUITY BOARD REPORT

Report to the Associations, 1991

Protection is an instinct each adult has toward his spouse and children.

It hurts to see a child fall or a spouse passed over for a promotion. We want to shield loved ones from the hurts of everyday life.

That kind of protection is impossible, but there is financial protection available to ministers that can provide a life-saving margin for his family in the event of his disability or death.

The good news is it costs him nothing if he is an eligible participant in the Church Annuity Plan.

The Protection Section of the Church Annuity Plan is provided by the state convention, and includes several benefits.

These benefits can mean receiving:

- . up to \$67,500 in special survivor benefits if you die prior to retirement, or while receiving a disability benefit.

- . up to \$300 a month if you become disabled and unable to perform any gainful employment due to physical or mental incapacity.

Additionally, up to \$35 each month can be credited to your retirement income account during your disability and your survivor benefits will remain.

This valuable family protection is funded from Cooperative Program dollars that match dollars contributed to your account by you and your church.

"The Church Annuity Plan offers significant up-front family protection that leaves your dollars free to build your retirement security. It is an important benefit that many ministers overlook in the retirement plan," Frank Schwall, senior vice president of Member Services.

The average annuitant in North Carolina receives \$287.43 per month, up from \$234 last year.

North Carolina has 3,396 members making contributions to Annuity Board retirement plans.

It is exciting to think about what has been done to help ministers retire with dignity and to have protection as they plan for retirement. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still much to be done! Consider these facts:

small contributions make the annuitant's benefits small:
In North Carolina

185 receive less than \$50
482 receive less than \$100
1041 receive less than \$200
1338 receive less than \$300

There is a great challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

For more information about enrolling in the Church Annuity Plan, call the Annuity Board's toll free number, 800-262-0511. In North Carolina, you can call or write:

BCH Gives Children a Chance!

David Morrow, Trustee Chairman
Michael C. Blackwell, President

For an institution that's 106 years old, Baptist Children's Homes of North Carolina (BCH) looks strongly to the future! Three pillars that uphold that futuristic foundation are: 1. The return of the Thanksgiving Offering beginning in November 1991; 2. The success of our "Give a child a chance!" financial campaign, and 3. Baptists' continued support of BCH through the Cooperative Program.

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state. Because Baptists cared enough to give, residents like Lynn will go to Wingate College this fall; Chris graduated from UNC-Chapel Hill; Jennifer is in her second year at Haywood Community College and Mark earned a football scholarship to North Carolina A&T. Each of these lives proceeds on firm footing because Baptist Children's Homes was there paved their pathway.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, simply is unable to care for her children. Her frustration with life leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives.

Baptist Children's Homes provides a safe environment where children learn to name their problems and address them to change behavior. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH's "Give a child a chance!" campaign is raising \$11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Gifts and pledges through July totaled \$9.3 million and response across the state has been overwhelming and heart gratifying.

Last year Baptist Men of North Carolina helped construct the the new Tommy and Jeanie Eller Chuckwagon at Cameron Boys Camp that was dedicated May 19.

BCH celebrated this spring the 20th anniversary of the founding of Broyhill Home, our western-

most campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

In August 1990 BCH began the Gregg Children's Center for before and after school care. The Davidson County program offers security to children of working couples, who now don't have to go home to empty houses.

Children's hopes the world over have been bolstered by the 1991 return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 13-year absence, BCH lost more than \$2 million in potential gifts. Our goal this year is \$500,000. Because of a partnership established in December with the Baptist Children's Homes of Sao Paulo, Brazil, *BCH-North Carolina will donate 10 percent of everything it receives over the \$500,000 goal for work in that desperately needy land.*

In August 1990, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to seven the number of emergency care homes BCH operates. Emergency care, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives \$1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

Baptist Children's Homes has a 106-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

Report to Baptist Associations
North Carolina Baptist Hospital
1991

The year 1991 is significant in the history of Baptist Hospital - it marks the 50th anniversary of its entering a partnership with the Bowman Gray School of Medicine of Wake Forest University, to form one of the 126 academic medical centers in the nation. Appropriate events have been planned to celebrate this anniversary.

This partnership makes it possible for Baptist Hospital to offer its patients the most advanced technology for diagnosing and treating their health problems. For example, ours is one of 15 medical centers in the nation involved in clinical trials of a new coronary laser which vaporizes plaque in blocked coronary arteries. We are one of five centers in the U.S. conducting clinical trials in stereotactic radiosurgery, a procedure in which high-energy beams of radiation from a linear accelerator are focused by computers on brain tumors and lesions to destroy them. This procedure can be done on an outpatient basis. We are one of 24 Comprehensive Cancer Centers in the nation. We are the designated organ procurement agency for northwest North Carolina, and we recently received approval to begin performing pancreatic transplants this year. Early in 1992, we expect to open our new Center for Positron Emission Tomography, one of the most advanced radiological services which is capable of measuring the chemical structure of the body. This new diagnostic procedure promises to make possible earlier detection, and hence, earlier treatment of tumors, hopefully, improving the outcome of the treatment.

During the past year, the hospital admitted approximately 22,000 patients, and almost 400,000 persons were treated through the various outpatient services of the Medical Center. These patients came from most counties in North Carolina, from 32 other states, and from several other countries.

During the past year, Baptist Hospital was re-accredited by the Joint Commission on Accreditation of Health Care Organizations, and the survey team which visited our institution ranked it in the top 10 percent of hospitals in the nation. Also, according to a recent report from the North

Carolina Medical Database Commission, average charges for care at Baptist Hospital are 10 percent below the average charges for similar diagnoses in hospitals statewide, and substantially lower than charges in the other North Carolina academic medical centers.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided Clinical Pastoral Education to 42 students during the past year. The Pastoral Care staff provided more than 54,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 21,700 counseling sessions. The Professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in North Carolina Baptist Churches. At the time this report is being written, results of the Mother's Day Offering appear to be very favorable. The staff and patients at Baptist Hospital are profoundly grateful to North Carolina Baptists for this support.

BAPTIST RETIREMENT HOMES

OF NORTH CAROLINA, INC.

1991: MAKING LIFE FOR OLDER ADULTS THE BEST OF TIMES

The Baptist Retirement Homes of North Carolina, Inc. operates four residential facilities for Older Adults around the State - the Albemarle Baptist Home in the Southern Piedmont, the Western North Carolina Baptist Home in Asheville, the Hamilton Baptist Home in Eastern North Carolina, and the Brookridge Retirement Community in Winston-Salem.

In Asheville, 1991 began with a great deal of excitement. After more than five years of trying to receive state approval to build a nursing care bed addition, the Baptist Retirement Homes was awarded a Certificate of Need for 100 medicaid certified nursing care beds for its Western North Carolina Baptist Home on Richmond Hill in Northwest Asheville. Currently the only nursing care provided by the Baptist Retirement Homes is the 85 bed nursing care unit at the Brookridge Retirement Community in Winston-Salem. The addition of 100 medicaid certified beds will mean that quality nursing care can be offered to Western North Carolina Baptists regardless of their ability to pay for the institutional services that they need.

The 39,000 square foot addition will cost approximately

\$2.8 million. At the present time, the Baptist Retirement Homes has raised approximately \$2 million of the \$2.8 million needed to make this long hoped for dream a reality. Baptists across Western North Carolina are being urged to help Baptist Retirement Homes meet the financial challenge of building this new unit on Richmond Hill.

In Winston-Salem, the Brookridge Retirement Community completed its second year of operation. Under the leadership of a well-trained and committed Christian staff, the Brookridge Retirement Community's Independent Living area and Health Care Unit are considered among the finest in the State.

In Albemarle and Hamilton, Assisted Living care is provided to Older Adults in residential settings. The Albemarle and Hamilton facilities offer quality care to Older Adults regardless of the their ability to pay for the cost of the care they receive . . . a service unmatched by any other church related long-term care institution in this state.

Please support our ministry with your prayers and financial resources. Help us make life for Baptist Older Adults . . . The Best of Times!

BAPTIST COLLEGE REPORT — 1991

A "new-old" event is about to take place in North Carolina Baptist life: A *Special Committee!*

From time to time we Baptists feel the need to take a hard look at ourselves. We do that through the time-honored practice of asking trusted people to serve on a committee for a year, sometimes two. In 1956, for example, "The Committee of Twenty-Five" began a comprehensive study which eventually embraced all aspects of North Carolina Baptist life. That committee reported to a special session of the Baptist State Convention called for that purpose on May 5-6, 1959. Again, "The Committee of Twenty," appointed in 1967, worked for two years before presenting its comprehensive findings and recommendations to the Convention in November of 1969. Both of these committees provided clarity and guidance for North Carolina Baptists which endured for many years.

New times call for a fresh look at ourselves. The "new times" which have taken shape in the Southern Baptist Convention since 1979 have particular relevance for institutions, agencies, their trustees and the Convention. North Carolina Baptist institutions and agencies have rendered distinguished Christian service for a total of 1,108 years! New times call for a new look by a competent special committee.

In May the General Board approved a 17-member "Institutions Relations Committee." Lamar Brooks, Wilmington, is chairman. Other members are: Jean P. Abernethy, Marion; Dot Allred, Gastonia; Curtis Lee Barbery, Bennett; Harold Bennett, Boone; Don Bolden, Burlington; Caralie Brown, Raleigh; Kathryn H. Hamrick, Shelby; John H. Hewett, Asheville; Milton A. Hollifield, Jr., Stanley; John M. Hough, Jr., Salisbury; James H. Johnson, Candler; Robert B. Poole, Elizabeth City; George W. Pullium, Jr., Knightdale; Hobart Smith, Charlotte; A. Eugene Warren, Charlotte; J. L. Wilson, Winston-Salem. Their report is due in November, 1992.

The "new-old" way of study and thought is the North Carolina Baptist, tried-and-true way to confront changing times. We thank these 17 good men and women who will help us to shape the future together in harmony. They request and deserve our fervent prayers.

THE BIBLICAL RECORDER

Associational Report--1991

The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic, fast-food, everything is disposable age! We often think we know the answers only to discover later we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise, can survive long without an informed, involved constituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. We are steadily adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

NORTH CAROLINA BAPTIST FOUNDATION, INC.
ANNUAL REPORT TO BAPTIST ASSOCIATIONS OF NORTH CAROLINA
JUNE 1991

The Board of Directors and the staff of the North Carolina Baptist Foundation are committed to effective leadership in generating increased perpetual financial support of Baptist causes throughout the state, nation and world. With assets approximately \$27 million (market value) at the end of the 1990 fiscal year, the income distribution to Baptist causes is significant each year.

Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income being paid to Baptist causes in perpetuity.

Earned income distributed to Baptist institutions and mission causes during fiscal year of 1990:	\$647,180
--	-----------

Earned income distributed to individuals with Baptist causes named as charitable remainderman during fiscal year of 1990:	\$686,124
--	-----------

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The servicing of individual accounts requires continuous contact with trustors, donors and those designating gifts through Wills. The increased number of requests for assistance in seminars and conferences by churches, associations and individuals has made part-time assistance necessary in regions of the state some distance from the office.

There are continual improvements being made in available charitable estate planning computer software, constant changes in state and federal regulations which affect charitable estate planning and an increased need for technical training and assistance to serve the ever increasing needs of both the development staffs of our institutions and the individuals utilizing the Foundation services. The Foundation continues to provide for these needs to maximize the growth in financial support for Baptist causes.

In 1990, the Foundation moved into a new home. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990 and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

STATE MISSIONS

1991

North Carolina Baptists continue to give faithfully to the support of missions in our state. In addition to money received through the Cooperative Program, Baptists gave over \$1.6 million last year for the State Missions Offering. This money helps to support missions' work from the coast to the mountains in North Carolina. It helps to continue a strong heritage of doing missions by Baptists in North Carolina, preserving the thrust passed on to us by our forefathers.

The Missions Division of your Baptist State Convention organizes its work through several distinct areas.

Two Area Missionaries serving the western and eastern regions of the state work with local churches and associations for missions and program development.

Associational Development includes working with associations to assist them to achieve their own goals and purposes. In addition, special programs are coordinated for resort ministries, world missions conferences, and church missions development.

Chaplaincy and Language Ministries includes giving support to all Baptist ministers serving as chaplains in North Carolina, working with people in North Carolina whose primary language is not English, ministering to the deaf and giving direction to Baptists ministering in a military setting.

Church Extension starts new churches in the state, provides for growth assistance, offers church loans, directs ministry in multihousing settings, conducts demographic studies and assists churches and associations with community surveys and strategic planning for church growth.

Cooperative Ministries and Seminary Extension includes the work that we do with General Baptists in the state, offering seminary extension courses to many hundreds of students, coordinating work with bivocational ministers and in-service guidance for some of the colleges and universities in the state.

Special Ministries offers ministry to the blind, provides for literacy training, coordinates church and community ministries among associations, ministers to mentally retarded North Carolinians and provides for group training to enable churches to develop their own resources for the meeting of special needs.

These, and many other ministries, are part of what we are doing in North Carolina as we engage in missions at the state level.

DISASTER RELIEF MINISTRY HISTORY

The Disaster Relief Ministry is one of 13 Ministries carried on by North Carolina Baptist Men. All of these ministries receive funds from the NC Baptist Men's budget.

Under the supervision of a state lay coordinator, Baptist Men are organized to meet the needs of people during hurricanes, floods, tornados, and other natural disasters providing meals, cleaning up destroyed areas and repairing homes are but a few of the ways North Carolina Baptist Men respond to a disaster.

This ministry was begun in 1977 when NC Baptist Men purchased a 45-foot used trailer. The trailer was moved to Camp Caraway and the job of stripping and rebuilding the unit was started. Baptist churches from all over NC sent work teams to Camp Caraway to get the job done. In June, 1982, NC Baptist Men purchased a mack tractor to pull the unit. With the unit almost completed by August of 1982, the unit was dedicated at the Baptist Men's Board Meeting at Camp Caraway.

The van is equipped to feed 3,000 people a day. In addition, it has a four-cylinder diesel generator that can provide enough power for the unit and also enough to light a small community. The unit carries 700 gallons of fresh water. It is self-contained so when it moves into a disaster area, all it needs is somewhere to park. It has 6 bunks in the trailer and two can sleep in the tractor's sleeper. It also has central heat and air conditioning.

The unit has ten teams (one from each region). Each team is made up of 10 members: a team captain, 2 truck drivers, 1 public relations person, 1 nurse, and 5 kitchen personnel. These teams will respond to disasters on a rotation basis so that no team will have to stay over 3 days at a time.

The unit has responded to 5 disaster calls already. Following the 1984 tornados that hit Eastern North Carolina, the unit was requested at Red Springs. The unit stayed on the scene for 9 days, providing 12,989 meals.

The unit was asked to respond to the flood in Pikeville, Kentucky. The Region 4 team responded to this call. The team did not carry the unit, but loaded its cooking equipment on a trailer and drove 2 motor homes.

On Wednesday, September 12, 1984, Hurricane Diane hit our North Carolina coast. During this disaster, the unit fed over 2,400 hot meals to an area that had no water or electricity.

On Friday, May 5, 1989, tornados touched down in Western North Carolina. Our disaster relief unit was called into action and responded by providing over 5,000 meals in Lincoln and Cleveland Counties.

In September of 1989 when Hurricane Hugo raged through the Carolinas' your Disaster Relief Unit was set up at First Baptist Church in Georgetown, South Carolina. Your Disaster Relief Unit provided 30,000 hot meals to disaster victims and relief workers during the 12 days that it was in Georgetown.

There are 18 Baptist State Convention Disaster Units across the United States. They range from a motor home pulling a four-wheel trailer to a 45-foot trailer pulled by a tractor. NC Baptist can be proud of its ministry. It has been put to the test and has proven its ability to perform.

ANNUAL REPORT
CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

This has been a most eventful year for the cause of Applied Christianity.

With North Carolina facing a 1.1 billion dollar shortfall and with news accounts stating that citizens from North Carolina are spending 100 million dollars annually in the Virginia lottery, it appeared almost inevitable that a lottery bill would pass the 1991 legislative session.

In addition to the economic factors, the gambling industry had 13 lobbyists working the halls of the Legislature daily promoting lottery legislation.

Even though lottery legislation passed the Senate, it was quite evident that the lottery lobbyists could not line up enough votes to get the measure through the House of Representatives. Lottery supporters did not push for a vote, for they knew that the legislation would be dead. Therefore, the proposal will be eligible to be considered in the next legislative session when it convenes in June, 1992.

Between now and then, it is of utmost importance that you secure a commitment from your representatives in the North Carolina House to oppose state-sponsored gambling. The Senate will not be voting on the lottery in 1992 because it has already passed that body.

Key lottery supporters were Senator Ken Royall (D-Durham), Senator George Daniels (D-Caswell), Representative David Redwine (D-Brunswick), Representative Joe Mavretic (D-Edgecombe), Representative Robert Hunter (D-McDowell) and Representative Frank Rhodes (R-Forsyth).

Opponents of the legislation were led by Governor Jim Martin, Lieutenant Governor Jim Gardner, Senate President Pro-Tem Henson Barnes (D-Wayne), and Speaker of the House Dan Blue (D-Wake).

While we were successful in side-tracking lottery legislation, the Legislature refused to enact the following proposals:

1. PARENTAL CONSENT...North Carolina remains one of the few states in the nation that allows a minor to receive an abortion without parental consent. Legislation to enact parental consent passed the House, but died in the Senate.
2. DRUNK DRIVING...The House passed legislation that would change the alcohol blood level from .1 to .08 as the breathalyzer standard for Driving-While-Impaired. The Senate refused to act on this proposal.

3. OPEN CONTAINERS OF ALCOHOLIC BEVERAGES IN MOTOR VEHICLES... It is ironic that an open liquor bottle is prohibited in a motor vehicle, yet there is no limit to the number of open beer containers allowed in a motor vehicle. Highway safety authorities confirm that a large majority of the drivers charged with driving-while-impaired are beer drinkers. N.C. Highway Patrol officials endorsed the open container legislation, but it got "hung up" in a House committee.
4. TEEN-AGE PREGNANCIES...In order to address this growing problem, legislation was introduced to require sexual abstinence instruction to be a part of the curriculum of our public schools. (Such instruction has been very successful in reducing teen-age pregnancies in other areas of our country.) However, such a program was opposed by our N.C. Department of Public Instruction. Education officials charged that such legislation would be imposing a standard of morality upon our youth. The measure simply stated: "The State Board of Education shall adopt rules to provide that the public school curriculum shall include instruction, in appropriate grades and classes, that abstinence from sexual activity outside of marriage is the expected standard for all school-age children, that abstinence from sexual activity is the only certain means of avoiding out-of-wedlock pregnancy, sexually transmitted diseases, including AIDS, and other associated health problems; and that a mutually faithful monogamous relationship in the context of marriage is the best lifelong means of avoiding sexually transmitted diseases, including AIDS."
5. ABORTION FUND...North Carolina is the only Southeastern state that used state tax funds for medically unnecessary abortions. Some \$400,000 of state tax funds have been budgeted by the state legislature to pay for these elective abortions. Therefore, we are denying thousands of babies right here in North Carolina their constitutional right of life, liberty, and the pursuit of happiness.

How can we turn the tide on these important moral issues? It will occur when North Carolina Baptists and other Christians are willing to become actively and publicly involved in upholding our Judeo-Christian moral standards. It is not enough to wring our hands and just talk about problems. We need to cry out publicly and act against sin. Baptists need to be informed about the stands taken on these issues by those who are running for public office, and then vote for those who reflect our standards.

In addition to a demanding legislative session, the Christian Action League has successfully assisted several counties and municipalities in liquor, beer, and wine referendums.

Good Government Seminars were conducted in the Asheville and Wilmington areas, at which some of the above issues were addressed.

Nationally recognized authorities came to share their expertise on the issues of gambling and family matters. These included Dr. Paul Cameron, Chairman of the Family Research Institute, Washington, D.C.; Austin McGuigan, former State's Attorney for Connecticut, and Bill Swindell, National Field Director, American Family Association, Tupelo, Mississippi.

We praise God for your prayer and financial support as we join in addressing the moral and ethical issues facing our society.

IN OUR HISTORY . . .

One cold winter evening in late November 1902, a Baptist minister, who had a call from God to come to Asheboro to help organize a church, found his way to the home of Mr. and Mrs. G. W. Berry. The Berry's were Baptists who had recently moved here from Morristown, Tennessee. It is believed that the minister also came from Tennessee. As they met that night in the Berry home, plans were made to establish a Baptist Church in Asheboro. During the next few days, known Baptists were contacted and asked to meet at the Berry's home on Saturday, November 29, 1902. It was on this day that the Asheboro Baptist Church was organized. The charter members totaled seven. They were Mr. and Mrs. G. W. Berry, W. W. Jones, Mrs. R. I. Dickens, J. C. Ingold, R. L. Deaton, and J. L. Pounds. Their first pastor was the Reverend J. D. Newton, the man who had been called by God to come to Asheboro. Services were held once a month on Sunday afternoon in the Presbyterian church.

In April, 1907, a lot was bought on which the church was to be built. This lot was located directly across the street from the present church site about where the municipal building now stands.

In the spring of 1911, the first church building was completed. This was eight years after their first meeting and four years after the lot was purchased. This new building was a wooden structure containing a sanctuary, five classrooms and a baptistry. The Reverend Livingston Johnston preached the dedication sermon.

About 1:00 P.M., Sunday, November 19, 1933, the Asheboro Baptist Church was heavily damaged by fire. Local firemen and many townspeople bravely fought the flames but their efforts failed to save the building. Church records, two pianos, choir seats, and several chairs were saved from the burning building. The church had been recently repaired and painted and was in good condition. Services were held that night at the First Methodist Church with Dr. Stevens preaching. Contributions toward a new building were received that night.

Construction began during the first week of March, 1934. Five and one-half months later, on Sunday, September 16, 1934, the new building was used officially for the first time. On Sunday afternoon, Dr. I. G. Greer, superintendent of Mills Home in Thomasville, delivered the address at the laying of the corner stone.

The educational building, located immediately behind the sanctuary, was not built at the time of the sanctuary.

The new building was overflowing from the outset. The Millis Brown home had been moved to the back of the lot and was used for Sunday School as was the Hut which was still located across the street. To alleviate the crowded conditions a wooden structure was built directly behind the sanctuary. This contained 3 floors of classrooms. It was completed sometime prior to April 1936.

ASHEBORO BAPTIST CHURCH — 1911

Between the time the new sanctuary was completed and early 1936, the name of the church was changed from Asheboro Baptist Church to First Baptist Church.

During the week of May 17, 1942, the church's first pipe organ was purchased. Many members had made pledges and contributions.

On Sunday, August 9, 1942, the church voted to build a steeple on the church to replace the tower. The top of the steeple is 95 feet from the ground. The Celtic Cross on top of the steeple is eight feet high and five feet, three inches across. It was donated by G. Ed Miller.

A concentrated effort was made during the summer of 1944 to pay off the indebtedness of the educational building located behind the sanctuary. With only \$1,225 remaining to be paid, this was consummated on September 3, 1944.

On Sunday afternoon, Christmas Eve, 1944, a meeting was held in the old Macedonia Church building across the

road from the County Home, for the purpose of organizing a new church. This church is known today as Oakhurst Baptist Church.

Reverend Charles E. Neal became pastor on December 8, 1957. The construction of the present educational building was started under the guidance of Reverend Neal.

The Reverend Vernon B. McDaniel moved his family to Asheboro on September 28, 1975, and began his pastorate of our church.

The new pastor immediately called for a Long Range Planning Committee to be established for the purpose of determining goals and setting priorities.

On April 9, 1978, the church voted to borrow \$295,000 from Randolph Savings and Loan to renovate the education facilities of the old building. (This was later to be increased to \$325,000).

Following on the heels of the renovation project, the church set out to replace the pipe organ of 1942 that had really been a compilation of surplus pipes that were not compatible. The organ had deteriorated across the years. An Organ Study Committee was elected on March 15, 1981. In September of 1981 a 21 rank Wicks Organ was ordered at a cost of \$82,000. On July 11, 1982, the new organ was played at services for the first time. The new organ was dedicated to "The Memory of Pearl Humble" organist for the church for twenty-nine years.

Land purchases have become the focus of the church in recent years. Available properties to the west and south have extended the expansion possibilities for the future and at the beginning of the decade of the nineties the church will be debt free thanks to the cooperation of a loving church family in a Capital Stewardship Campaign that is seeking to build for the next generation.

HISTORY OF FIRST BAPTIST CHURCH

Prior to 1965 a mission church was started on the Troy Road. The meeting place was a small block building that is still standing today. This mission began under the name of the True Gospel Mission.

By 1965 the name was changed to Seagrove Baptist Mission. Trustees were elected with Mr. B.P. James, Jr., Harley Scott, and Mr. Lester Carrick being the first. Also in March of 1965 the mission designated five percent of the offerings to the Cooperative Program. This was also to be the year that land for relocating would be acquired. Later that year the mission would purchase a parsonage.

Seagrove Baptist Mission would continue to grow and 1966 would prove to be another exciting year for the mission. In June 1966, the mission organized into the First Baptist Church of Seagrove. This organization meeting occurred under a tent on the property where the church is today. A formal groundbreaking for a building took place on July 30, 1967. The new building would be financed by the sale of church bonds. Cost for this structure was around \$77,000. By early 1968 the move was made into the new sanctuary.

The 1970's were not as progressive as were those first few years. Burdened with debt on the parsonage as well as the new building, First Baptist struggled. Also during these years several pastoral changes took place. Rev. Bobby Martin, the first pastor, of the church, left in 1971. The 70's saw Rev. Ronnie Kiser, Rev. A.B. Hammett, and Rev. James Womble come and go as pastor of the church. During interim periods Rev. T.W. Nelson and Rev. R.L. Hughes served the church. After Rev. Womble left in 1979, Rev. R.L. Hughes came back as interim.

Rev. Hughes lead the church into the 80's and would prove to be one of the great leaders of First Baptist. Under his leadership the church began giving more to missions including ten percent of undesignated gifts to the Cooperative Program. The church paid off her debts and started looking to the future. In 1982 Rev. Charles Spivey II was called as Associate Pastor. A need for a multi-purpose building was realized and after much consideration, the Rev. R.L. and Nan Hughes Christian Life Center was built and dedicated in December 1986.

Another change was in store for 1988. Rev. Hughes would step down as pastor. Rev. Rob Roberts came as interim pastor and served until February 1989. In January 1989, the Church called Rev. Mike Eller as pastor.

Events of 1989 and 1990 included padding the pews, placing a stained glass window in the front of the church, adding five Sunday School rooms, an assembly room, and an office to the Christian Life Center.

The present church membership is 202 and Sunday School enrollment is 143. With the continued support of people like Rev. R.L. Hughes First Baptist Church is a church for today and a church for everyone.

Constitution and By-Laws

Randolph Baptist Association

Revised: October, 1990

ARTICLE I - NAME

Section 1. The name of this body shall be known as the Randolph Baptist Association. It may hereafter be referred to as the Association.

ARTICLE II - PURPOSE

Section 1. This Association is a self-determining Baptist body, created and sustained by the churches affiliated with her and responsible to them through their Messengers.

Section 2. The purpose of the Randolph Baptist Association is to enable member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the programs and ministries of this Association, the Baptist State Convention of North Carolina, and the Southern Baptist Convention, thereby fulfilling the Commission of Jesus Christ as stated in Matthew 28:19-20.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of cooperating Baptist churches within the area of the Association. A cooperating church shall be defined as one which sends an Annual Report to the Association, elects Messengers to attend the Associational Meetings, and contributes to the financial program of the Association.

Section 2. The Association shall be sole judge of it's membership and may receive churches, according to the Constitution and By-laws. Member churches may withdraw from the Association as they desire.

Section 3. Any church in the Association which fails to cooperate with the Association over a period of two years shall be contacted by the Credentials Committee of the Association to determine the intentions of the church regarding it's desire to remain in the Association. In the event the church does not respond to the efforts of the Credentials Committee, the church will be considered as having chosen to withdraw from the Association.

Section 4. Any church that has departed from Baptist faith and practices and has failed to abide by the provision of the Constitution and By-laws of the Association, will be contacted by the Credentials Committee. Such church upon recommendation of the Credentials Committee and a vote of the Association shall be placed on probation until the conditions prompting such actions have been corrected. Messengers from any church on probation shall not be allowed to vote in the Meetings of the Association.

Section 5. Churches desiring to affiliate with the Association shall make a written request to the Credentials Committee of the Association at least three months prior to the Fall Meeting (October), for examination and recommendation to the Association. A church (or mission) is first received into the watch care of the Association. Upon completion of one year in watch care relationship, a church may be received into full membership of the Association by a recommendation of the Credentials Committee. There must be a vote of two-thirds majority of the messengers present at the Associa-

tional Meeting for petitioning church (or mission) to become a regularly affiliated member church of the Association.

Section 6. It is understood that each church in this Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except in an advisory nature, and this by invitation only.

ARTICLE IV - MEETINGS

Section 1. The Associational meetings shall be composed of Messengers elected by the affiliated churches according to the plan. Each church shall be entitled to three (3) Messengers, including the pastor, and one additional Messenger for each fifty (50) members or fraction thereof, above one hundred in its resident membership, but not to exceed ten (10) such Messengers. The Director of Missions and General Officers shall be Messengers in all Associational Meetings.

They shall be Director-Elect until October 1 when their tenure of service begins.
- (3) The Spring Meeting shall meet in April. All General Officers, Committee members, and Program Council members shall be presented by the Nominating Committee for a vote by the Messengers at this April Meeting. Section 3. Other meetings of the Association shall be held when called by the Moderator and/or the Director of Missions. Before calling a special meeting, a notice of at least two weeks shall be given to the Messengers, with a clear explanation as to the purpose of the meeting. No other business can be considered. - Brazil:

- Testimony was given by Ms. Muriel Cox, who shared how the Brazil trip had truly changed her life. Working with the children there, was such an experience that would never be forgotten, nor the opportunity that she was given. She expressed gratitude to the Assoc. for funds that made this trip possible for her.

- Testimony was also given by another Brazil Team member, Archie Smith. He expressed feelings from his heart of how it was impossible to put into words the love he shared with the people of Brazil. He knew that God had provided a way for him to go through offerings from his church and the Assoc. He expressed a love for the people there, and when he thinks of them, he truly knows he left a part of his heart with the people of Brazil.

- Pins were presented to the Brazil participants present, Muriel Cox, Archie Smith, Steven Davenport, Jerry Glenn, and Judson Rotan from the Baptist State Convention.

- Next Brazil Trip is scheduled for October 28 - November 11, 1992.

- Church and Community Ministries Report was presented by US-2 Missionary, Hoover Lee. He recognized his Committee, Heather Bingham, Karen Hall, Mike Hammond, Vannetta Kimrey, Bobby Poole, Carolyn Santanella, Randy Sherron, and ex-officio members, Reginald Dawkins and Judson Rotan. The "Mission Action Resource Guide" was available for each pastor. The need of eight teachers for the beginning ministry in Conversational English Classes was stressed for this Program to continue. Workshop dates were announced for Feb. 3, 5, 10 and 12 from 9-1:30 each day. A slide presentation was presented with scenes of Randolph county as seen through the eyes of Hoover Lee. Songs, "Carry the Light" and "While I'm Standing Here" were played during the slide presentation. He challenged the people of Randolph Baptist Assoc. to respond to the needs of our county.

- World Missions Conference (WMC) Emphasis was given by Rev. Koy L. Haywood. Attention was made to special upcoming events in preparation for the WMC April 5-12, 1992. To date, 23 churches have committed to participate. He urged those who have not responded to join in this special time for our churches and Assoc. Rev. Haywood closed with a poem entitled, "The Last Hour."

- Missions Development Council Report was given by Rev. Bobby Blanton. The request to extend our Brazil Partnership for two years beyond 1992 has been made by the Alta Sorocabana Assoc. in Sao Paulo, Brazil. Two other requests were presented, as information only, 1) to build four church modules on locations in Brazil, and 2) to continue to send evangelistic teams each year. These requests are being reviewed and studied by the Council and will be presented and voted upon at the next Quarterly Meeting of the Assoc. The N.Y. Convention Partnership was briefly reviewed and emphasized, with more information to be presented at a later date. Rev. Blanton reminded and encouraged the churches to continue to support the US-2 Program.

- Challenge was presented by Judson Rotan/DOM. The theme, "You Make a Difference" in how you respond to our county, home, and world was emphasized. Scripture from Matt. 17 was read with the illustration of how the disciples could not cast out the dumb spirit from the boy. When they asked Jesus why this was not possible for them to perform, He told them it was because of their unbelief. The challenge was placed before those present to increase our faith through prayer; our lack of faith being the reason we have failed to win more lost to Christ. Faith is our total dependence on God. We are to act on our faith, reaching out, ministering to others through Christ. We must pray for the mission cause in our churches, our Assoc., and our own lives. We must join together to win our county to Christ.

- **Closing Prayer** was given by Rev. R.D. Byrd.
- **Meeting Adjourned** to fellowship hall for refreshments.

- **Hymn** "Leaning on the Everlasting Arms" led by Mr. David Thomas, and accompanied by Mrs. Retta Plunkett.

- **Devotion/Prayer** by the Rev. Ron Chaney, pastor/Gravel Hill. Rev. Chaney shared thoughts from our theme, "You Make a Difference - Through Your Relationship With Christ." He reminded us of our calling as "the flock of God," "the garden of God," laborers together with God, "the cooperate body of Christ," and "the bride of Christ." He also reminded us of our gifts to be used through the church, referring to I Peter, Ch. 5. We can make a difference in the system, because God has placed us where we are. God has given us the ability to use our spiritual gifts to serve God and others; Christ glorified, others edified, (I Cor. 12). We are fitly framed together as a building of God, "partners in God's program," making a difference in every system in which we are involved.

A statement was released, attached, issued by the Officers of the Association, Reginald Dawkins/Moderator, Richard Crider/Vice Moderator, Judson Rotan/Director of Missions, and Johnny Henderson/Chairman of Christian Life Council, expressing grave disappointment in the endorsement of homosexuality and the licensing of a practicing homosexual by the Pullen Memorial Baptist Church in Raleigh, and Olin T. Brinkley Baptist Church in Chapel Hill. A Resolution and News Release, attached, was read. A motion made that it be approved and seconded as read with one correction, that the cities of the above named churches be included in the Resolution and News Release. This Resolution recommended that the General Board Meeting on May 19-20, 1992, support the proposed change in the Business and Financial Policy as follows:

"No funds of any kind, designated or undesignated, shall be accepted by this Convention, its Programs, its Institutions, or Agencies from any church which knowingly takes, or has taken, any official action which manifests public approval, promotion, or blessing of homosexuality. Any such church shall not therefore qualify as a "cooperating church" as defined in Article IV, A, 3 of the Constitution of the Baptist State Convention of N.C."

A copy of this Resolution will be sent to the President of the Baptist State Convention - Glenn Holt, the President of the General Board - Lamar Brooks, the Executive Director/Treasurer - Roy J. Smith, and the *Biblical Recorder*, journal of the Baptist State Convention.

- **Missions Council Report** was given by Rev. Bobby Blanton.

1) Presentation in the form of a motion was made to recommend that we participate in a joint partnership to send two more teams to Brazil, one evangelistic, and one construction to build a chapel. Associational cost would be \$1,500.00. Individual cost would be \$1,756.00/person to be supplied by individuals. Motion was approved and seconded. Discussion included two questions, 1) Will both teams go at the same time? Yes, and 2) Which Associations are involved in the partnership? Sandy Creek, Montgomery, and Sandhills.

2) New York partnership was also presented for involvement this fall. Details and involvement of our Assoc. to be presented at the Annual Meeting this fall. Suggestion was made for the Assoc. Meetings Comm. to prepare for a special presentation on the N.Y. partnership at that time. Encouragement for involvement from churches was requested.

3) Encouragement for each church who has not participated in contributions to the US-2 A/C was made by Rev. Blanton; as our account is extremely low at this time.

- **Stewardship** emphasis was given by Rev. Dennis Ball, Stewardship Director. Announced dinner meeting, May 25, 6:30, W. Allen's Restaurant, led by Talmadge Williams. Pastors, Chairmen of Deacons, and Treasurers and spouses are invited to this Stewardship Dinner.

- Other Reports:

- VBS Clinic to be held at Franklinville, First, May 18, 6:00 PM, Meal; Training Session, 6:30-9:00, announcement made by Judson Rotan/DOM.

- Committee Reports:

- Nominating Report was submitted by Mrs. Renea Henderson, Chairperson. General Officers, Moderator/Richard Crider, Vice-Moderator/Richard Fisher, Clerk/Treasurer, Mary Ann Ingold, and Trustees, Marvin Caviness, Carl King, and Wade Yates were presented and accepted. Other Representatives and Councils were approved and accepted as stated on Nominating Committee Report.

- After a short recess, the Program resumed as follows:

- Baptist Hospital Representative, Mr. Calvin Knight, in his last year before retirement, provided information as follows:

1) Baptist Hospital is certified in top 10% in quality and health-care;

2) Admission is now available by family physicians' recommendations; the number to call for admission information is 919-748-2255.

3) Baptist Hospital is cost competitive, 10% lower than other hospitals in state, and 50% lower than other teaching hospitals.

Mr. Knight also encouraged support of the Mother's Day Offering, which contributes to those who are unable to pay for medical care and requested prayer for those on staff at the Baptist Hospital. He introduced his replacement, Mr. Bill Yates, who spoke on the leadership of the Baptist Hospital. He commended Mr. Knight for his leadership during his years of service at the Baptist Hospital and for two qualities he admired, humility and self-confidence. He also acknowledged Mr. Len Pressler, President of the Baptist Hospital.

- Hymn "Open My Eyes" led by Mr. David Thomas.

- Lay Speakers were introduced by Rev. Judson Rotan/DOM, who placed a challenge to make a difference in our lives by our attitude, allowing Christ to make a difference by our conduct, using the theme, "You Make a Difference - My Commitment to Christ Through . . ."

- An Asheboro Doctor's Office. Donna Auman believes her profession in a "calling." She referred to "Take This Job and Love It" by Stanley Baldwin. Donna inspired us as she stated that she believes the best way to witness to someone else is through her life as an example. As she explained her witness and example to minister to patients and staff, we identified with her desire to make a difference in someone else's life as others have made a difference in her life.

- The Asheboro High School. Charles Spivey shared his testimony and work as a part of the CARE Team working with students with problems such as drugs. His Christian faith has allowed him to share hope with students in situations that seem hopeless. Scripture was taken from Proverbs 3:5, 6 as we were led to see that we should be involved in life-style witnessing. Charles shared that he tries to make a difference each day, if only to one person.

- Home and "Clowning." Renea Henderson shared her testimony of how God had led in her life, as a young adult, to meet her husband, now a pastor, and of how others want to see a witness in your life. She testified that her conviction was that the best thing to be in life was "yourself." An area that she uses to minister to others and bless in her own life is "Claudia" the clown. We were challenged to each find our own gift and use it to God's glory to truly make a difference.

- **Closing remarks** were then given by Judson Rotan as he proclaimed that Christ can make a difference in an ordinary life, wherever we are, as he repeated the words from a favorite hymn, "Have Thine Own Way, Lord."

- **Meeting was adjourned** to the fellowship hall where refreshments were served by Glenola Baptist Church.

- **Prayer** by Director of Missions, A. Judson Rotan.
- **Theme Interpretation "Share Heritage Through Christ's Mission"** by A. Judson Rotan. He challenged each one to realize that missions are for all. Every Christian must be "on mission" as from the beginning; the first church was "on mission."
- **Constituting of the 58th Annual Session** by Clerk/Treasurer, Mrs. Mary Ann Ingold. Moved and accepted.
- **Assoc. Meetings Report** Rev. R.L. Hughes/Chairman, Seagrove, 1st, presented the Program for both days of the Annual Session as stated. Moved and accepted.
- **Recognition of New Pastors and Staff** by A. Judson Rotan, as follows: Rev. Gary Mullis/Pastor, Cedar Grove; Mr. Danny Miller/Min. of Youth and Children, Cross Road; Rev. Roger Carlson, Pastor/Maple Springs; Rev. Wayne Dunn, Pastor/Mt. Pleasant; and Rev. Pete Lamb/Pastor, White's Memorial.
- **Treasurer's Report** was presented as stated in the "Book of Reports." Year-ending balance of \$936.57.
- **Financial Emphasis** was given by Chairman, Dr. Dan Wood/Pastor, Franklinville, 1st. He used the illustration of a bow and arrow compared to the Assoc. in reaching the target or our goals. In the Assoc. it depends on how far we pull the string, by our giving, our support, and our ideas. In summary, 22 churches plan to increase their giving, 21 are giving 3% or more this year, and 6 of 21 churches are going to give 6% or more, 1 will give 5%. He challenged individuals to become involved and excited about our Assoc. and the work, and expressed thanks for their giving.
- **Misc. Business** Rev. Richard Fisher/Vice-Moderator, emphasized the Assoc.'s 50-yr. old furnace and the copier which was worn out. He asked churches to respond in special offerings, later in the Meeting tonight, and tomorrow at 11:00 A.M. Moved and seconded.
- **Clerk's Report** was given by Assoc. Clerk/Mary Ann Ingold. Special recognition was given to the 1st 10 clerks who sent in their Uniform Church Letter, as follows: 1) Mrs. Loanie Cole/Maple Springs, 2) Mrs. Dorothy Smith/Liberty, 1st 3) Mrs. Flossie Ferree/Deep River, 4) Mr. Wayne McNeill/Union Grove, 5) Mrs. Kathryn

Bray/Ramseur, 1st, 6) Mrs. Nancy Hunter/Balfour, 7) Mrs. Jo Davis/Franklinville, 1st, 8) Mrs. Pearl Haithcock/Cedar Falls, 9) Mrs. Carolyn Santanella/Greystone, and 10) Mrs. Belinda Hayes/Calvary.

- **Feasibility Committee Report** was given by Chairman/Dr. Reginald Dawkins/Pastor, Liberty, 1st. He recognized the Feasibility Comm. A motion was made from this comm. to accept their recommendations as stated in the "Book of Reports." Mr. Dewey Shelton/Glenola, a member of the Feas. Comm., was recognized to express his encouragement of this issue. Upon the recommendation that a building committee be formed, discussion followed. Dr. Stephen Hensley/Pastor, Cross Road, suggested that no. 1 under Recommendations, be amended to read, "a perspective location be found." Rev. Ron Hester/Pastor, Center Cross, requested that a clarification of the term "feasibility" be made. He offered a substitute motion, to eliminate para. no. 1 and no. 2, and recommend that a "special committee" be formed to report back in 1993 of the estimated costs involved. He further suggested that the word, building, be removed from the wording. Further discussion followed, with concern for existing programs. It was agreed the discussion be continued in tomorrow's Session.

- **Commissioning of the Brazil Team** A. Judson Rotan recognized those from our Assoc. going to Brazil, James and Donna Harmon and Gary and Sinja Hill, all from Macedonia Church (4 others will be going from the Sandhills Assoc. and 8 from Columbus Assoc.) Scripture was read from Acts 13:1-2. Rev. Ron Chaney led in prayer and pins of flags of U.S. and Brazil were presented.

- **N.Y. Partnership** Rev. David Leary/DOM from Long Island Baptist Assoc., emphasized "unity" from various scriptures. He shared information about Long Island, which has about 8-1/2 million people. He gave examples of the Southern Baptist mission work and people "on mission." We are to "look for ways of what Christ has done for us, that we can do for others." A person knows you are real when you love them. 85% of the people on Long Island do not know God loves them. Our mission is to help people see what God is like; He equips us and empowers us.

- **Recommendation that remaining Reports be moved until tomorrow's Session.** Seconded and approved.

- **Hymn** "How Great Thou Art"

- **Cross Road Choir** "When We See Jesus, O What A Moment," soloist, Mrs. Tammy Henderson.

- **Scripture and Prayer** Rev. Mike Eller/Pastor, Seagrove, 1st.

- **Annual Sermon** Rev. Dale Robertson/Pastor, Forest Park. Scripture, Pro. 29:18 "Where there is no vision, the people perish." and Joel 2:26-28. God's people need God's vision to be "on mission" for Christ. The Holy Spirit will cause Christians to see visions and dream dreams. Does your vision for your church meet the needs of others? We receive the vision by prayer, the Word of God, bathed in tears and Christ-centered.

- **Meeting Adjourned** by Moderator/Dr. Richard Crider.

History of Cross Road Baptist Church 1992

In 1977, Stan Haywood and Bill Applewhite met at a meeting and came back with the idea of "doing something bold." Some months later, they met with two other men and wives to form the nucleus which led to the organization of the new church. The group was then joined by three additional families to comprise the charter membership of the church. Those 24 charter members represented the Merrill, Applewhite, Haywood, Mark Sink, J.B. Sink, Wiley, and McIntyre families.

On February 2, 1978, the group came to a final decision and contacted Rev. Don McIntyre who became the first pastor. Don came on May 22, 1978 and the first service was held on Wednesday, May 31, 1978 with the 24 charter members. The first worship service was held on June 4, 1978 with approximately 65 people attending. The membership rose to 176 the first year and by the fifth anniversary the membership was 435. Now it is approximately 700.

This was the first independently organized Baptist church to apply for membership within the Randolph Association in more than 25 years. The name of the church was actually taken from the Scriptures, Matthew 16:24, when Jesus told his disciples, "If any man would come after me, let him deny himself and take up his cross and follow me."

The first meeting place for the church was the VFW building from June 1978 to September 1978 when the new church was constructed. In April of 1979, bonds were sold to finance the new building on property purchased by the church. In just 72 hours, \$275,000 in bonds had been sold by members to finance the building. By September, 1979, the building was ready to be occupied. Most of the work inside the building was done by church members.

The Constitution and By-Laws were written and adopted in 1979. It was in 1979 that the new deacon family ministry was started. Every person who joins the church is assigned a deacon.

In February, 1980, the church produced a television program which aired every Sunday morning on channel 45 for several months. The first program was televised on March 9, 1980.

In August, 1980, the first monthly newsletter was published by Beulah Tote. "The Cross Road Review" was chosen by the congregation as the name for the newsletter. It was published the week following the monthly business conference until about two years ago and it is now published the last week of each month.

In 1981, the new Sunday School addition was built through love offerings of the congregation. In the fall of 1981, the Christian Growth Institute was started, replacing Training Union on Sunday evenings.

In November, 1981, weekly Bible Clubs were started by Bea Cole. The Bible Clubs met on a bus that had been renovated to provide a classroom atmosphere.

In October, 1981, the Navigator Discipleship classes were started. This was a two year program. Other programs of the church now include Vacation Bible School, extensive outreach programs, rest home ministry, missionaries at home and around the world, Men's Fellowship, Women's WMU, children's programs, and more. Church members have been sent to such places as West Virginia, North Dakota, Argentina, Chili, France, and India to assist in new buildings, medical assistance, and winning souls.

In October, 1982, funding for a rest and retirement center was approved and the building was started in 1983. By November 1, 1983 the Cross Road Rest and Retirement Center was opened for the first residents to move in. The capacity for the center is 116 residents and it is usually filled. Church members and others from the community provide devotions each morning for the residents. Later five apartments were added to the complex and in 1988 the Railey property was purchased and is now being used as assisted living space. Recently they broke ground for four additional apartments with plans for more in the future. It is called Cross Road Village.

In September, 1985, the church purchased Camp Cedarwood for \$110,000 and funds were contributed through the Challenge to Grow program. It was sold in July 1991 for \$175,000.

In November, 1991, ground was broken for the Christian Life Center. It will house the church offices, some Sunday School classes, and a fellowship hall which includes new kitchen facilities.

Several young people from the church have committed their lives to God's work. They are: Allison Myatt Brown, Cindy Myatt, Walker Armstrong, Phil Bray, Johnny Tote, Donna and Dean Beck, Kelly Bennett, Danny Williams, Ben Dowd, Tommy and Karen Kidd, and Don King.

Ricky Brown served as the first Director of Music. Other music directors include Sharon Wiley, Delores Crutchfield, Randy Williams, Paul LeCrone, and Boyd Ammerman.

Casey Pearson and Boyd Ammerman have served as Minister of Youth and Education. Danny Miller joined the staff as part-time Youth and Children's Director in February, 1992, and since May, 1992 is full-time.

Church clerks include: Barbara Merrill, Beulah Tote, Susan West, Joanna Mason, and Sue Griffith.

Pastors include Don McIntyre serving from May, 1978 to June, 1986; Jack Moore 1987 to 1989; and Steve Hensley, January, 1990 to present.

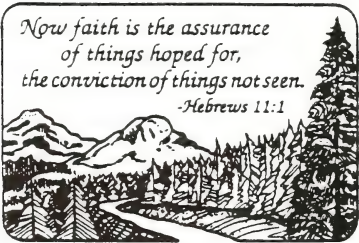

Church secretaries include volunteers, Barbara Merrill and Beulah Tote, and the first paid secretary, Jan Winters from 1982 to present.

The theme of the church is "The Church That Cares" and the song is "Victory in Jesus." The cross behind the pulpit is made of glass that only God's light, natural day-

light, shows through, to make it the beautiful red that shines in the morning sunlight.

God has blessed our church, providing material blessings, people to do the work, bringing people from all over the world to make up the church family. Since the beginning, years have flown by and people have changed. Babies have grown to be young adults, teens have grown up and married and now have children of their own, and heads have turned gray and some have even gone on to be with the Lord. Sometimes changes are subtle and you hardly notice - people change constantly and God changes people and situations. We never stop changing - everyday we are different from the day before. We never stay the same, but one thing is certain - God never changes. He is the same yesterday, today, and always!

Respectfully submitted,
 Beulah Tote, Church Historian

He shared his faith from God's Word that we were to be missionaries and mission-minded. The BSC has no life of its own; it takes its life from the assoc. and the assoc. from the churches. Our response should be to assist churches in achieving their God-called visions and to go into places the churches cannot physically go. If it were not for the St. Missions Offering, just receive in Sept, 1992, many people across N.C. would not hear the Gospel. In ref. to Isaiah 54:2, our mission should be to collect others to be a part of the new Jerusalem. Trust must be involved, trusting God and one another. He challenged us to learn new ways to reach new people.

Deep River Baptist Church

THEN...

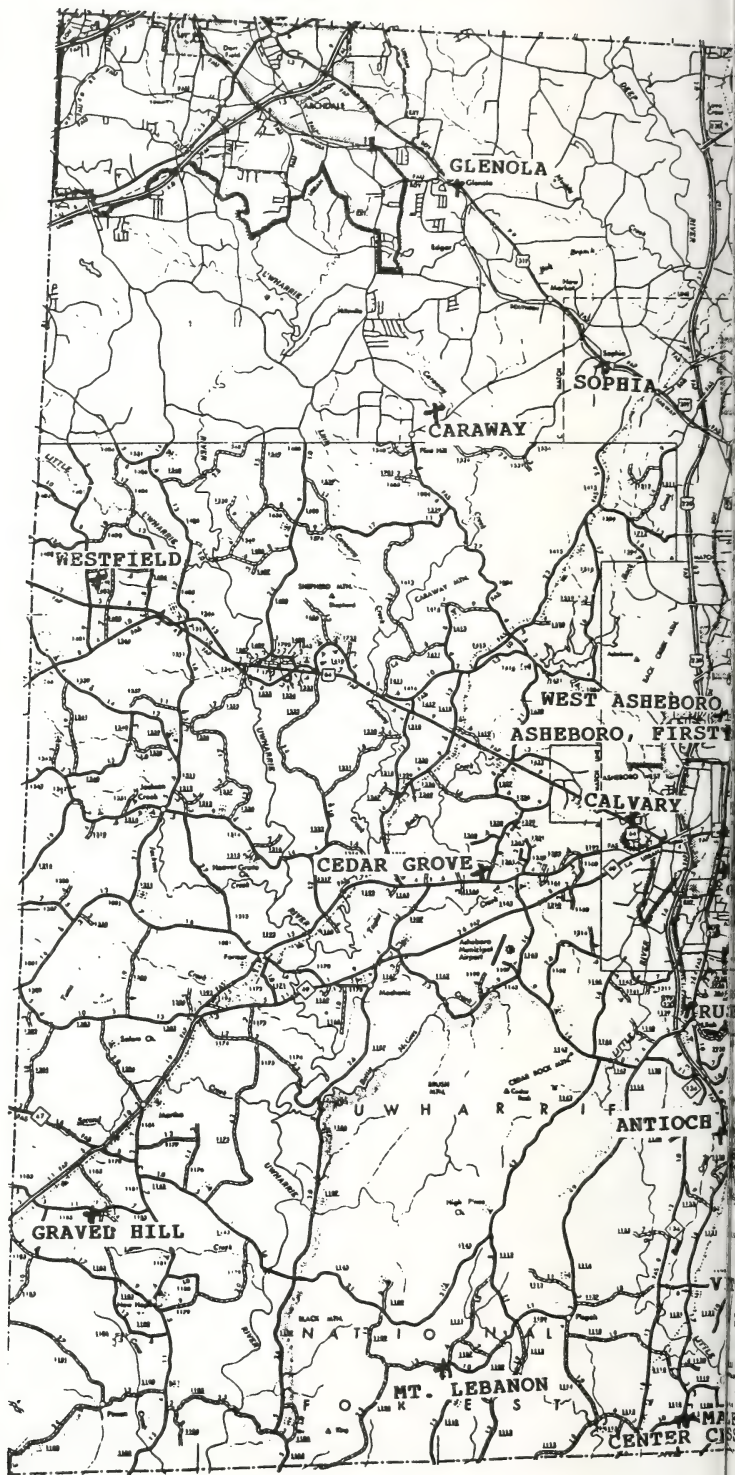

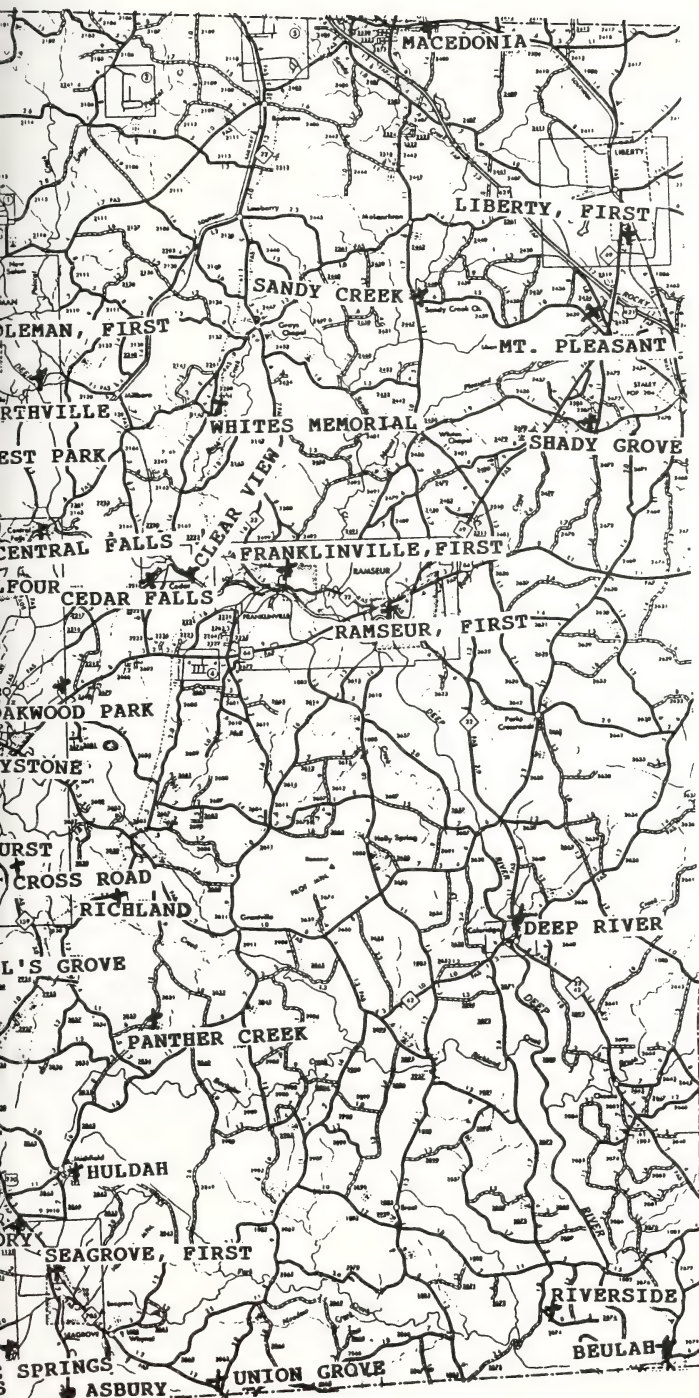

On the first Sunday in November, 1882, near the village of Enterprise, (now known as Coleridge), the Deep River Baptist Church was organized. The ministers participating in the organization were the Reverends T.M. Baldwin, Moses Baldwin, and J.W. Calder, with the Rev. T.M. Baldwin becoming the first pastor of the church. The charter membership consisted of nineteen members, including the following 3, who served as the first delegates to the Sandy Creek Association: W.W. Caviness, Thomas Davis, and Nathan Kivett. For many years the principle place of worship was an arbor, first a brush arbor, then later, of frame construction. It stood not far from the present building.

In 1889, for unknown reasons, the church apparently disbanded and dropped its name from the Sandy Creek Associational minutes. Some members however, continued to meet and in the fall of 1893 the church was readmitted to the Association. By 1901 the membership had grown to 48 people and needed a more permanent place of worship, so a one room white frame building was erected on land given by Mr. and Mrs. H. Frank Brown. A steeple was added to the front in 1925, and during the 1930's and 40's as membership grew, Sunday School rooms were added. The frame building was used until the spring of 1950, when services were moved to the present brick structure, dedicated on May 31, 1953. Since that time the church has undertaken many other projects, including extensive renovation of the church building in 1968, completion of a pastorium in 1971, and construction of an Education and Fellowship building in 1977-78.

Since becoming part of the Randolph Baptist Association, Deep River has hosted the Associational Meetings several times, the first being in 1938.

Pastors of Deep River Church have been: T.M. Baldwin, 1882-84, 1888; Manley Forrester, 1885-86; J.D. Hackney, 1887; G.W. Harmon, 1893-95, 1902, and 1908;

Lassiter, 1918-20; J.C. Kidd, 1921-25; C.M. Strickland, 1925-34, 1939-42, and 1952-61; R. E. Heath, 1935-36; D. L. Temple, 1937-39; Roland Kidd, 1942-45; C.L. Smith, 1945; C.J. Johnson, 1945-47, B.L. Maness, 1947-50; R.N. Hunsucker, 1951-52; J.G. Bailey, 1962-67; Albert Taylor, 1968-75; Thomas Brown, 1975-79; R. Deep River Baptist Church celebrated its 100th anniversary on November 7, 1982 with special services. A history book was published in 1983.

Christian Life Council Report - 1991/1992

The Southern Baptist Convention has given to the Christian Life Commission the task of helping Southern Baptists apply Christian principles in every area of life. The Commission engages in a number of programs that deal with family life, race relations, citizenship, world hunger, peace and justice, environment and special moral concerns. The CLC produces a wide range of helpful educational materials for Southern Baptists including *Light*, a periodical that deals with moral concerns. Also, an expansion of production of audiotape and videotape materials is underway.

In 1992, the Randolph Baptist Associational Officers, our Director of Missions-A. Judson Rotan, and myself felt our Association needed to address and clarify our beliefs concerning homosexuality. This was done through the introduction of a special Resolution. The Resolution was introduced and passed at the May 4, 1992 Quarterly Meeting by representatives from our churches. Thank you for your continued commitment to Applied Christianity.

Respectfully submitted,
Rev. Johnny Henderson, Chairman-Pastor/Victory

Church and Community Ministries Report - 1992

This was the first full year of CCM work in our Association. We have been impressed with the willingness of some to be involved with ministries that reach out to people and have been disappointed with others and their lack of initiative. During this year we struggled to define the area of work and adjusted according to the needs of our congregations and community. Nevertheless, we can only be thankful for the work that has been done and prayerfully hope that the Lord will continue to sharpen us as instruments to be used to minister to people.

The following is a list of activities and ministries we have been involved with during the 1991-1992 year:

1. During the months from September through January, the CCM Director oriented himself to the area through interviews of various agencies that serve the needs of the people in Randolph County. These organizations included the Department of Social Services, Mental Health Center, many of the United Way supported agencies, and various ministries performed by local congregations. Through these interviews, a synopsis of each organization was written and then placed in a book to be used by churches. This book is known as the *Mission Action Resource Guide*. The guide is designed as a resource for churches when needing information on involving themselves in ministry. The guide was first distributed at the January Associational Quarterly Meeting and then again at other times during the year as requested. This guide will be updated each year.
2. Since October, we have been trying to work with the Asheboro Ministerial Association to begin a clearinghouse ministry. The first perceived need discovered through the interviews was the need for a coordinated effort by the churches in assisting people with their living needs (food, clothing, furniture, money for utilities, etc..) in the Randolph County area. Since last October, a committee of pastors from the Ministerial Association has held discussions about how we can begin this ministry and different models and ideas have been examined, but there still are no definite plans to begin anything.
3. In January plans were made to begin an English as a Second Language ministry (ESL). Due to the large and growing number of Hispanics in Randolph County, we saw this as one way of reaching them by meeting the language needs of these permanent residents. Maureen Perryman was invited to lead a workshop for potential teachers. Seven people completed the workshop. Plans were made to have our first classes start in March and run through May. During these first couple of months, we registered six students and three came on a regular basis. During the summer, we held a social gathering for our teachers, workers, and students. In August, we held another workshop for teachers and potential teachers, which was led by Glenda Reece. We had six new teachers complete the workshop and three of the first group of teachers went through the workshop again. We also had a two-hour training session led by Susan Martin for the teachers on ideas for lessons. We began our first classes in September for the 1992-1993 school year. We have registered six new students and from two to five come on a regular basis.
4. In February, preliminary plans for summer Backyard Bible Clubs (BBC) were discussed. A goal of fifteen BBC's by our churches was set. During the course of the months leading up to June, information was distributed to the churches about holding BBC's in multi-housing areas in the surrounding area. Included in this information was an invitation to training sessions being held. Seven churches responded with interest. Of these, five completed three hours of training. For the most part, BBC's were led by the youth of the respective churches. Six BBC's were held in various trailer parks and apartment complexes. We had over 115 children attend these clubs. Through these clubs, churches have had the opportunity to begin some year-round ministries. Although we did not meet our goal, we hope to exceed our goal for this upcoming summer by having at least fifteen churches performing BBC's.

Our hope and prayer is that every Randolph Baptist Church will open its eyes and be willing to begin meeting needs in its community and surrounding area, for we know

that the sacrifices made will be worth the prize of reaching people with the Gospel of Jesus Christ.

Communications Committee Report - 1992

The Communications Committee continues to work in the direction of expanding and improving both the frequency and quality of communications between and among member churches. Additionally much effort is also being made to increase the awareness of stated goals and objectives of the Association. Our associational Director, along with Committee members, has worked to promote positive communications by:

I. Continuing the associational *Newsletter*

II. Upgrading and continuing circulation of the Quarterly Bulletin

A plan for the appointment of an associational representative for each church to assist in the gathering of information was approved in the August Quarterly Meeting. Churches are now working on the selection of this person and a training program will be scheduled in the near future. We expect full implementation of the program early in the church year. The Communications Committee is also working on establishing fellowship groups as a part of an ongoing program of improvement.

We are excited about the opportunities and challenges offered by our Committee. Our Director and associational staff have done an excellent job of coordination with this most important aspect of associational ministry.

Discipleship Training Report - Equipping Believers

Our Lord Jesus Christ began His work among us by calling out 12 men to follow Him. Who were they? Leaders of the community? Spiritual giants of the religious community?

As He walked by the Sea of Galilee, He called two brothers - fisherman, casting their nets. He said, **"Follow Me, and I will make you fishers of men."**

He continued on His way and met two more brothers mending nets. He extended the same invitation - **"Follow Me."** In this same manner He called forth 12 men from their routine duties to become His disciples - to commit themselves to His teaching, His ministry, His Spirit, and Himself. He called them to a progression of learning and growing in Christ-likeness, applying His truths to every area of life. It was a call to commitment and responsibility for sharing their faith as they in turn disciplined others. Ultimately, the call involved establishing His church here on earth. His parting words to these followers were, **"Go thee to all peoples everywhere and make them my disciples. Baptize them in the name of the Father, the Son, and the Holy Spirit, and teach them to obey everything I have commanded you. And I will be with you always, even to the end of the world."** Matthew 28:19-20 TEV

This, my brothers and sisters in Christ, is the Biblical foundation - the mandate of Christ for Discipleship Training. Under the 5 Year Plan for Bold Mission Thrust for 1992-93, the emphasis is, **Equip Believers**. For Randolph Association, my desire is to establish discipleship programs in every church, to train new Christians and new church members in the doctrine of our faith and responsible church membership, to equip church members for discipleship and personal ministry, to teach Christian theology, doctrine, history, ethics, organization, to train leaders for ministry, to interpret and undergird the work of our churches and denomination.

Southern Baptist resources for Discipleship are unlimited. We have available to us outstanding materials for training prepared by Godly men such as T.W. Hunt, Avery Willis, Henry Blackaby. November 23 we are preparing and excited about a Discipleship Training Rally called "M Night" or mobilization night. It will be a time of great fellowship, inspiration, information on resources for DT, testimonies, and a Bible Drill demonstration. It will be capped off with the challenging film, "A Man Called Norman." This is for your entire congregation, young and old alike. It will take place at Asheboro First Church, 7 PM.

The Discipleship Training Council members are available to you assist in any way with establishing or continuing Discipleship Training in your church.

To His Honor and Glory!

Evangelism Report - 1992

Your Evangelism Committee met on three (3) occasions in the last year. Topics discussed were wide ranged - witnessing-giving concepts, personal evangelism strategies, and lay-led revivals and renewals.

On February 1, 1992 we had a workshop on "How to Witness to Mormons" led by Mr. Ronald Ingle from Durham. He was well versed in the doctrine of Mormonism as well as the truth of scripture that is always able to "set the captive free." His spirit, devotion, and desire to win the lost gave us a new charge in our own souls. We had six (6) to attend that meeting. VBS training for pastors was led by Rev. Ron Chaney in the area of age-stage development of children and presenting the gospel.

We have also talked to our new Evangelism Director, Rev. Mark Sink, pastor, Macedonia Baptist Church, about possible upcoming events that our Lord may direct him to lead us through. We pray that our commitment to Mark's leadership will match our talk about winning souls.

People say, "I'm doing the best I can," but we need to help them understand that the "best they can do" is to receive Jesus Christ as their personal Saviour! Not doing that is not doing the best they can!

Feasibility Committee Report

For 58 years the Randolph Baptist Association has been the enabler and encourager for sharing Jesus Christ through local ministries in our churches. As we review our history, we are reminded that Randolph Association grew out of the fact that the churches were in the "twilight zone" and it seemed almost impossible to develop those churches as they should. These churches were members of four difference associations. After much prayer and discussion among several pastors in Randolph County, 21 churches met in Franklinville, N.C. in the fall of 1934 and organized the Randolph Baptist Association.

Through these 58 years, the Association has approved as its major objectives the following:

- 1) **Fellowship** - Enrich the fellowship daily
- 2) **Evangelism** - Reaching persons for Christ

3) **Discipleship** - Helping churches to grow

4) **Missions/Ministry** - Ministering to human needs

As the Feasibility Committee began its work, we discovered from our rich history and our present needs that our mission in the 1990's, as an association was a relationship in missions. It is a life-style of touching people in our communities with Christ's love. It is personal - more than just cold statistics among faceless crowds. We are a family of churches in fellowship and on mission individually and together. From Liberty to Asheboro, from Randleman to Seagrove, from Glenola Church to Beulah Church, from Macedonia Church to Gravel Hill Church, we are alike in our churches in missions, yet diverse in our methods and worship. But we are a family - a family of God's children, laboring together in sharing Jesus Christ and ministering to human needs across Randolph County.

In the history and purpose of Randolph Association, the Feasibility Committee studied and surveyed our ministry in the light of our associational building.

A Committee of 12 lay-persons from across the association was appointed by the Moderator in the Annual Meeting, 1990, to study the needs and future of our associational building. It was out of Strategy Planning, adopted in 1989 by the association, that it was recommended a feasibility study be made of our building. As the Committee began its work, two major questions were presented:

1) **What are the needs and opportunities for ministry in our context?**

2) **How can the challenge of ministry in the association be undertaken most effectively?**

Out of these major questions and discussion, came a base assumption. The association is vitally involved in cooperative ministries to share the gospel of Christ with the whole world, beginning in our Jerusalem - Randolph County. Therefore, a well designed associational Training and Resource Center will be a major step in preparing the association for ministry through our churches in these challenges and responsibilities. The base question we felt must be answered was - **Are our present facilities and equipment adequate to meet the needs and opportunities for ministry in the future with the growth of our county?**

During the first year, the Committee looked at the purpose of the associational building, conducted a survey of the leadership in the association and had four visitations of the churches to the building. All of this indicated several needs and concerns - the availability to the building, the adequacy of the building to the needs and ministry of the association, and the visibility for people coming to the building.

During this present year, the Committee has evaluated its survey and studies. They visited an association that is building a new facility and interviewed many leaders and church members across the association.

It is out of this two years of study and survey that we present the following conclusion.

Through the surveys, sectional scheduled meetings of churches at the present associational site, feed-back from pastors and key leadership within the churches, remarks solicited from organizational and committee directors and chairpersons, guest speakers at the associational office, Dr. Billy Graham/Director of Missions, Sandhills Baptist Association and author of a doctoral dissertation addressing the issue of feasibility of an association, indicated that particular criterion be adopted in analyzing the feasibility of the Randolph Baptist Association office and property.

Three distinct measures were chosen to assist the Committee in conducting an adequate critique - adequacy, accessibility, and visibility.

The following is a list of conclusions reached after careful examination of the three measures used:

1. Adequacy -

The growth of the association in regard to ministries has increased appreciably in the last 15 years. This is the result of visions (Dreaming the Dream), and expanded ministry needs. However, as in the facility prior to moving to the present location, space has become a number one concern.

The lack of sufficient floor space for expansion has...

- a. limited the need for additional offices. This has been verified by the employment of a US-2 Home Missionary and a Summer Worker. Both of these persons working out of the same office has created crowded conditions and lack of privacy. Also additional equipment, such as the computer, has caused overcrowding in the Administrative Assistant's office.
- b. deterred growth as a Resource and Training Center. Insufficient storage for videos, equipment, and other materials reduces efficiency to meet demands of churches and greatly hampers the association as a training center.
- c. created problems of adequate seating in the conference room. The conference room itself is of such size to accommodate only a small number of persons.
- d. discouraged the concept of flexibility usage as utilized by newer associational facilities.

2. Accessibility -

It was the general opinion of those questioned that the association was not easily accessible, thereby decreasing...

- a. the number of churches using the office as a Resource and Training Center. It is a detriment in strengthening churches' ministries through leadership training, discipleship, and involvement.
- b. the effectiveness of Randolph Baptist Association through the process of fellowship and communication.
- c. the involvement in people needs.
- d. the projected image of the association as a caring organization.

3. Visibility -

This ties in with accessibility. It is not readily seen because of its location - although next to a major thoroughfare, there are no immediate exits nor can it be adequately viewed because of the tree foliage. This hampers...

- a. the imagery of the association as a part of the whole community.
- b. a tie into the concept of a Training and Resource Center.
- c. physical advertisement of the associational presence.
- d. the surety of safeness during daytime and nightly working hours for staff and also for persons attending organizational and committee meetings.

RECOMMENDATIONS...

1. Therefore, we as the Feasibility Committee, recommend that a new location be found within the next three (3) years that is accessible, adequate, and visible.
2. We further recommend, that a Building Committee of twelve (12) persons be appointed by the Moderator to proceed with the following according to the guidelines of the Feasibility Committee study:
 - a. Search for possible relocation sites.

- b. Examination of building designs.
 - c. Projected land and building cost.
 - d. Monetary methods of addressing the projected cost.
3. Finally, we recommend that the Committee would give a report of their study and development each year to the Annual Meeting or at Quarterly Meetings until a definite recommendation be presented to the association.

With these conclusions and recommendations, we make these final remarks.

What kind of impression does your associational building make? “First impressions are lasting impressions,” is a truism that needs no defense. First impressions can be the difference between an open door to the future or a closed door which can be opened only with great effort and difficulty.

The associational building, we believe, makes impressions on people. The kind of impression depends on a number of things - facilities, fellowship, service, and ministry being among them. We would do well to do a brief self-examination to help us evaluate what kind of impressions our associational building is making.

1. What do the facilities say about the association?

- Do the building and grounds indicate the association has hope for the future or the association thinks its best days are behind it?

2. What do the facilities say about the association's relationship to God?

- Is the association offering God its best through its facilities, or is the association satisfied to let God's business be unattractive or lacking in its witness through its facilities?

3. What do the building and grounds say about the association's hope for the churches and its communities?

- Does the association believe the churches and its communities need the message and ministry it offers from God, or does the association believe the churches and its communities are dying so there is no need to invest in the future?

What kind of impression does the way the associational building is used make on pastors, church leaders, and visitors? The goal is to build the fellowship of the association, to help develop churches to grow, and to provide resources to win persons to Christ and minister to the needs of persons.

The hope and future of our ministry to the churches and the community of Randolph County depend upon the effectiveness, the efficiency, and the faithful use of the associational building. Yes, first impressions are important. In the light of this report, does anything need to be done to improve the impressions our association is making? Only you, as Messengers of Randolph Baptist Association, can answer this question.

Mission Development Council

The following is a list of projects that your Mission Development Council has promoted during the past year:

1. **World Mission Conference** - April 5-12, 1992 - Our Association had 25 churches to participate in this event.
2. **Brazil Partnership** - Our Association agreed to extend our partnership with Brazil throughout 1992. A team of four from our association will be going to Brazil October 28-November 11, 1992.
3. **New York Project** - A door of opportunity has been opened to our Association to help in a mission partnership to New York. This partnership will be similar to the one we've had with Brazil. More details of this 5 year partnership will be shared in our Annual Session. A recommendation concerning this partnership will be forthcoming from the Mission Development Council.
4. **Summer Mission Worker** - Miss Kelly Stratton, a student from Campbell University, served for 10 weeks during the summer of 1992. Her duties involved surveying mission sites and training and conducting 8 Backyard Bible Clubs. Also, she helped assist Seagrove, First in several community projects.
5. **US-2 Missionary** - Hoover Lee began serving our Association in the area of Church and Community Ministries. Hoover's job will continue until August, 1993. Our churches are asked to continue their financial support of this ministry.
6. **Mission Action Project** - We continue to encourage our churches to support MAP (Mission Action Project), which is a mission fund used to undergird and support various mission projects throughout the year. Recently MAP has helped offset some of the expenses for the Brazil Mission Team. Some possible projects in the future may include the New York partnership and a Spanish speaking mission.
7. **Spanish Speaking Mission** - Plans are currently being developed to organize a Spanish speaking mission in Asheboro. A committee will be formed from the Association to assist in its development. Financial support among our churches is greatly needed. The projected date of organization is January, 1993.

Pastoral Ministries Report - 1992

Pastoral Ministries, being new in the organizational structure, is still searching for identity and clarity in its purpose. The Director has joined in discussions through special meetings in Raleigh and at the Key Leadership meetings at Ridgcrest. Although the

scope of the ministry, its purpose, and its relationship to the other program areas is becoming better defined there remains much work to be done.

In the past year, we have worked some in the more clearly defined program areas. In cooperation with the Pastor's Conference, we were able to have Dr. Michael Cogdill, head of the Religion Department at Campbell University, lead us in January Bible Study preparation. On August 31, 1992, a Conference for deacons and pastors was conducted at the Clear View Church with approximately sixty persons present in which the purpose, role, and place of the deacon in accomplishing the purpose of the church was explored. From this meeting, information was gleaned to assist in planning future conferences and training sessions.

Strategy Committee Report 1992-93

The Committee has met several times this year, reviewing the objectives and goals adopted in 1989. We are glad to report that three (3) of these objectives have been met, except for on-going actions which will continue until 1995. Those objectives were:

- 1) to expand the organizational structure,
- 2) to improve the fellowship,
- 3) to improve the involvement in people needs.

We commend the leaders and appropriate committees or groups for helping to carry out these goals and actions quickly.

The other two (2) objectives need our attention throughout the coming year. We would encourage our Organizational Directors or other groups to concentrate the effort through their programs and leadership to implement these goals and actions. They are:

- 1) to strengthen churches,
- 2) reaching persons for Christ.

As we seek to minister through our churches and Association in 1992-93, let us adopt these two major objectives as our priority for work and ministry.

To implement the strategy for 1992-93, the Strategy Committee suggests that we again adopt, as we have done this past year, the theme, "You Make A Difference." This would be a year-long effort to get people and churches involved through their organizations and groups that they do make a difference in their beliefs, their life-styles, their commitments, and their witness. God loves us and has a wonderful plan for our lives. It is out of our love relationship to God and our commitment to Him, that we begin to make tremendous differences in our lives. Yes, we all make a difference to God.

The following objectives and goals from strategy planning, adopted in 1989, should continue to receive our attention during 1992-93. We encourage every church in Randolph Association to share these objectives and goals in their work and ministry.

Objective 1 - Restructuring the Association

Goal 1 - to encourage churches to consider giving 4% to the associational budget this year and to consider giving 4-1/2% in 1993-94. (The goal is 5% by 1995.)

Objective 2 - Improve the Fellowship

Goal 1 - to encourage churches to request reports from Messengers concerning Quarterly and Annual Meetings

Goal 2 - to develop and involve persons in two (2) fellowship groups this year (church staff and secretaries)

Objective 3 - Strengthening Churches

Goal 1 - seek to increase our enrollment in Sunday School, Discipleship Training, WMU, and Brotherhood by 3% by September 30, 1993

Goal 2 - seek to enlist three (3) churches to conduct a Church Growth Project by September 30, 1993

Goal 3 - seek to encourage five (5) churches, who have not, to conduct a doctrinal study by September 30, 1993

Goal 4 - seek to provide leadership training for receiving leadership diplomas for ten (10) churches by September 30, 1993

Objective 4 - Involvement in People's Needs

Goal 1 - seek to enlist twenty (20) churches to give continuous support to the Church and Community Ministries for the US-2 program (14 churches gave last year)

Goal 2 - to assist five (5) churches to organize a Mission Development Council in their church by September 30, 1993

Goal 3 - to assist ten (10) churches to identify two (2) specific needs that will become a mission activity for their church by September 30, 1993 (resource: *Mission Action Resource Guide* by Hoover Lee, CCM)

Goal 4 - to involve ten (10) churches to participate in associational projects through volunteers in missions by September 30, 1993

Goal 5 - to develop and conduct two (2) awareness programs for drug abuse for teenagers and adults by September 30, 1993

Objective 5 - Reaching People

Goal 1 - seek to enlist six (6) churches to conduct one-day Soul-Winning Workshops by September 30, 1993

Goal 2 - seek to enlist fifteen (15) churches to conduct Backyard Bible Clubs in mobile home parks and apartment complexes by September 30, 1993

Goal 3 - seek to enlist one (1) church to sponsor a new work in the county by September 30, 1993

Goal 4 - seek to enlist five (5) churches to assist in establishing a Spanish Mission in the county by September 30, 1993

Goal 5 - to develop an Associational Youth Council to assist churches with youth ministries and for planning two (2) associational events for youth by September 30, 1993

Growth can happen when a church is faithful to God and the mandate of His great commission. There are two (2) essential ingredients for growth: a positive attitude and a strong commitment. These twin ingredients are absolutes for an association and its churches to experience growth. With the resources that are available we can make a difference - YOU CAN MAKE A DIFFERENCE.

Sunday School - Assist Team Report

Your **Associational Sunday School Improvement Support Team**, known as "Assist Team," can play a vital role in encouraging and training workers in the churches to reach and teach persons for Christ through the Sunday School.

Your ASSISTeam is comprised of individuals who are teaching in our Sunday Schools. They are persons who have sought additional training. Their ministry gifts have been refined. They have answered the call to train and teach, and they have found joy in the Lord's service.

Your ASSISTeam is not a demolition crew that upsets the apple cart and tears apart Sunday Schools in the Association. They are not the "Intimidators" coming in to show off their talent, resources, and skill. They do not come from churches or Sunday Schools that are perfect. They do come to assist, to give you practical advise, to lend an ear to your needs and concerns, to offer constructive and creative ways that will enhance your preparation and the teaching period.

It is my conviction that too many good people in our churches are enlisted by Nominating Committees the wrong way! They are pressed into leadership slots to fill the spaces before the first Sunday in October. They are miserable except for those Sundays when they are home sick, on vacation, or at family reunions. Your ASSISTeam director is committing this year to assist Nominating Committees in proper enlistment procedures and gift discovery techniques of the laity.

Remember that Christ's church is His body. Time spent with His people is time invested in Him. Are you as Sunday School leaders happy in your work? Are we providing quality time in the classroom? Is the time our members are present a good investment of their time? We are responsible! We will be held accountable...in the procedures of leadership enlistment, in training, and providing resources. Permit your ASSISTeam to work for you, better still, permit it to work with you, along side you that you may have a **BREAKTHROUGH YEAR!**

Director of Missions Report - 1992

This year could be characterized as one of our best, or maybe the very best year for Randolph Baptist Association. God has been so very good to us and has accomplished so much through those that constitute the membership of Randolph Association. Let me encourage you to take time to read the reports included in this *Book of Reports* and those which will be printed later in the *Annual Minutes*, such as the Digest of Letters, the Financial Report, Church and Community Report, the Mission Development Report, and Evangelism Council Report, etc. It is to God we give praise and honor for all that has been accomplished during this year.

It is my joy to share with you my fifteenth report. Let me use a broad brush approach to capture the past, rejoice in the present, and accept the challenge of the future.

Past...

God's Word tells us that "where there is no vision, the people perish." Church and associational leadership must catch a vision of what must be accomplished in our midst. God's army must ever be on the advance. A vision of God's purpose gives us the direction of advance.

Vision leads us into the dreaming of dreams. The possibilities of ministry are all around us. We only need to open our eyes to the hurt and pain of individuals. Jesus saw the

hurting multitudes and had compassion on them. This must be our response also. In many ways, we have experienced this during the past two years.

In 1988, a group of 46 individuals performed a self-study of our Association. Their report, which the Association adopted in 1989, identified five objectives for the Association. They were: 1) restructuring the Association; 2) improving the fellowship; 3) strengthening the churches; 4) involvement in people's needs; and 5) reaching people. This was our dream for our Association. It was spelled out in Strategy Planning, Five Year Plan, 1990-1995. During these last three years, many in our Association have supported us in these dreams through goals and actions. Many of these goals and actions presented have been completed. The Strategy Committee is reminding us each year where we are in this strategy planning process. God has blessed our efforts in so many ways.

Present...

God has led us in new areas this year. Several highlights of this year are as follows:

1) Church and Community Ministries

We dared to take the risk and enter into partnership with the Home Mission Board and Baptist State Convention in expanding our ministry to the community and county. We entered into a US-2 Missionary program. Hoover Lee, of Columbus, Ohio, came September 1, 1991 to help us establish ministries through our Association to meet the human needs of our area. Also, he is helping the churches develop ministries to the communities around them.

This new ministry has brought a new day to us as Baptists in Randolph County. Many of our churches have given over and beyond their regular contributions to support this program. My prayer is that more churches will support this new ministry during the coming year.

2) Summer Extension Worker

Through the Church Extension Department, Baptist State Convention, we were able to have a summer student worker. Miss Kelly Stratton spent 10 weeks working in the following - surveying mobile home parks and apartments, training and conducting Backyard Bible Clubs, and seeking to develop a ministry in the apartment complexes and to students at Randolph Community College. She assisted in 8 Backyard Bible Clubs and with Seagrove, First Baptist in its ministry to the community. Many results came from this summer's activities.

3) World Mission Conference

In April, 1992, 25 churches participated in one of the best World Mission Conferences in Randolph Association. Many were involved in the preparation and hundreds heard 15 different missionaries from around the world. This Conference created a deeper awareness in the lives and hearts of our church members, which causes many people to pray earnestly for our missionaries and to generously give to missions. This was one of the big highlights of the year for our Association.

4) Feasibility Committee

Twelve lay-persons, plus the Moderator, have spent 2 years in surveying, interviewing, and studying the present and future needs of the associational building. They are presenting their report this year out of deep concern and prayer for the future ministry of the Association and its witness through our associational building. I am deeply grateful for their time, energy, and com-

mitment to this study. Their report and your response could be the crossroad of a new future for Randolph Association.

Future...

Knowing and doing God's will is of supreme importance for the future ministry. I am learning daily to look and see what God is up to in His world, and see how I can fit into His plan. As an Association, we need to know what God has on His agenda for our churches, our community, and our nation and world at this time in our history; and then join Him through our ministries to meet those needs.

What are some of the areas we need to look and think about?

- 1) Evangelism - Would God honor a goal of 400 baptisms in the new year? Would each church accept a challenge to increase their baptisms 50% or 5% of their resident membership? Isn't God at work saving persons to salvation in Christ?
- 2) New Work- How many doors will God open for new work in the year ahead? Will we, the called out people of God, be willing to march through those open doors?
 - a. Spanish people in Randolph County need a fellowship group. They have requested a Spanish church to be started.
 - b. Mobile home parks, big enough to have a mobile chapel, are presenting doors of opportunity for us.
 - c. Areas, where population has increased and no Southern Baptist Church is located, need a mission started and a church constituted.It will take faith on our part to take the risk to meet the needs of people in places where God is at work. Let us not forget that 66% of our county is still unchurched. They are lost without Jesus Christ as Lord.
- 3) Mission Ministries- Should we begin work with the blind or the deaf in this new year? They need to hear the gospel also. Is another food and clothes closet needed in our county? Through our Church and Community ministries, we are discovering poverty, hurt, pain, and abuse. Many are crying out for help and love. Is there need for continuous ministry through the retirement and nursing homes across this county? Are churches ministering to the elderly with hope and love? Twenty-five per cent or more of our population are senior adults. Are there persons who will volunteer to extend their ministry and skill to New York state? Many opportunities will be opening up for us in N.Y. in the days ahead. God is at work in this pioneer state in missions. Will we respond to the opportunities?
- 4) Communication- I am thrilled at the new format for our *Newsletter* which will improve our communication with persons in our churches. Bulletin inserts are being printed quarterly to remind our membership about the events and work of the Association. Efforts of the Communication Committee will be made to improve on the information available in the Associational Office for individuals and churches. The office staff is working on providing information in advance for the Quarterly and Annual Meetings. Ways are also being looked at about our image and presence in the community. Newspaper advertisements and articles will be produced and made available to the public.
- 5) Fellowship- The challenge is presented to groups across the Association to improve the fellowship among them - pastors, pastor's wives, staff persons, secretaries, and other groups. Many new group fellowships will be formed this com-

ing year. This should lead to improved relations between churches. With greater fellowship, our overall effort for God will be enhanced.

Most of us are bored by statistics. The following will tell you how I spent some of my time during 1991-92:

miles driven	10,623
churches visited	29
number of times preached	36
speaking engagements	18
conferences conducted/attended	16
committee meetings	46
search committees worked with	5
deacon retreats	6
mission studies, Bible studies	8
conferences, conventions (outside Assoc)	12
visits by pastors and members	58

The new budget for 1992-93 is a big challenge for our churches - \$95,174.00. It is a 6.44% increase over last year's budget. It is a necessary increase for expanded ministries. This budget will require increased giving by our 43 churches. We are suggesting that our churches give 4% of the undesignated offerings to our associational budget. God has opened our doors to opportunities, and churches need to take the dare, the risk for ministry in their gifts to the Association. Our God is able and gifts from churches this past year indicate this.

This is your Association. It is my Association! We all need to get involved and allow God to use us and our talents, (time and skills) for His glory. The challenge before Randolph Baptist Association is tremendous. What is God up to in our county? Let's pray that God will grant us wisdom, strength, and spiritual insight for the days and months ahead.

Everyday, I am grateful unto God for the privilege and honor given to me to serve our Association as Director of Missions. These past 15 years have been great and rewarding. I look forward, with joy and anticipation, to what God has in store for us during the coming year.

Respectfully submitted,
Rev. A. Judson Rotan/Director of Missions

1992 Annuity Board Report to Associations

A growing number of churches and ministers are catching a vision for insurance protection and preparation for retirement. Unfortunately, far too many pastors, other ministers and church and associational personnel do not have adequate financial protection. The Annuity Board's primary focus for 1992 and 1993 is on enrolling as many people and churches as possible in the Church Life and Health Program and the Church Annuity Plan.

New medical plans will be offered on January 1, 1993, as options to help address the affordability issue.

The Church Annuity Plan is far more than a retirement plan. It is a means to provide family protection today as well as financial security tomorrow.

As of May 1992, 34,571 persons were participating in the Church Annuity Plan. This is the highest number of members in the history of the Plan. The number of churches involved was 19,930.

Eligible participants in the Church Annuity Plan benefit in five significant ways.

1. The Plan includes a Protection Section that covers disability and death. In 1991, 252 families received disability checks from the Plan, and 60 families received well over \$1,000,000 in survivor benefits. Additionally, they received the full value of the decedents' retirement accounts. All of these protection benefits are free to the members. They are funded by state convention Cooperative Program dollars.
2. The Plan includes a choice of plan funds offering valuable, advantageous investment opportunities for retirement. In 1991, the Variable Fund credited 28.3% earnings and the Balanced Fund credited 22.4%.
3. The Plan offers significant opportunities for avoiding unnecessary income tax. Ordained ministers do not pay self-employment tax for Social Security on contributions to the Church Annuity Plan. These advantages exceed those offered by IRAs.
4. The Plan includes matching state convention Cooperative Program dollars for eligible members' retirement income accounts. This can amount to \$210 per year resulting in higher benefits at retirement.
5. A fifth value is the Annuity Board's strength and stability. On July 1, 1992, a five percent increase was applied to Plan A and defined contribution funded annuities. This brings Plan A increase to 222% of what was called for by the original plan formula benefit.

Based on the needs of our people and in light of these special advantages, your association is encouraged to lead every church to participate in the Church Annuity Plan.

The Annuity Board is celebrating 75 years of keeping the confidence of the people we serve. Our ministry continues to be "Serving Those Who Serve the Lord."

Baptist Children's Homes 1992 Associational Report

Like a marathon runner, Baptist Children's Homes of North Carolina (BCH) "hit the wall" in 1991-92, but persevered to finish standing up!

In an exhausting year for staff and a myriad of volunteers, BCH successfully concluded its first statewide fund-raising campaign, received its first Thanksgiving Offering since 1979, dedicated expansion of Cameron Boys Camp, broke ground for the new Freshman-Pratt Education Center in Thomasville, inaugurated an innovative Bible study program at Mills Home, installed two new pastors at campus churches and solidified programs that have placed it among child care leaders for decades.

These efforts enabled BCH to serve more than 1,300 children and families at 13 facilities statewide, including Chris, named All-Conference nose guard for 2A state champion Thomasville Bulldogs; Sandi, who has enrolled at Gardner-Webb College; Deborah, named outstanding Freshman at Thomasville High after enduring a court battle that sent her father to prison for abuse; Jennifer, who married on the Broyhill campus where she'd lived for seven years; Kathy, who will continue to live at Broyhill while she attends college; and a host of others who are making life-changing commitments because they've received a second chance at Baptist Children's Homes.

In April, BCH successfully concluded its **"Give a child a chance!"** financial campaign by gaining three-year commitments for \$11.2 million, topping the \$7.5 million goal, and the challenge goal of \$11 million. Significant priorities accomplished in the campaign are: expansion and relocation of Cameron Boys Camp to a more secluded site on its 903-acres of wilderness; ground-breaking for the Freshman-Pratt Education Center, a model day care facility for infants, toddlers and two-year-olds; a unique Staff Training Institute for child care workers and social workers; and more than \$2.7 million committed for permanent endowment.

And, the first Thanksgiving Offering for BCH since 1979 raised \$510,000, a sum more than \$100,000 greater than that realized through the combined offering with Baptist Hospital and Baptist Retirement Homes. BCH sent \$1,000 from the Thanksgiving Offering to the Baptist Children's Homes of Sao Paulo, Brazil as fulfillment of a promise to donate 10 percent of everything received over the goal to our partners in the south.

In addition, BCH maintained the partnership with our Brazilian counterparts by sending three training teams to Brazil, and hosting a group of Brazilian pastors in Thomasville.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, is unable to care for her children. Her frustration with life, often due to alcohol or drug abuse, or having been abused herself, leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives. Behavioral problems make it impossible for the child to continue to live at home.

Baptist Children's Homes provides a safe environment where children learn to name their problems and set goals to overcome them, which leads to behavior change and often. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH enjoyed a year of tremendous successes, in human terms and in institutional terms, which will allow it to continue to affect change in lives. Success in the "Give a child a chance!" Campaign will help provide a margin of excellence in the future when the pledges are paid. Already, the enthusiasm engendered by the effort have lifted the spirits of staff across the state.

Still, the Cooperative Program continues to anchor our budget planning. We urge renewed commitment to cooperative giving among our churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes received \$1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

An increasingly important aspect of our support comes from estate gifts and bequests. More and more people who want their resources to provide new life for children include BCH in their wills.

When Sandi, and Kathy, and Chris, and Barbara comes to us, full of potential and hope, we want to be able to continue to tell them North Carolina Baptists care enough to give them a chance!

North Carolina Baptist Hospital Report to the Associations 1992

Baptist Hospital utilizes the skills and training of more than 5,700 employees to provide outstanding health care in settings as varied as the Brenner Children's Hospital, the Trauma Center, and the J. Paul Sticht Center on Aging and Rehabilitation. Last year, the Joint Committee on the Accreditation of Health Care Organizations said that Baptist Hospital ranks in the top 10 percent of all hospitals in the nation.

During the past year, the hospital admitted 24,000 patients. It performed 16,662 surgical procedures, including 1,020 open heart operations, 29 kidney transplants and 80 bone marrow transplants. The AirCare helicopter flew 742 missions.

Total revenue of the hospital during the year was \$407,280,000. Cooperative Program gifts from the churches were \$656,180, which was applied to the budget of the Department of Pastoral Care. The Mother's Day Offering and other special gifts from the churches totaled \$424,406 and was used for benevolent care for patients who had no other means of paying their hospital bills.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided clinical pastoral education to 55 students during the past year. The Pastoral Care staff provided more than 53,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 24,000 counseling sessions. The professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

The various services of the hospital are readily accessible to all North Carolina Baptists and others. A telephone call to the Health-On-Call Office (919-716-2255) can secure an outpatient appointment with any one of the various specialists on the staff or can begin the process of gaining admission to the hospital if that need is indicated.

Charges for the hospital services compare very favorably with those in other hospitals of the state. Reports from the North Carolina Medical Database Commission indicate that Baptist Hospital's charges are lower than the average in other hospitals which provide similar services and are considerably lower than in the other teaching hospitals. Our hospital did not have an increase in its rates for the current fiscal year of July 1, 1992 - June 30, 1993.

The hospital's physical plant continues to expand. A new 840-space parking deck was opened in January. A new Emergency Department/Dietary building which will also make possible more private patient rooms is under construction now. Construction will begin soon on the 170-bed skilled and intermediate care nursing facility and on the J. Paul Sticht Center on Aging and Rehabilitation. This expansion will make it possible not only to serve more people, but to serve them better.

The staff and the patients of Baptist Hospital are grateful to North Carolina Baptists for the heritage they have given the institution and for the moral and financial support they continue to give to its ministry.

Respectfully submitted,
Rev. Dale Robertson, Pastor/Forest Park
Baptist Hospital Representative

1992: MAKING LIFE FOR OLDER ADULTS THE BEST OF TIMES

One of the greatest needs facing North Carolina Baptists as they move into 1993 is the ability to provide affordable quality long-term care services to the "Aged Saints" of our Convention.

The fastest growing segment of North Carolina Baptist life are those individuals in the age category of 85 and older. That age group is growing at five times the rate of any other population segment in Baptist life. The 85 and older age group is also that age group most likely to need the services provided by a long-term care institution like Baptist Retirement Homes. Unfortunately in 1992 in our State, there were not enough nursing care beds to meet the needs of the growing number of Older Adults who were functionally impaired and needed the services of a long-term care provider. Complicating the shortage problem was the fact that the cost of those beds was high (more than the average North Carolina Baptist Older Adult could pay). And to make matters even worse, in spite of the high cost of those beds, often the quality of care provided through those beds was fair at best. In other words, the greatest problem facing North Carolina Baptist Older Adults in 1992 was the fact that there were simply not enough affordable quality nursing care beds available for use by people like you and me and our Older Adult family members.

Having become aware some years ago of the above mentioned problem, Baptist Retirement Homes (for the last five year period) has been working to develop a system of affordable quality nursing care beds throughout the State for use by North Carolina Baptist Older Adults. New nursing care beds became available in the Piedmont area of our State in 1989 (through the opening of the Brookridge Retirement Community). In 1992, affordable quality nursing care will become available to Western North Carolina Baptist Older Adults through the new Rickman Nursing Care Center being built on Richmond Hill in Northwest Asheville. It is our institution's hope that by 1994 affordable quality nursing care will also be available to Eastern North Carolina Baptist Older Adults as well. Your support has made the above possible.

In 1992, North Carolina Baptists through their gifts to the Cooperative Program and North Carolina Offering for Older Adults made it possible for Baptist Retirement Homes to provide financial assistance to more than 60% of all the Older Adults living in its health care related facilities. In addition, Western North Carolina Baptists contributed more than \$2.5 million toward the construction of the new Rickman Nursing Care Center in Asheville . . . a new facility that will enable Baptist Retirement Homes to make life for many Western North Carolina Baptists truly . . . the Best of Times.

Thank you North Carolina Baptists for your support. Please continue to pray for our ministry and its ability to meet the ever growing needs of the Older Adults of our Convention.

The Biblical Recorder

Associational Report - 1992

Last year we reported to you: "The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy." In these past 12 months, the changes are beyond description — on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder*, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Christian Action League of North Carolina, Inc. Annual Report 1991-1992

For the 10th consecutive year, the gambling industry has not been able to secure passage of any gambling legislation such as a lottery or pari-mutuel betting (horse and dog racing).

The industry made its biggest push ever during the 1991-1992 legislative session. They secured 14 of the most effective and best known lobbyists that money can buy to push for their cause, but to no avail. When the legislative adjourned on July 24th, the gambling industry threw in the towel realizing that they did not have the votes in the N.C. House to pass their state-sponsored gambling bill, the lottery.

What made the difference? People like you did. You secured the commitments from your legislators that the role of government is not to exploit their weakest citizens, but to appeal to their strengths. Gambling violates the age-old principle.

There is one thing for sure. The pro-gambling forces will be back. However, the issue will be decided on November 3 at the General Election. If you elect legislators who are opposed to state-sponsored gambling, it will not make any difference how many lobbyists the gambling industry employs. The decision is in your hands. How do the candidates from your area stand on this issue?

There are other very important moral issues that you need to discuss with your legislative candidates. Some of them are:

1. **SEX EDUCATION.** . . Are our young people being deceived into believing that "safe sex" outside of marriage is possible and okay? The current rise in venereal diseases and teenage pregnancies, and the related emotional problems tells us we must focus attention on this issue.
2. **ABORTION.** . . The Supreme Court ruling regarding the abortion law of the state of Pennsylvania opens the door for further restrictions and conditions under which abortions can be performed — leaving this up to the states. This year we have worked on trying to get legislation passed requiring parental consent for abortion on minors, and reducing abortion funding. Both of these measures passed in the House but died in the Senate.
3. **ALCOHOL/DRUG ISSUES.** . . It is so important that we continue to address problems related to alcohol use and abuse. Reducing the blood alcohol standard for DWI from .10 to .08 was one of our targets this year, but it also failed to pass in the Senate after passing in the House.

We cannot overemphasize the importance of getting to know who your candidates are and how they stand on these key issues. Plato put it so well: "The price that good people pay for not being involved in politics is to be governed by people worse than themselves."

Thank you for standing with us in the cause of applied Christianity.

Information for the 1992 Annual Associational Report

The Christian Life Commission of the Southern Baptist Convention
901 Commerce, Suite 550, Nashville, Tennessee 37203
Richard D. Land, Executive Director-Treasurer

The Commission seeks to develop Christian morality among Southern Baptists by emphasizing the application of the principles of the Christian faith both in personal and public life. An ongoing effort is made to provide Christian ethics services to other Southern Baptist agencies, state Baptist conventions, associations, churches, and individuals to enable Southern Baptists to deal more effectively with the serious moral challenges of our time. The Commission encourages the formation and activation of Christian Life Committee at all levels of Southern Baptist life beginning with the local church. By coordinating and correlating Southern Baptist social concerns, the Commission helps to make the greatest possible impact for Christ in support of the Convention's total objectives.

The presence of full-time Washington-based staff has enhanced greatly the Commission's ability to fulfill the portion of its program statement which call on the it to "bring to bear Baptist statements, convictions and insights in the field of Christian ethics and religious liberty upon important policy making groups" and to "present Southern Baptist insight for consideration in the planning of federal government programs on children and youth, aging, housing, employment, public health, and other matters pertaining to social welfare."

During the past year, the Washington and Nashville staffs have worked diligently to share both with Congress and the White House numerous convictions and concerns of Southern Baptists. Commission staff members have been active in corresponding and meeting with members of both the legislative and executive branches of the federal government concerning areas of Southern Baptist concern. Also, with the approval of the Convention's Executive Committee, the Commission launched a new publication, *Salt*, in a newsletter format (six issues a year), which seeks to keep Southern Baptists informed on public policy and issues active in the administrative, judicial and legislative branches of the federal government. The goal of *Salt* is to inform and motivate Southern Baptists to influence their president, senators, and representatives in a responsible, scriptural manner.

The Commission has also been particularly active during the past year in leading a strong coalition of numerous groups supporting legislation restricting alcohol advertising and requiring mandatory health warnings on alcohol advertisements. Abortion, drug abuse and pornography are among the other issues on which the Commission staff has been involved through the Washington office in the past year. The Commission remains particularly concerned about the serious threats to religious liberty posed by recent Supreme Court decisions and works closely with a coalition of groups trying to remedy these threats both through legislation and judicial action. The Commission also continued to pursue the fulfillment of its program statement this past year through the filing of *amicus curiae*, "friend of the court," briefs in cases involving abortion, pornography and religious liberty.

In the religious liberty arena, the Commission also filed its first independent *amicus curia* (friend of the court) brief in the U.S. Supreme Court in the *Lee v. Weisman* school graduation prayer case. In this brief, the Commission asked the Court to overturn a lower court order prohibiting invocations and benedictions containing the word "God" at public school commencement exercises. The Commission has also asked the Court

to revise the "Lemon" test and suggested a new test to replace Lemon, a test which is premised on the principles of government accommodation of religious practices which exist independently of government action and are not induced or coerced by government. The Commission believes students must have the right to free exercise of *their* religious liberty while in school, to associate voluntarily with one another during lunch, recess and free periods to pray, study the Bible and to discuss religious issues with each other without government control or censorship.

The Commission's 1992 annual national seminar in Washington, D.C. was entitled "Citizen Christians: Their Rights and Responsibilities." The program combined interpretive biblical themes with addresses on subjects such as "How Christians Can Make a Difference Inside Government" and "What You as a Christian Can and Cannot Do." The seminar also included a White House briefing and a congressional breakfast where seminar participants had an opportunity to interact with various senators and congressmen about issues of concern to them.

The Commission continued its long-standing leadership in the field of race relations by sponsoring a consultation which brought Southern Baptists of many racial and ethnic backgrounds together. The consultation was very helpful in addressing the goal the Commission seeks and the obstacles the Commission faces in encouraging our denomination and our society to be more Christ-like on this issue in the years ahead. The Commission also provided leadership in the National Coalition Against Pornography and during Bible Preaching-Church Administration Weeks and National Student Weeks at Ridgecrest and Glorieta. Commission staff also served as resource persons in events held in numerous state conventions as well as for other Southern Baptist agencies and entities.

The Commission continued its responsibility assigned by the Southern Baptist Convention for education and action related to the issue of hunger. Commission staff produced the 1991-1992 World Hunger Awareness/Action Guide entitled *Hunger*. This guide was mailed to every church in the Convention to encourage and to support the observance of World Hunger Day. The Commission-produced film, *What Shall We Do in a Hungry World?*, which had previously been mailed in videotape form to Southern Baptist associations, continued to be used significantly in heightening Southern Baptists' awareness on this vital issue.

Constitution and By-Laws Randolph Baptist Association Revised: October, 1990

ARTICLE I - NAME

Section 1. The name of this body shall be known as the Randolph Baptist Association. It may hereafter be referred to as the Association.

ARTICLE II - PURPOSE

Section 1. This Association is a self-determining Baptist body, created and sustained by the churches affiliated with her and responsible to them through their Messengers.

Section 2. The purpose of the Randolph Baptist Association is to enable member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the programs and ministries of this Association, the Baptist State Convention of North Carolina, and the Southern Baptist Convention, thereby fulfilling the Commission of Jesus Christ as stated in Matthew 28:19-20.

ARTICLE III - MEMBERSHIP

- Section 1. The Association shall be composed of cooperating Baptist churches within the area of the Association. A cooperating church shall be defined as one which sends an Annual Report to the Association, elects Messengers to attend the Associational Meetings, and contributes to the financial program of the Association.
- Section 2. The Association shall be sole judge of its membership and may receive churches, according to the Constitution and By-laws. Member churches may withdraw from the Association as they desire.
- Section 3. Any church in the Association which fails to cooperate with the Association over a period of two years shall be contacted by the Credentials Committee of the Association to determine the intentions of the church regarding its desire to remain in the Association. In the event the church does not respond to the efforts of the Credentials Committee, the church will be considered as having chosen to withdraw from the Association.
- Section 4. Any church that has departed from Baptist faith and practices and has failed to abide by the provision of the Constitution and By-laws of the Association, will be contacted by the Credentials Committee. Such church upon recommendation of the Credentials Committee and a vote of the Association shall be placed on probation until the conditions prompting such actions have been corrected. Messengers from any church on probation shall not be allowed to vote in the Meetings of the Association.
- Section 5. Churches desiring to affiliate with the Association shall make a written request to the Credentials Committee of the Association at least three months prior to the Fall Meeting (October), for examination and recommendation to the Association. A church (or mission) is first received into the watch care of the Association. Upon completion of one year in watch care relationship, a church may be received into full membership of the Association by a recommendation of the Credentials Committee. There must be a vote of two-thirds majority of the messengers present at the Associational Meeting for petitioning church (or mission) to become a regularly affiliated member church of the Association.

Section 6. It is understood that each church in this Association is independent and sovereign in it's own affairs, and the Association has no authority over the churches, except in an advisory nature, and this by invitation only.

ARTICLE IV - MEETINGS

Section 1. The Associational meetings shall be composed of Messengers elected by the affiliated churches according to the plan. Each church shall be entitled to three (3) Messengers, including the pastor, and one additional Messenger for each fifty (50) members or fraction thereof, above one hundred in its resident membership, but not to exceed ten (10) such Messengers. The Director of Missions and General Officers shall be Messengers in all Associational Meetings.

Section 2. The Associational Meetings will be held as follows:

- (1) The Fall Meeting shall meet on two days, the week following the third Sunday in October.
- (2) The Winter Meeting shall meet in January. All Mission Performance Directors shall be presented by the Nominating Committee for vote by the Messengers at this meeting. In order for the Messengers to have adequate time to consider the nominees for Program Directors, the Nominating Committee will mail a copy to the Messengers two weeks before the January Meeting. They shall be Director-Elect until October 1 when their tenure of service begins.
- (3) The Spring Meeting shall meet in April. All General Officers, Committee members, and Program Council members shall be presented by the Nominating Committee for a vote by the Messengers at this April Meeting. This will give each person selected the privilege to plan and train for the upcoming year. In order to give Messengers adequate time to consider the nominees, a copy will be mailed to them two weeks before the Spring Meeting.
- (4) The Summer Meeting shall meet in late July or early August. The Associational Budget for the new year, beginning on October 1 and ending on September 30 of the following year, shall be presented by the Finance Committee for approval by the Messengers of the Association. In order to give the Messengers adequate time to study the budget, the Finance Committee shall mail copies to the

Messengers two weeks before this Summer Meeting.

Section 3. Other meetings of the Association shall be held when called by the Moderator and/or the Director of Missions. Before calling a special meeting, a notice of at least two weeks shall be given to the Messengers, with a clear explanation as to the purpose of the meeting. No other business can be considered. A quorum of fifty (50) Messengers must be present to conduct a special meeting.

ARTICLE V - OFFICERS AND THEIR DUTIES

Section 2. These officers shall be elected in the Spring Meeting in April by the Messengers of the Association. The Nominating Committee will present nominees to the Messengers with the privilege of other nominees from the body. Prior approval and consent to serve shall have been received from a prospective nominee before placing his name in nomination before the body.

Section 3. The officers of this Association shall serve from October 1 through September 30 of the following year. Any officer may be re-elected with the exception of the Moderator, who shall serve no more than two years in succession.

Section 4. Duties of the Officers:

- (2) The Vice-Moderator shall perform the duties of the Moderator in the absence of, or at the request of the Moderator.
- (3) The Clerk-Treasurer shall fulfill the following duties:
 - a. The Clerk shall record and preserve the proceedings of all the Associational Meetings. The Clerk shall distribute the Uniform Church Letter forms to the clerks of the churches affiliated with the Association. The Clerk shall compile the reports and statistics of the churches and issue a book of minutes as soon as is practical after the Fall Meeting.

- b. The Treasurer shall preserve all money paid into the treasury, pay the same to the order of the Association, and make a full and complete report of all receipts and disbursements at each Quarterly Meeting, plus a year end report at the Fall Meeting.
- (4) The trustees shall have the authority to transfer or hold title to any properties for the Association. All transactions of the elected trustees shall be authorized by the Association in it's meetings.
- (5) In the event the Office of the Moderator of the Association shall become vacant, the Vice-Moderator shall immediately become the Moderator for the unexpired term of office without any further action by the Association.
- (6) The vacancies occurring in the office of Vice-Moderator and other General Officers, except Moderator, will be nominated by the Nominating Committee at the next Association Meeting.

ARTICLE VI - MISSION PERFORMANCE ORGANIZATION

The Directors of these organizations shall be: Sunday School Director, Discipleship Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, Missions Development Director, Stewardship Director, Family Ministries Director, Christian Life Director, Pastoral Ministries Director and Seminary Extension Director.
- Section 3. These Organizational Directors shall be elected at the Winter Meeting, (January), or no later than the Spring Meeting (April), for a term of three years. The Directors shall be contacted and nominated by the Nominating Committee.
- Section 4. The Directors shall assume their duties on Oct.1, and serve through September 30, or until their successors are elected. They will be Directors-Elect in the Winter Meeting and will have the privilege of training, planning and enlistment of their Council members until October 1.

ARTICLE VII-ADMINISTRATIVE COMMITTEE

- Section 1. The Administrative Committee is composed of the Moderator, Vice-Moderator, Clerk/Treasurer, Chairman of Finance, Chairman of Properties, Chairman of Communications, and the Director of Missions.
- Section 2. If there are major decisions to be made between the Quarterly Associational Meetings, the Administrative Committee will act in behalf of the Association, and will report the actions to the next Quarterly Meeting.
- Section 3. The Administrative Committee will meet as needs arise between the Quarterly Meetings.

ARTICLE VIII - ASSOCIATION COUNCIL

- Section 1. The Associational Council shall be composed of the General Directors of all Mission Performance Programs, the Associational Officers, the Associational Staff, and the Chairman of Finance, Strategy and Communication, and others deemed necessary to attend the Council in planning the work of the Association.
- Section 2. The Director of Missions will serve as the Chairman of the Council. Other officers will be elected in their meetings, such as Vice-Chairman and Secretary.
- Section 3. The Associational Council will conduct at least six meetings per year, at least once every other month. The time and place for the meetings will be set.
- Section 4. The purpose of the Council is to coordinate the overall program and calendar of the Association, and evaluate the progress toward fulfilling the plan. Also, the Council gives guidance to the work of the Director of Missions.

SUMMER QUARTERLY MEETING
AUGUST 16, 1993
CENTER CROSS BAPTIST CHURCH

THEME: " YOU MAKE A DIFFERENCE THROUGH STEWARDSHIP "

Call to Order by Moderator, Dr. Richard Crider/Pastor, Oakhurst

Welcome by Rev. Richard Fisher/Pastor, Center Cross

Hymn, " The Solid Rock ", Led by David Thomas/FBC Asheboro

Devotion " A Steward " by Rev. Kenneth Reaves/Pastor FBC Randleman

A passage from Acts tells us that the Bible teaches stewardship to be gifts of our time, offerings, and talents. Jesus tells us first to be born again, and then to be prepared to be of service to Him on a daily basis. There is no way that we can outgive God!

Business:

Financial Report given by Mrs. Retta Plunkett, Associational Secretary/Treasurer

WMU Report given by Mrs. Retta Plunkett, Oakhurst

Seven women from our Associational WMU Council are going to Ridgecrest next week for WMU Week. Special attention was called to our Intercessory Prayer Time to be held Friday, September 17, from 12-1PM at the Associational Office.

Brotherhood Report given by Bobby Poole, Calvary

Associational Brotherhood Workshop is to be held October 11, at 7PM, not at 11, as stated in the written report. Bobby has copies of a

Baptist Men's Program that is complete, and anyone wanting copies is to see him. A manual is being printed that will provide resources for complete programs, etc. There is a training session at Cary on October 8 for Disaster Relief workers. There are groups going to the Mississippi River area August 23-27 and August 29-September 3. Region 5 is already doing cleanup in Missouri.

Missions Development Council report was given by Mr. Mike Eller in the absence of Mr. Bobby Blanton. A Mission is in the process of being started in the Forest Brook Manufactured Housing Community north of Asheboro. There has been a problem so far getting the modular chapel moved, so if anyone has any suggestions or experience in doing this, please let Mike know. Rod Beale and several others are looking into opportunities in working at the Coleridge Apartments. Several of our churches sent teams to New York this summer as a part of our NY/NC Partnership.

Evangelism Report was given by Mr. Mark Sink/Pastor, Macedonia. Lay Evangelism teams are available to train people in witnessing. If you are interested in this, please contact Mark or the Associational Office. The Fifth Sunday Evangelism Conference scheduled for the end of August has been cancelled. A Youth Rally is being looked at for later this year. The possibility of doing a Lay Witnessing Retreat on Long Island is being looked into at this time.

Steve Davenport gave a report on the Spanish Mission. This was started in January and has met every Saturday night since then. 105 people have been reached with an average attendance of 35. It is hoped that by the end of the year a Mexican or Spanish pastor can be found. Giving to MAP helps, but more money is needed. The Randolph Baptist Association gives \$167 per month and the Baptist State Convention gives \$334 per month. Approximately \$1005 is needed per month to support a pastor. A family with 8 children, ages 18 and younger, attended the service Saturday night, and is in need of household items and food.

Mrs. Renea Henderson/Victory gave the Nominating Committee report. The category of Pastoral Ministries was inadvertently omitted from the printed list of nominees, and Wayne Dunn will be the Chairperson for that committee. Rod Beale's name also needs to be added to the list for the Strategy Committee. This report came in the form of a motion, and was carried. It was noted that 31 of our churches are represented on these committees, and that a Sunday School Director is still needed. Judson Rotan has agreed to work with this on an interim basis.

Mike Eller gave the Personnel Committee report that a temporary secretary has been hired. Mrs. Retta Plunkett has filled this position and is working from 8-3 Monday through Thursday. This situation will be reviewed at a later date, possibly before the Annual Meeting.

The Budget Presentation for the approval of the 1993-1994 budget was given by Mr. Dan Wood/Oakhurst, and Mrs. Renea Henderson. A skit was presented showing all the resources available in the association. Dan talked about how we could be good stewards. The more these resources are used, the more we will be willing to support them. The budget was given in the form of a motion.

Mr. Bill Rice/Shady Grove made a statement about how we need to support the Spanish Mission. With between 8,000 and 10,000 Spanish people in Randolph County, we need to find a way to reach them. Jesus instructs us to reach out to others in His Name, and if we do not do that, then we have failed in our mission. This Spanish Mission has been a need for several years. If God is in it, then we need to trust Him. An amendment to the budget motion on the floor was brought to add \$2,400 for this next year to the proposed budget. Dan Wood stated that the Budget and Finance Committee has discussed this situation and agrees

with the idea of supporting the Spanish Mission through MAP and individual church budgets. This committee has looked into what other associations are doing and has found that mission projects do better in mission accounts than in a direct budget allocation. Just because an item is budgeted does not guarantee that the money will be there. In fact, the proposed budget is a decrease of \$984 because the money has not come in this year. Which mission endeavors can and will be included in our budget? The Budget Committee recommends that the motion be left as it has been proposed originally.

Dale Robertson/Forest Park asked if it was possible to get funds from the US-2 Program that we have left over and put towards the Spanish Mission? Judson explained that was a separate situation, and that if a full time pastor is called, the BSC will match us with \$6,000. The same would be true for a part time pastor in the amount of \$4,000. This would be for a period of five years. Hoover Lee spoke about the pros and cons of separate funding, stating that it had been hard the last two years when funds had not come in from the churches as promised. The Question was called for, and with a vote of 26 in favor of the amendment, and 33 opposed to it, the amendment did not pass. The original motion from the Budget Committee was brought for a vote and passed.

Mark Sink suggested that a love offering be taken as people left the meeting to give to the Spanish Mission. This was made in the form of a motion, seconded, a vote taken, and carried.

Judson suggested that the Spanish Mission might look at ways to increase their visibility, and other possibilities of looking at the situation.

Hymn " Have Faith In God " was led by David Thomas.

Mary Ann Ingold sang a solo entitled " Shepherd of My Heart." After she sang, a plaque was presented to her from the association in recognition and appreciation of the two years she served as our Administrative Assistant.

Judson gave a report about the New York Partnership, stating that five teams went to Long Island this summer. About sixty people participated from five churches. They were Asheboro FBC, Clear View, Seagrove FBC, Macedonia, and Balfour. Ron Hester/Pastor, Clear View talked about the construction and Backyard Bible Clubs that his group participated in when they went to the Island. Mike Eller talked about his group's experiences with street and homeless children. Greg, one of his Summer Missionaries, felt called of God to use the training he is receiving in medicine in some sort of missions related capacity. Judson thanked everyone for their continued support and prayers for the NY Partnership, and mentioned that the construction work done on the associational building there was a help to the 12 or 14 churches there that are on mission.

Dr. Crider recognized a new Pastor in our association, Terry Hinson, from Sandy Creek.

Hoover Lee gave a short explanation of the Hope for Hurting Humanity program. This will be a denominational emphasis in 1994. This is to be a simultaneous mission project for the churches to individually participate in from June 15-July 31, 1994, with preparations already beginning on an associational level. More about this will be presented at later dates. All pastors were to be sent information about this, and are encouraged to begin thinking and praying about participation in this .

Hoover talked some about his two year US-2 ministry with us, and mentioned that reports of his ministry are available at the Associational Office on request. Hoover used different objects to

symbolize his ministry here in Randolph County. He first showed the keys to the Associational Office, and said that they symbolized our invitation to him to come and work with us. He next showed the keys to Balfour Baptist Church, and said that they were representative of all the keys to the churches in our association, and the opportunities to minister to, with, and for these churches. A key to his apartment represented the gift for him to live here, have food, and utilities. A watch symbolized the many individuals who took the time and energy to minister for the Lord in this association. Church bulletins showed the gift of our ministry to Hoover. A quilt represented the security, love, and companionship that we all gave to Hoover during his two years with us.

Judson presented a plaque and a check to Hoover from our association. The check was made up of the many love gifts that were collected to give to him. Judson thanked him for plowing the way for future ministries, and for his help in working with us these last two years. Judson also requested our prayers for Hoover as he traveled first to Ohio to visit his parents, and then for three days on the road to California.

Richard Fisher made an announcement about the fellowship immediately following, and then closed the meeting with prayer.

-Theme Interpretation by Rev. Justus McKeel/Pastor, Ramseur, First

Psalm 16:5-6 - Our heritage comes out of this Psalm - a godly heritage.

We are joint heirs with Jesus and He has given us the best that He has to offer. We are sinners saved by grace, and need to let that color all that we do.

-Constituting of the 59th Annual Session by Clerk/Treasurer, Mrs. Retta Plunkett. Moved and accepted.

-Associational Meetings Committee Report was given by Rev. Richard Fisher/Chairman, Center Cross. The Program for both sessions of the Annual Session was presented. This was moved and accepted.

-Recognition of New Pastors/Staff by A. Judson Rotan as follows: Dr. John Rogers/Pastor, Asheboro, First; Rev. Terry Hinson/Pastor, Sandy Creek; Rev. Tony Parsons/Pastor, Asbury; Dr. Dan Wood/Minister of Youth and Education, Oakhurst; Rev. Lynn Holcomb/Pastor, Glenola.

-Treasurer's Report was given as stated in the Book of Reports. This was accepted as printed.

-Financial Emphasis was given by Mrs. Beulah Tote, Cross Road, in lieu of Mr. Wade Powell, Chairman. Becoming involved is the key to fixing our financial situation. The Associational Office and the Director of Missions are always available. It is important for us to take the needs of the association back to the churches.

-History Committee Report was given by Mrs. Dottie Pickler, Chairperson, Balfour. The history of Victory is on pg. 2 in the Book of Reports. The committee met on October 5 and discussed the celebration for the 60th anniversary. This is scheduled for Monday, October 17, 1994. This was put in the form of a motion and carried.

-Counseling Center Report given by Rev. Ron Chaney, Gravel Hill. The recommendation from this committee is printed on page 58-59 of the Book of Reports. The committee is down to finding a location and working out the finances. Beulah Tote spoke of a need for this Counseling Center in our county. Spiritual, emotional, and mental help is needed.

Larry Willett of Burlington spoke of those that are hurting in our society. He explained that it is our responsibility to reach out to those for Jesus. Many different resources and approaches are available in counseling, as well

as using the Bible. The motion was made by the committee to accept the recommendation by the committee for the beginning of a counseling center. Dr. John Rogers of Asheboro, First spoke in favor of this motion, as did Rev. Johnny Henderson. This motion was carried.

-Hope for Hurting Humanity video was shown and A. Judson Rotan spoke briefly on this subject.

-Hymn "Leaning on the Everlasting Arms"

-Scripture and Prayer was lead by Rev. Kenneth Tucker, Huldah. 1 Thes. 1:1 was used.

-Solos by Mr. Donnie Edwards of Victory. He sang "Look to Him" and "Thank You."

-Annual Sermon by Rev. Ron Chaney, Gravel Hill. He spoke on 1 Thes. 1:1 and how this speaks of heritage and hope in Jesus. Faith, hope, and love are the three key things necessary for a sure foundation. These are living words and are key concepts to our doctrine. Ephesians 1 says that we are chosen in Christ. Election is a very present help. We were elected in Christ before the foundation of the world. We need to be a people of expectancy as Jesus Christ is coming back.

-Meeting adjourned after a prayer by Rev. Richard Fisher/Pastor, Center Cross.

HISTORY OF VICTORY BAPTIST CHURCH SEAGROVE, NORTH CAROLINA

Victory Baptist Church of Seagrove was officially constituted as a church on December 18, 1983. The goal of the new fellowship, as stated in the beginning, was to become a "ministry-oriented church" that strives to meet the needs of people in the community and beyond, through ministry and missions.

On August 4, 1984 the church called its first pastor, Rev. Johnny Henderson, who presently serves the church. Victory Baptist Church also became a member of the Randolph Baptist Association in 1985. Also, in January 1985, after a one-day offering of \$20,000, the church purchased a 19 acre tract of land on Highway 220 near Seagrove. In May the church sold \$350,000 in church bonds to construct the facilities as they now stand. The present facilities were built and dedicated to the Lord on May 11, 1986.

In August 1986 the church originated the Victory Baptist Church Child Development Center which now serves over 50 children and their families daily. Other ministries in which the church is involved are Prison Ministry, Van Outreach Ministry, Youth Ministry, Senior Adult Ministry, Clothes for Kids Project, Project Angel Tree, Disaster Relief, Missions Organizations, and others. Presently the church has 224 members, and continues to have a growing Sunday School since its origination. In its brief existence, Victory Baptist Church has been blessed with young people who have responded to the call of ministry and missions. Three ministers have been ordained, and four men are studying for the ministry at present. Victory Baptist Church continues to expand with the recent purchase of an adjoining 9.3 acres of property, and a house which is now being renovated for future use.

God has blessed Victory Baptist Church tremendously, providing spiritual and material blessings, opportunities for ministry, vision, people who are involved in God's work, and countless other blessings. When we look at the past, we are humbled by God's blessings, and as we look toward the future, we are excited about all the Lord will do as we are faithful.

Mount Pleasant Baptist Church

Call to Order by Dr. Richard Crider/Moderator

Hymn led by Rev. Francis Cordrey/Ramseur, First

Welcome by Rev. Wayne Dunn/Pastor, Mt Pleasant

Theme Interpretation by Rev. Justus McKeel/Pastor, Ramsey, First

Sharing was the pattern of Christ's Spirit. 1 Peter 1:13-21 tells of hope in "The Solid Rock." No matter how clean we are seemingly, our righteousness is as filthy rags. One drop of the blood of Christ can clean all of the world's ills forever. Christ has promised to never leave us or forsake us. We are to be a people of action, living our faith and sober in spirit.

WMU Report was given by Mrs. Retta Plunkett, WMU Director. This is on page 9 in the Book of Reports. An Asst. Baptist Women's Director and a GA Director are both still needed.

Brotherhood Report was given by Mr. Bobby Poole, Calvary. This report is on page 11 of the Book of Reports.

The Family Life Report was given by Rev. Kenneth Tucker, Huldah. There are three parts of this Council. These are the Singles, which still need a representative, the Senior Adults, represented by Rev. Koy Lee Haywood, and Family Enrichment, represented by Rev. Ron Chaney. There are ministries needed in these areas, as well as being a resource in these areas.

Pastoral Ministries Report given by Rev. Wayne Dunn, Mt Pleasant. This has been a year of planning and some activities are being looked into for future dates. A Called to Care conference is being planned for February, as well as a Church Council Conference in September.

Sunday School Report was given by A. Judson Rotan. This is a year to train, for the ASSIST Team to plan for areas of training and to study the books needed. Effective teaching and concerned seeking is the key to successful SS Attendance. The VBS Report is on Page 52 of the Book of Reports. These reports were all accepted as given.

Director of Missions Report was given by A. Judson Rotan. This report is on Pages 47-50 and was presented in the form of a motion, seconded and carried. This has been a difficult year, but dependence on God was learned through all of this. The Spanish Mission started this year and several groups made trips to New York through our partnership. Several groups had Back Yard Bible Clubs. We had a wonderful two years with the US-2 ministry. Hoover Lee has laid a good basis for continuing ministry. We have several priorities to build upon in the coming days:

1. To win and baptize more than 300 each year.
2. To seek to increase 5 to 10 percent in Sunday School.
3. To seek to develop unity and purpose.
4. To educate, do, and support missions.
5. To increase to 4 and 5 percent designated monies to the

Association.

Let's covenant together for the days ahead.

Baptist Hospitals' Report is located on Page 38. There was no representative present.

Baptist Retirement Homes' Report was given by Rev. Kenneth Reaves, Randleman, First, Representative. The offering goal this year was \$300,000 and \$275,000 was raised.

Brad McIlwain, speaker from the Baptist Retirement Homes gave some statistics of our growing Senior Adult population. The cost of health care is exploding. We have four separate facilities in North Carolina to meet these needs.

Baptist Children's Homes Speaker, Charles Tanner stated that we now have over 400 children in 13 locations. If we don't help the children today, there will be no family tomorrow.

Motion made and passed to accept these reports.

Memorials were read by Rev. R. L. Hughes, Seagrove, First.

Rev. Jerry Potter spoke on behalf of the Baptist State Convention. BSC employees are seeing the need to get into the field, listen to the churches' needs, and ask questions. This is The Special Committee Report was given by Rev. Judson Rotan. Reginald Dawkins, Committee Chairman, was unable to attend today. This committee is working on a report and will give it at the next quarterly meeting.

The Associational Meetings Report was given by Rev. Richard Fisher. This report is on Page 12 of the Book of Reports. This report was accepted as printed.

Christian Life Committee Report was not available at this time.

The Strategy Committee Report was given by Rev. Bill Rice. A copy of the Handbook was given to each person and the committee recommended that this be received. Motion carried.

Motion to accept all reports was made and carried.

Ron Chaney mentioned that extra copies of the proposal are available from the Associational Office of from any member of the committee.

The Evangelism Report was given by A. Judson Rotan in the absence of Rev. Mark Sink. This report is on Page 4 of the Book of Reports. A motion was made to accept the recommendations in this report and the motion carried.

Missions Development Council Report was given by Dr. Bobby Blanton. This report is on Page 42 and 43 in the Book of Reports. These recommendations were voted on an individual basis and all carried. They were to participate in the Hope for Hurting Humanity Project in 1994, participate in a World Missions Conference in 1996, and to look into a part time person to work in Church and Community Ministries. Questions were asked regarding finances for a CCM person - approximately \$6000.00 per year would be needed. Possibly a two year agreement would be looked into and this would be reevaluated on a yearly basis. The BSC and the HMB must approve the person hired to give funds. A comment was made that since the BSC has money available for this purpose, we'd be foolish not to look into this.

Spanish Mission Report was given by Rev. Steve Davenport, Pastor. This report is on Page 44 of the Book of Reports. More financial assistance is needed and more of a financial commitment from additional churches is needed. We are urged to visit the Mission and see what is taking place there.

David Thomas sang a solo.

Several Hymns were sung.

In lieu of our speaker, we adjourned with prayer early to eat lunch.

History of Mount Pleasant Baptist Church

On the 6th day of July 1872, the Presbytery met for the purpose of constituting a Baptist Church in Randolph County. The Charter Members, composed of seven male members and nineteen female members, had withdrawn from Mount Zion Baptist Church to constitute a church of like faith and order. An Advisory Council from other Baptist churches examined the church on their faith in Christ as Missionary Baptist. The church became an independent church, was given the right hand of fellowship, and named Mount Pleasant Baptist. The land was presented to the church by Henry Kivett. From the earliest records, we find the church was functioning in a steady way by August, 1872.

During the lifetime, Mount Pleasant (which was called Kivetts due to the many number of Kivetts attending there) held services in three different church buildings. The first church, believed to be a log structure, was located on or near where the present sanctuary now stands. History reveals this original building was used some 30-34 years. The second church building was begun in October 1904 and completed in August 1906. This building consisted of the sanctuary recently torn down, but had a vestibule, steeple, and Sunday School classroom annex that had been added. The plans for the first cemetery were drawn up in 1874 and many loved ones buried there are fondly remembered today.

Our present brick sanctuary was completed in 1982, with the first service being in June. The educational building was finished in 1962 and the first service was held on January 20, 1963. Our first pastorium was built in the year 1968.

Originally Mount Pleasant was a part of the Sandy Creek Association, but joined the Randolph Association in 1934-35.

Music has always been a part of worship at Mount Pleasant. Records indicate the first organ was purchased in 1906 and the second in 1987. Of course, many pianos were used.

Missions have always held a prominent place at Mount Pleasant. They helped to organize in January 1887, Liberty First Baptist, as an arm to Mount Pleasant. In December 1887, a letter was granted to establish a permanent church for themselves.

During the lifetime of Mount Pleasant Church a host of consecrated Christian men, women, and children have tried to do their part for the advancement of the Kingdom of God.

Christian Life Council Report 1992-93

The Southern Baptist Convention has given the Christian Life Commission the task of helping Southern Baptists apply Christian principles in every area of life. The Commission engages in a number of programs that deal with family life, race relations, citizenship, world hunger, peace and justice, and moral concerns. The CLC publishes materials that are available to Baptists which educate and keep us informed of issues that concern Christians today.

In 1993, the Christian Life Council sponsored an educational seminar, "A Christian Looks at Gambling" which was held at Cross Road Baptist Church. This informative seminar was co-sponsored by the N.C. Baptist Men, WMU of N.C., and the Christian Action League of N.C. Let us continue to be committed to Applied Christianity.

Respectfully submitted,
Rev. Johnny Henderson, Chairman, Christian Life Council

Church and Community Ministries Report - 1993

The Church and Community Ministries Committee has worked closely with Hoover Lee the past two years as both sounding board and encourager. This committee assisted the implementation of English as a Second Language (ESL) classes held at Oakhurst Baptist Church. While this program was not as successful as it had hoped to be, it did provide an avenue of experience and challenge to Hoover and the committee.

The CCM committee also assisted Hoover in promoting and beginning Back Yard Bible Clubs throughout our association. This program proved very successful. The first year 7-9 BYBC groups were held. This last summer we had approximately 16. There was a good increase in both interest and activity. Of particular note was the one held by the RBA Acteen Activator team at Coleridge Apartments which had an attendance of 56 children. This has opened the door for ministry opportunities in this area.

The CCM committee worked with Hoover in developing a plan for an Urban Ministry to be implemented in Randolph County. The fruit of

this labor in part has developed into what is now known as the Christians United Outreach Center. The initial organizational efforts were formally presented to the Asheboro Ministerial Association by Hoover Lee.

It is the hope of the CCM Committee that the work begun under Hoover's supervision and enthusiasm will continue to grow and minister to all our community, drawing more of our people into active ministry for the Lord.

Respectfully submitted,
Carolyn Santanella,
Secretary, CCM Committee

Counseling Center Report

"A motion was made that the Randolph Baptist Association meeting in Annual Session on October 20, 1992 study the possibility of helping to establish a Christian Counseling Center in our county, or that the Association explore ways to coordinate local Christian counseling resources that might be available for those who need professional help. This committee shall be appointed by the moderator and report their preliminary findings at the next Quarterly meeting. The complete report and recommendations would be made by the next Annual Meeting.

Submitted by,
Justus McKeel
October 20, 1992"

As our committee met, we sought to identify the key elements of this motion and to determine what we were asked to do. Some key elements that stood out to us are:

- establishing a Christian Counseling Center
- coordinate local Christian counseling resources
- make a report and recommendation

We are well aware of the professional capabilities of several counselors, psychologists, and psychiatrists in our area. We were asked to specifically submit a report and recommend the possibility of offering a Christian alternative, one that will be established as well as administrated from a Biblical perspective. This gave us our foundation as all else had to live up to this principle. We then had to deal with many issues:

- long term counseling
- short term counseling
- type of counseling - psychoanalysis, cognitive, and thirty others!
- hospital care - based on Christian intervention, with Christian psychiatrists and Christian counselors
- location for a center
- and, of course, how to pay for this ministry

After meeting with representatives of several established Christian counseling centers (N.C. Baptist Hospital Pastoral Care; Pastoral Care and Counseling Center at Charlotte; Associates in Christian Counseling, Winston-Salem; and the Institute of Christian Growth, Graham, N.C.) we felt a kindred spirit with the plans, purposes, and Biblical foundations of the Institute of Christian Growth in Graham, N.C. This ministry is well qualified as a professional Christian Counseling Center staffed by professional Christian counselors: Dr. William P. Wilson, retired Professor of Psychiatry of Duke University Medical Center; Dr. Cary Cottle, and Larry Willet, PhD.

The following is a joint proposal for a counseling center that will integrate Biblical truth with sound psychological treatment strategies.

RECOMMENDATION

We, the Christian Counseling Center Steering Committee of the Randolph Baptist Association, recommend that the following motion be approved:

That we establish a Christian Counseling Center to be operated as a ministry of Randolph Baptist Churches. That the steering committee consisting of Mrs. Beulah Tote, Dr. Dan Wood, and the Rev. Ron Chaney, Chairman, who were appointed at the Randolph Baptist Association's October 1992 meeting, along with the Director of Missions moderator, be appointed as the temporary Board of Directors of Randolph Baptist Counseling Center (to be named at a later date) and shall have the responsibility and authority to establish such a Christian Counseling Center reporting at each quarterly meeting with updates and recommendations as pertinent to the progress.

Respectfully submitted by,
Rev. Ron Chaney, Gravel Hill
Mrs. Beulah Tote, Cross Road
Dr. Dan Wood, Oakhurst

EVANGELISM COUNCIL REPORT

We have seen a new emphasis throughout our convention in evangelism. We must adopt a mentality that everything we do in and through our churches involves outreach. If the programs that we develop in our churches ultimately do not touch a precious soul, should we continue in that activity?

As we plan for our new church year, please consider how we can do a better job in reaching, teaching, and winning the lost for Christ.

Our Council is available for training in soul-winning through lay evangelism schools, one day soul-winning workshops or five day schools. Please contact the Associational Office if you are interested.

We conducted a Youth Happening night on March 27, at Cross Road Family Life Center. Gary Newell, former NFL player, spoke, and SALT, a musical group from Greensboro, had the special music. Over 200 youth attended this happening.

We are planning for another youth happening/rally this year for our association. Also, we are planning for this year, to have an evangelism conference, and training for church growth.

May we together pray and work to reach our country for Christ.

We have three recommendations for the association. They are as follows:

1. That the association participate in the convention-wide 1995 "Here's Hope, Share Jesus Now" crusade in our churches.
2. That we suggest to our churches that we set aside April 2-9, 1995 as our part in the simultaneous revivals. These are the dates suggested for the Piedmont Area of North Carolina.
3. That a steering committee be formed, along with the evangelism council, to plan and enlist churches to participate in the "Here's Hope" emphasis.

Your Servants in Christ,
Evangelism Council,
Mark Sink, Chairman, Macedonia
Mike Auman, Cedar Grove
Stan Haywood, Cross Road
Johnny Henderson, Victory
Dale Robertson, Forest Park

History Committee Report

Your History Committee met on October 5, 1993, at the Associational Office, and discussed the histories of the churches in the association. After further discussion, our committee would like to recommend the following:

1. A celebration of our association's sixty (60) years be held on Monday night, October 17, 1994. The place will be announced later, and a committee will be selected to work

- with the HHistory Committee in planning this event.
2. That all of our churches submit a very brief history of their church to be placed in a printed book, along with the history of the association.
 3. That the history be typed, and in the associational office no later than May 1, 1994.

Further details and information on this event will be sent to the churches by January, 1994.

Respectfully submitted,
Dottie Pickler, Chairperson, Balfour
Carolyn Beane, Greystone
Cordia Shelton, Glenola
Wally Jarrell, Deep River

MISSIONS DEVELOPMENT COUNCIL REPORT

The Missions Development Council has just completed a very busy year. The following are some of the areas that this Council helped to promote:

1. **NEW YORK PARTNERSHIP** - A good response from our churches was given to this opportunity. There were six churches that sent teams of various sizes to work among the New York churches.
2. **SPANISH MISSION** - With financial assistance from the Baptist State Convention and several churches from our association, a Spanish Mission was organized and began worship earlier this year. The Mission continues to strengthen and is presently averaging 35 per week. The continued response among the Spanish speaking residents of our area is optimistic. Rev. Steve Davenport is the Mission Pastor.
3. **CHURCH AND COMMUNITY MINISTRIES** - The Randolph Baptist Association completed the final year of our US-2 missionary appointment. Hoover Lee was helpful in starting some projects that we are continuing to see grow. A motion from the Mission Development Council will be forthcoming regarding the future of CCM in our association.
4. **MOBILE HOME PARKS** - Several areas of work were done among some mobile home parks throughout our county. A summer worker was appointed from our NCBS to serve as a summer intern to survey projects, lead Backyard Bible Clubs, etc. Presently work is underway to locate a mobile chapel in a nearby park.
5. **MAP** - The MAP Fund continues to be the heart of the mission work done in and through our association. This fund has helped to assist mission trips, purchase building materials in various work projects, help meet expenses of our Spanish Mission, and other related mission projects. This Council urges your support

of MAP. The Missions Development Council and the missions involvement of the RBA depends upon the strength of this fund.

Pastoral Ministries Report - 1993

SPANISH MISSION REPORT

In September of 1992, two Spanish speaking young men approached retired missionary Stephen Davenport about the possibility of beginning a Spanish ministry in Asheboro. They were aware that Stephen had been a Baptist missionary, serving in Argentina, along with his wife Bonnie and family. The needs are great for a Spanish ministry, since there are close to 2000 Spanish speaking people living in Asheboro. In consultation with Pastor Bobby Blanton of Balfour Baptist Church, and Rev. Judson Rotan, Director of Missions, plans were formulated to begin a ministry to the Spanish people. A choice location was found in downtown Asheboro. The owner of the building, Mr. David Stedman, graciously consented to let the Spanish group hold worship services in the building, rent free. Services began on January 2, 1993, and have continued on a regular basis each Saturday evening. This ministry has reached at least 123 people who have attended at least one time. Attendance has reached in to the 40's and 50's. Average attendance is 35 for the year. Plans are being made to begin Sunday School classes the last part of October.

ESL (English as a Second Language) classes were started on October 4. Enrollment has reached 17. These classes are being conducted at the mission in order to help the Spanish people learn English. We are grateful for the several trained workers from our association who are giving of their time and talents toward this ministry.

We are grateful for the eight churches and several groups who are giving a monthly support to the Mission. Monthly support is as follows:

8 Churches	\$475.00
Other groups	50.00
Randolph Association MAP	167.00
NC Baptist Convention	334.00
Spanish Mission Offerings	<u>250.00</u>
Total	\$1276.00

Our goal is to call, within a few months, a Spanish pastor, who would be the pastor of the Mission. He would have to be bi-

vocational. Rev. Davenport would remain at the Mission to work with him. It is estimated that we would need a monthly support in the amount of \$1500.00 in order to call a pastor. This is urgent for the future growth of the Mission. Actually, this is the only evangelical mission reaching Spanish people in the Asheboro area.

We appreciate your prayers and support. Pray that a few more churches will put an amount in their budget to help meet the goal of \$1500.00 monthly, in order to call a Spanish pastor. Your help is urgently needed.

We are grateful that we were able to purchase a 12 passenger van for the use of the Spanish Mission. The Spanish Mission paid \$1800.00 of the cost of the van, and we received \$1000.00 from the Randolph Baptist Association, for which we are grateful.

Rev. Davenport and some of the Spanish congregation have visited in several churches in the area. We are open to other invitations. It would be our joy to visit in your church.

Respectfully Submitted,
Stephen Davenport, Spanish Mission Pastor

Stewardship Report

Many people in our Churches think only about giving money when the word "stewardship" is used. This, however, is only 1/3 correct.

There are three items that specifically refer to "stewardship." I like to call them the three "T's" -time, talent, and tithes.

The churches of the Randolph Baptist Association are made up of volunteers. But as followers of Jesus, we should take a long, hard look at the time we give to Him and His work.

Each of us is blessed with at least one talent that we can use for Him.

God requires that we give 1/10, a tithe, to be used for His honor and His glory.

What does God want us, individually and as a Church, to do for Him through our stewardship to the Association?

If we respond to the challenge of the Randolph Baptist Association, then we will have the best association that we can be.

Yours in Christ,
Roger Carlson, Stewardship Director, Maple Springs

ASSOCIATIONAL SUNDAY SCHOOL REPORT

The Sunday School in each Southern Baptist Church has been assigned six (6) tasks to accomplish:

1. Reach people for Bible Study
2. Teach people Biblical truths that are life changing
3. Witness to people about Christ and lead them to church membership
4. Minister to members and non-members
5. Lead persons to worship
6. Inform persons about the work of the church and the denomination

In order to enhance the Sunday School's effectiveness in accomplishing these six tasks, good organization is a necessity. Organization exists for one reason - to help us do in the most efficient way what we say we want to do.

The ASSIST Team is trained and developed to help our churches build and develop a strong Bible teaching program through Sunday School. You are urged to use the ASSIST Team in our association. They will come to any church and help you in your Sunday School program.

Each quarter there will be Sunday School Director's Workshops in different areas of the association. Also, there will be training conferences for Sunday School teachers with leadership study courses throughout the year.

The theme for 1993-94 is "Breakthrough.....Serve to Win." During this year we will seek to mobilize the people of our Sunday Schools to minister to others in the name of Jesus.

A.Judson Rotan

DIRECTOR OF MISSIONS REPORT

As I think about this past year as an association, we must admit that it has been a difficult year. Several events have made it critical:

1. Our income from the churches was low. We received around \$900.00 more than we did the previous year, and were behind in our budget for the year \$8,481.53.
2. Our Administrative Assistant, Mary Ann Ingold, resigned because of the financial crisis.
3. Programs, events, and projects were curtailed, which caused some organizations to have no training events this past year.

4. Even the spirit of the association was low in the midst of changes and direction.

But in the midst of our crisis, God blessed our efforts. We have sought to know the mind of Christ and what God is up to in our midst. We have affirmed that God is on mission in our world, and especially in our setting. What we needed to do was to stop and see what God is doing in our midst. I have tried to stop and ask God, "What is it that you are purposing for us as Randolph Baptists?" When I began to see and understand what God is doing in my life and in our midst, than I began to see what I needed to do and what our association needed to do. It has been a soul searching experience. I spent a week at Ridgecrest Conference Center with Henry Blakaby in "Fresh Encounter for Revival and Spiritual Awakening." It was a renewal experience for my spirit and ministry. In the spring of 1993, I began studying "Experiencing God," which has increased my faith about who we are as Randolph Baptists as we seek daily to know and do the will of God. God has been real to me the last several months.

Several events and projects have given us a sense of mission about our work together this past year.

1. **The Spanish Mission** has developed greatly under the leadership of Steve Davenport and the sponsoring church, Balfour Baptist Church. I am glad that we as an association have a small part in it's development. Through MAP we have given a monthly contribution of \$167.00. Many are being reached weekly in the Hispanic community. This mission work needs our continuous prayers and support.
2. There were twelve **Backyard Bible Clubs** conducted around our county this summer in apartment settings, mobile home parks, and other communities where unreached persons were located. Several hundred boys and girls heard about God's love and saw it demonstrated in the lives of persons. Many seeds of God's love were planted in many hearts. Several of these places could become on-going ministries.
3. We concluded two years of ministry in **Church and Community Ministries with Hoover Lee, US-2 Missionary**, appointed by the Home Mission Board, SBC. It was a very successful ministry in helping us to discover needs , and seeking to meet those needs in the lives of hurting humanity. God used Hoover Lee to probe us in our Christian witness and concern for hurting and needy persons. Does God want us to continue to meet these needs through some organized ministry?

These are just a few of the positive things that have kept us on mission as a group of cooperating Baptist churches.

As to my personal stewardship of time to the association, it has been another busy year. I share the following:

1. **Miles Traveled:** 11,276 (kept a daily log of travel)

2. **Office Work:** I have kept regular hours for my work. I had 39 committee meetings and 17 group conferences. Our office, through the secretaries, Mary Ann Ingold and Retta Plunkett, have prepared and mailed over 1,200 **Randolph Baptists** each month to our church leaders and others. Many events and activities emphases, promotional letters, and flyers were produced and mailed from the associational office monthly.

Our associational office building is a **Resource Center** as well as offices for staff and meetings. Over 400 videos are available for the churches to use. Many videos were added this year, which included those on state, home, and foreign missions. Literature and materials from various boards, institutions, and agencies are made available for the churches.

3. **Work Among the Churches:** I have visited and worked with 32 of our churches during this associational year. I have preached a number of sermons, supplied for pastors, spoken at homecomings and mission days. I have assisted in deacon ordination services, worked with search committees, taught Bible studies, and conducted a revival in one of our churches. I have lead deacon and Sunday School teacher trainings. I have been available for our churches, to meet their needs and requests.
4. **Meetings Attended Outside the Association:** I have attended the Baptist State Convention, State Evangelism Conference, Convention Staff/DOM Retreat, Mini-Sunday School and Fresh Encounter Conferences at Ridgecrest during this past year. I participated in a World Missions Conference in the Yadkin Baptist Association, and made two trips to Long Island, New York for two weeks of mission involvement. There were six conferences of day meetings that I attended either at Caraway, Cary, or Ridgecrest. Also, it has been my privilege to serve as President of the Director of Missions Conference that meets at Wingate College each July. In this position, I have had four meetings across the state with DOM's and committees.

I am very grateful to our general officers, associational council, and our staff for listening and helping us through this past year. These and several pastors have been my sounding boards, my enablers, and my counselors in seeing our mission fulfilled.

As we face another year, we will possibly enter into three years of special emphases. They are - 1994: Hope for Hurting Humanity, 1995: "Here's Hope, Share Jesus Now," Revivals, and 1996: World Missions Conference. Each year we will focus on one major theme. There will be steering committees suggested for detail planning for these events.

One of my major emphases for the next few years will be to give priority to some dreams for the churches of Randolph Baptist Association. Our major thrust should be the following:

1. **EVANGELISM:** (We will baptize more than 300 persons each year in our churches.) The fields are truly white unto harvest since 66 percent of our population is unreached and unchurched. It is important to get these on our Sunday School rolls. They need the positive influence of good Bible teaching and challenging worship experiences to present the claims of Jesus Christ.
2. **SUNDAY SCHOOL GROWTH:** (We will seek to increase at least 5 to 10 percent in enrollment each year.) The average attendance will continue to rise as the enrollment increases. Individuals need Bible study. Sunday School workers must reach out in love to those not in the church. Good Bible teaching and fellowship will melt the hardest heart.
3. **FELLOWSHIP:** (We need unity and purpose among us.) Acts 2:1 speaks of unity and purpose in the early church - "They were all together in one place." To accomplish great things for God, His followers must enjoy fellowship with one another with unity of purpose. God's people must love one another and work together to carry out the "Great Commission."
4. **MISSIONS:** (We must educate our people in missions, doing missions, and supporting missions financially.) A growing church is a missions minded church, which is doing missions locally, in the state, in our nation, and around the world. The Great Commission (Matthew 28:19-20) informs us that our mission is the entire world. Let us major on missions and not on issues that divide us.
5. **FINANCES:** (We need to encourage churches to give 4 to 5 percent of their undesignated offerings to the association to accomplish our mission ministries of the association.) Percentage giving to support associational missions and to give through the Cooperative Program is the best way to support missions. It puts all churches (large and small) on an equal basis, since that percentage of every offering plate dollar goes to missions. The future of our association mission ministries depends on our sacrificial giving from the churches. Our average percentage across the association now is 2.10%.

My constant prayer for Randolph Baptist Association of churches is that we will undergird our mission ministries. In the gospels, we find Jesus busy helping the needy. He went about doing good, especially to those who could not reciprocate that help. We as Christians, churches, and association need to imitate Jesus' acts of kindness to others, and after gaining a friend, share Jesus Christ with our new friends. That is the basic philosophy of our mission ministries that we support through the association. **Please read and hear what the Missions Development Council has proposed for the next several years.** Maybe you will discover avenues of involvement for your own life. You can get involved through prayer, participation, and gifts on monies through MAP.

For another year as your Director of Missions, I am eternally grateful. It is a beautiful experience to worship, study, pray, and minister with you here in Randolph Association. My prayer for you and me is that God will continue to bless our efforts in His name as we minister together in this vineyard.

Respectfully Submitted,
A. Judson Rotan, Director of Missions

Dear Judson,

Thank you Randolph Association for the gift of your partnership. There is no way to measure the impact of your effort on the lives of people here.

- Because of you the LIBA office is nearing completion.
- Because of you university students from Taiwan and China have a broader view of Christianity.
- Because of you children have been able to attend Vacation Bible School and Backyard Bible Clubs.
- Because of children have been "hugged" for the first time.
- Because of you church members have been encouraged as they felt your love and concern as you mowed grass, painted, washed windows, etc.
- Because of you our friendships have deepened.

How grateful we are for your ministry in our lives! Now, how can we minister to you?

" For we are laborers together with God. " (1 Cor. 3:9)

Baptist Children's Homes 1993 Report

Chris starts college at North Carolina State this fall on a football scholarship. After leading Thomasville to a state championship in 1991, Chris also earned national honor society recognition, was active in the community counseling drug abusers...and became a Christian at Mills Home.

Kathy married a Christian young man who was a volunteer at Broyhill Home, where she lived. She continues her education at Haywood Technical College while working and becoming a young wife. She and her husband, Kris, are members at Woodland Baptist Church, where she was active in leading children's programs, even as a Broyhill resident.

Several rows of supportive staff members cried during the wedding when the minister asked, "Who gives this woman to be married?" Child care worker Jim Johnson responded, "Her mother and I do." "Her mother," was Jim's wife, Vivian. Together, Jim and Vivian helped Kathy develop from an angry and withdrawn child, to a beautiful, confident, Christian leader.

Ashley was growing up too fast...and her parents didn't know how to handle it. They wanted to treat her like a child; she wanted adult freedoms. When their constant clashing came to blows, they knew they needed help.

Through the family clarification program at Mills Home, both Ashley and her parents learned the roles they played in the family conflict, and how to listen, forgive and adjust to the future.

"We're very grateful to Baptist Children's Homes," said Ashley's mother Victoria. "I don't know what would have happened to Ashley. I've had friends say to me, 'I never knew there was a place like that.'"

Well, there is a place like that.

Thank God.

Baptist Children's Homes in 1992-93 served 1,453 children and their families through programs of intentionalized services at 13 facilities across North Carolina.

Those facilities include four residential care campuses; seven emergency care homes; two homes for behaviorally troubled girls; therapeutic camping for boys; a maternity home; a home for teen-age mothers and their babies and a model daycare facility.

Baptist Churches, through the Thanksgiving Offering, Cooperative Program, and direct gifts funded about one-third of BCH's \$10 million budget. A significant source of income continues to be from estate gifts from those who remember children in their wills.

BCH's model daycare service took a giant step June 27 when the new \$1 million, 10,000 sq.ft. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accommodate 75 infants, toddlers, and two-year-olds.

During dedication, Robin Britt, N.C. Secretary of the NC Department of Human Resources, said BCH is "a true model of how young children can be shaped, nurtured and loved," and that "we will be looking at institutions like the Fleshman-Pratt Early Childhood Education Center as we find models to replicate."

T. Winfield Blackwell, president of the Fleshman-Pratt Foundation, whose lead gift started construction of the building, said, "Think how many children will be raised and shaped by the dedicated staff who serve here, and surely a goodly number will be developed, not only to be good citizens, but active ministers in God's service." Churches interested in beginning or improving their daycare ministry can get free help from director May Lou Dickey. Call (919) 472-3503.

BCH also dedicated a counselor's lodge at Cameron Boys Camp; completed a strategic planning cycle for the next three years; celebrated the 50th anniversary of Odum Home in Penbroke; completed a three year partnership with the Baptist Children's Homes of Sao Paulo, Brazil; and produced a new video about BCH, available August 15.

Swelling with emotion at the dedication of her new building, Daycare Services Director Mary Lou Dickey promised, "we will not fail" those who trust BCH with their children.

Michael C. Blackwell, who celebrated his 10th anniversary as president of BCH July 1, echoes that promise. "Baptist Children's Homes has been a cutting-edge ministry for NC Baptists since 1885. As a disintegrating society moves the edges further and further, we're honing our ministry sharper and sharper. Thank you, NC Baptists, for your support."

1993 Baptist Hospital Report to the Associations

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our funding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this missions. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality healthcare at affordable prices.

Providers and Recipients of Healing

Our healing team now consists of 5,852 employees. The Medical Center (NCBH and BGSM) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,247 inpatient admissions. Our Outpatient Department, physicians' clinics, and other related departments received 490,667 patient visits.

Our chaplaincy division joined with our health-care professionals to provide spiritual and emotional healing. With 15-40 chaplains present at various times, 52,934 ministries were provided to patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational Health was given birth. It's purpose is to (1) train Intentional Interim pastors; (2) train church leaders; (3) provide a minister's assessment program; (4) establish a Minister's Help Line providing an opportunity for church leaders to receive guidance via a telephone call. The Pastoral Counseling Division opened a new counseling center in Wilmington bringing our total counseling centers to 11 across the state. The centers provided 16,205 counseling sessions.

Points of Excellence

(1) The Joint Commission on Accreditation of Healthcare Organizations ranks Baptist Hospital in the top 9% of all hospitals in the nation.

(2) We performed our first pancreas transplant and first double organ transplant and first double organ transplant (pancreas and kidney) this year.

(3) We are one of only 26 comprehensive cancer care centers in the nation, treating more cancer patients than any hospital from Baltimore, Md. to Atlanta, Ga.

(4) Quality infant through adolescence care in our Brenner Children's Hospital.

(5) Our neonatal transport team is the largest in North Carolina and one of the 10 largest in the U.S.

(6) Our Level I (highest awarded) Trauma Center has 2,100 admissions a year.

Superb Financial Stewardship

In the midst of escalating health-care costs, we have a proven record of excellent stewardship.

(1) The latest report of the North Carolina Database Commissions comparing hospital major services charges vs. Baptist Hospital reveals, for our most frequent diagnoses:

Duke - 36% higher

Carolina's Medical Center (Charlotte) - 36.5% higher

UNC-Chapel Hill - 28% higher

Average statewide - 9% higher

(2) We are one of only 17 similar hospitals nationally with a "AA" bond credit rating.

(3) Averaging the last two years and the projection for 1993, the Consumer Price Index will average 3.9% and the Medical CPI will average 9.7%. Baptist Hospital charge increases for the same

period will average 3.3%, well under both the above mentioned indexes.

Expansion for Meeting the Needs of the Future

Nursing Center at Oak Summit

Opening in July, this 170-bed facility provides skilled and intermediate care. The center will be one of only a few in the state to provide care for ventilator-dependent patients.

Emergency Department/Dietary

Under construction at the present time to be completed by June 1995, this facility will total 750,000 square feet. Our current ER was designed to handle 29,000 patients annually, but it is handling more than 40,000. Our new ER Capacity will be 70,000 annually. This building will also house three floors of patient private rooms, our Pharmacy Department, and a 35-bed Day Hospital, new kitchen and cafeteria.

J. Paul Sticht on Aging and Rehabilitation

Construction on this facility begins in November of 1993 and is scheduled for completion in January 1996. It will include geriatric care, research, and education; psychiatry; and also provide comprehensive acute rehabilitation services including nutrition assessment, physical, outpatient, speech, and recreational therapy.

Baptist Benevolent Care Fund

Last year Baptists across our state gave \$422,000 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

In conclusion, it is readily seen that this healing ministry we share together says to our patients and their families: "We care about your health-care needs, your spiritual and emotional needs, and your financial burdens, and we express our caring through service."

Respectfully submitted,

1993 Baptist Retirement Homes Report

Did you know that:

In 1993, NC reached place number 10 among all the states in the US in regard to the size of it's adult population over the age of 65? That one-half of all the people who have ever lived to be 65 are now living?

The fastest growing segment of NC Baptist life is composed of those adults 85 and older and that by the year 2000 that age category will double in size?

That by the year 1996 NC's "Baby Boomers" will be turning 55 every 18 seconds?

That by the year 2010 one out of every two people living in NC will be 50 years of age or older?

What do figures like those above mean for NC Baptists? They point to the fact that one of the greatest needs facing our Convention as we move into the year 2000 is the provision of quality, affordable long-term care services to functionally impaired Older Adults through the expansion of existing long-term care facilities, and through the development of creative approaches to long-term care such as rural home health services, community day care programs, and respite programs for homebound care providers. In an attempt to meet the above mentioned need, Baptist Retirement Homes of NC Inc. in 1993:

Opened the Rickman Nursing Care Center in Asheville, N.C. (a 100 bed Medicaid certified nursing care facility).

The Rickman Center is a state-of-the-art long-term care facility that has been developed to meet the needs of the poor elderly in Western NC. (80% of the resident population will be recipients of benevolent funding).

Renovated the Albermarle Baptist Home in Stanly Baptist Association and renamed it the Taylor House. The Taylor House has no financial requirements for admission and is designed to provide care to the assisted living level of care resident, regardless of his/her ability to pay for the long-term care services provided.

Developed a new addition to the Brookridge Health Care Unit in Winston-Salem in order to provide an area for small group work with residents suffering from dementia. This state-of-the-art program will enable Baptist Retirement Homes' staff to improve the quality of life experienced by members of it's resident community who are mentally impaired.

Baptist Retirement Homes is keenly aware of the fact that without the support of NC Baptists none of the above would have been possible. As a result of the prayers and funding that the "Homes" receives through the Cooperative Program and the NC Offering for Older Adults, it has been able to offer hope to many Older Adults whose future would have been uncertain without the caring involvement of NC Baptists. It is because of you that our institution has been able to make life for many Older Adults in 1993...The Best Of Times.

Thank you North Carolina Baptists for your support!

William B. Stillerman, President, Baptist Retirement Homes of N.C., Inc.

The Biblical Recorder Associational Report - 1993

The only thing that is unchangeable is change itself! For most of us it is impossible to comprehend the radical and often destructive changes which are taking place in our world. In politics, morals, economics, and church life, our Baptist world is faced with decisions and issues without equal.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1994 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Christian Action League of North Carolina Annual Report 1993

Do you believe in miracles? They still occur, and we experienced one in the 1993 session of the NC General Assembly. No gambling legislation was enacted during that legislative session.

When the legislators came to Raleigh on January 27, 1993, veteran legislature observers admitted that this was the year for a state-operated lottery bill to get out of the General Assembly. Both Governor James B. Hunt and Lt. Governor Dennis Wicker, both former lottery opponents, had endorsed the proposed lottery legislation. Furthermore, there were 42 new House members, and a large majority of them had campaigned supporting the lottery. Out of the key elected state officials, many gambling opponents had only

one friend, HOuse Speaker Dan Blue, and he made no apologies about his opposition to state-sponsored gambling.

What happened? Concerned Christians began to speak up and contacted their legislators. by the time, Senate Bill 11, The State Lottery Act, had passed the Senate by a vote of letislation began contacting members of the House Committee on Constitutional Amendments and Referenda to keep the bill in committee.

In the meantime, some 20 workshops were conducted throughout the state educating and motivating the Christian community about this insidious evil under the sponsorship of the League, NC Baptist Men, Woman's Missionary Union, the Council on Christian Life and Public Affairs, and the NC Christian Coalition. Resource leaders included Dr. Norman Geisler, author, Gambling a Bad Bet; Dr. Patrick Anderson, Professor of Criminology, Florida Southern College; Dr. Paul Jones, Executive Diurector, Mississippi Christian Action Commission; Bill Brooks, Executive Director, CITIZENS AGAINST THE LOTTERY; from the Baptist State Convention, Doug Cole, Executive Director, Christian Life Council; along with George Reed, Director of Christian Citiazenship; and members of Gamblers Anonymous.

In the closing days of the legislative session, Rep. David Redwine, (D-Brunswick), who has introduced lottery legislation for the past 10 years, requested that the bill be held over until the 1994 session.

Of course , this will give the \$300 billion gambling industry some 10 months to re-group their supporters. Also, it will give concerned Chriustians the time to get their message to lawmakers that gambling is bad public policy, and such legislation ought to be defeated.

There is also a pari-mutual gambling proposal (horse racing with off-track betting parlors) before the General Assembly. The Senate Bill has already passed a Senate Committee and is currently in the Senate Finance Committee. The House Bill has also passed a House Committee and is currently in the House Appropriations Committee. Both bills are eligible for the 1994 session.

Someone has said; "The only lesson we learnfrom history is that we don't learn from history." North Carolina had an experience with pari-mutuel gambling with dog tracks in Currituck and Carteret Counties in the early 1950's. The NC Supreme Court closed them down as being a public nuisance.

Perhaps there is no industry that is "riddled" with corruption as much as the gambling industry. Last year we had legislators indicted in SC for accepting bribes from gambling lobbyists. Some 10 public officials have pled guilty to corruption charges in Kentucky over a gambling "scam", and 12 others are under investigation. In Arizona, legislators have gone to prison due to a gambling scandal. We have had Governors from West Virginia and from Maryland to go to prison due to gambling scandals in their respective states. Wherever you have legalized gambling, undoubtedly, you will find corruption in government.

That is why it is urgent for committed Christians to contact their legislators and urge them to oppose any gambling proposals.

DRUNK DRIVING: When you deal with politicians, tenacity is a key. For ten years, we have sought legislation that would

establish .08 breathalyzer reading as the standard for drunk driving in North Carolina. In the past, we were able to get such legislation through the House, but the Senate was the graveyard. The measure would always be referred to a hostile Senate Committee composed largely of trial lawyers, and that would be "death" to such a proposal.

With a change in Senate leadership, the .08 breathalyzer legislation will become law on October 1, 1993, which will be a useful tool in helping to remove drunk drivers from the highways.

The League continues to assist local communities in combating our No. 1 drug problem, alcohol. Let us know if a liquor referendum is to be held in your area, and we will be ready to help.

Thank you for standing with us in the cause of Applied Christianity through your prayer and financial support.

Sincerely,

Joe S. Lennon, President

It is anticipated that the Board's work in evaluating the past and present status and in laying a road map for the future will result in exciting times ahead.

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The office is located in Cary next to the Baptist State Convention building. Visitors are welcome and are encouraged to stop by for professional assistance or just to say hello.

The Home Mission Board 1992 Annual Report

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, Ga., the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

At the end of last year, 4,868 missions personnel were serving in the United States, the Caribbean, American Samoa, and Canada. The HMB also had endorsed more than 2,200 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,400 Mission Service Corps volunteers were serving on home mission fields. During the year there were 367,847 baptisms and 1,281 church starts.

Approximately half the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1992, gifts to the offering totaled \$37.61 million, up almost 6 percent from the 1991 total. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1993 Annie Armstrong Easter Offering goal is \$38 million. About 36 percent of the HMB's income comes from the denomination's Cooperative Program.

Home missions is a partnership of the HMB, state conventions, associations, and churches. The HMB's strategy is to help start churches, ministry endeavors, and evangelism efforts that will grow to self-support or be carried on by local churches or associations.

The following is a summary of program/support ministry highlights from 1992:

Chaplaincy Ministries - The 2,293 Southern Baptists now serving as chaplains and pastoral counselors reported 24,000 professions of faith and 4,600 baptisms.

Alternatives to Abortion - Workers in 23 crisis pregnancy centers received training from the HMB. As a result of the ministry of these centers, 2,164 babies were born and 832 women found faith in Christ.

Church Loans - More than 1,100 churches had active loans totaling \$115 million. These loans purchased, refinanced, remodeled, or constructed 106 buildings and purchased 9 building sites.

Language Missions - Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects.

Personal Evangelism - During the Southern Baptist Convention in Indianapolis, 1,353 volunteers canvassed 45,235 residences, conducted a religious survey, and shared the gospel with 2,905 individuals, 361 of whom made professions of faith.

Prayer and Spiritual Awakening - A national team began efforts to enhance effective prayer and revival ministries in churches. the Intercessory Prayerline grew from 7,500 calls in 1985 to 130,000 last year.

Volunteers - Over 71,000 Southern Baptist adults, college students, and youth group members volunteered for long- and short-term projects. More than 58,000 volunteers responded to disaster relief efforts in Florida, Louisiana, and Hawaii.

Special Ministries - Southern Baptists minister to seamen in 37 port cities and 200 missionaries are involved in ministries related to college students, resorts, special events, and diplomats.

In Memoriam

Many of our brothers and sisters in Christ of the Randolph Baptist Association have passed from our midst since we met in our Annual Meeting last year.

At this time we pause in reverance as we pay tribute to them. The influence of our Christian friends is still alive and active, even though they have passed on. We recognize our indebtedness, and appreciate the influence which comes to us from having seen them, and worked with them in our Lord's Vineyard.

REV. R. L. HUGHES
1908 - 1994

Rev. Hughes was a native of Old Fort, North Carolina. After being graduated from the Old Fort High School, he accepted work in the local tannery as Shipping Clerk. A little while later he began serving as both Leather Inspector and Shipping Clerk, and continued for four and a half years in this capacity. Mr. Hughes then secured a job with a grocery chain store enterprise. After five months training he was made manager of a store in Salisbury, North Carolina. At the end of four more years of managing such stores he decided to go into business for himself. It was while operating this business in Swannanoa, North Carolina, that the surrender came to preach the Gospel. And so, after four years as an independent grocer, Mr. Hughes sold his business and entered Mars Hill College as a ministerial student.

Brother Hughes' training consists of two years at Mars Hill College, A.B. degree from Wake Forest College, and the Th.B. degree from Southwestern Baptist Theological Seminary, Fort Worth, Texas. Before his surrender to preach, Mr. Hughes was able to serve his church in various ways. At the time of his call he was serving as Sunday School Superintendent, teacher of a men's Bible class, President of the Brotherhood, and on the deaconship.

While at Mars Hill College, Brother Hughes served as Pastor of the Bethlehem and Catawba Baptist Churches. While at Wake Forest he was Pastor of the Youngsville and Wakefield Baptist Churches. At the Seminary, he pastored a mission church of the Broadway Baptist Church, Fort Worth, Texas. Mr. Hughes accepted the call of the Oakhurst Baptist Church, Asheboro, North Carolina. He stayed there until 1976, concluding thirty years of ministry at Oakhurst.

After his retirement, he was interim pastor of Mount Carmel Baptist Church, Troy, North Carolina and the First Baptist Church of Seagrove, North Carolina. He stayed at Seagrove First Baptist for nine years. The church grew in membership and ministry. When he concluded his ministry at Seagrove, the church built a Family Life Building and named it after Rev. and Mrs. Hughes.

During the later years of his life, he supplied in many of the area churches across Randolph Baptist Association and conducted several revivals. He was always active until his health would not permit him to continue. He was faithful until the end of his life.

Rev. Hughes served his denomination and community as a member of the General Board of the Baptist State Convention, Trustee of Chowan College, Moderator of the Randolph Baptist Association, President of the Associational Pastors' Conference, Associational Sunday School Superintendent, Associational Chairman of Evangelism, President of the Asheboro Ministerial Association, and Chairman of the Bible Teaching Committee of Asheboro.

Rev. Robert L. Hughes

An era of ministry from a grocery store in Swannanoa, North Carolina, to a special pastor who touched so many lives among Randolph Baptists. Rev. Hughes was described by many of us as the "dean of pastors" in Randolph Baptist Association. That title fits well. Rev. Hughes was not only "dean" to the pastors, but his life with us was that of a model pastor to all who he ministered to.

Rev. Groce Robinson, former pastor to Rev. Hughes' parents, said of Rev. Hughes, "He was the most lovable man I had ever known. His entire ministry was dominated by love". That is what the people of Randolph County learned of Rev. Hughes during his near half a century of ministry here.

We will cherish the memories, continue to learn to love with the same love Jesus placed in Rev. Hughes' life, strive to build on the same Foundation he built on, and anticipate the reunion when we will be united once again in the presence of our Lord.

Submitted by Rev. Michael Eller, pastor of Seagrove First Baptist Church

On Thursday morning, September 8, 1994, another giant of Christianity and the pastoral ministry took his "chariot ride" into the clouds, leaving behind a "mantle" for many of the ministers of the Randolph Baptist Association to wear with the same dignity and humility. Rev. Robert L. Hughes, 86, who had served churches in the vicinity for nearly 50 years, died after several months of declining health, which had robbed him of the ability to continue what he dearly loved: offering Hope to the people from the Word of God. Without doubt, there was not enough fanfare to honor adequately the imprint he had made upon so many lives. But his ministry was not one of fanfare and show. It was one of consistent pastoral compassion which won the hearts of so many people of the community. Literally thousands can say they were touched by the life of Rev. Hughes.

He had a way of encouraging his loyal supporters to love and support new ministers, to turn to them as they had looked to him. Few ministers are able to retire and remain in the same vicinity without creating conflict or jealousy. With him, the opposite was true. Whenever possible he assisted congregations and new pastors through the inevitable awkward transitions. Many people, both laity and clergy, especially within the Randolph Baptist Association, lost a friend and a mentor at his death. But if we believe the Word of Jesus Christ which Rev. Hughes preached so carefully, he has now received the "fruit of his labors," and is at rest with the Lord.

Constitution and By-Laws Randolph Baptist Association Revised: October, 1990

ARTICLE I - NAME

Section 1. The name of this body shall be known as the Randolph Baptist Association. It may hereafter be referred to as the Association.

ARTICLE II - PURPOSE

Section 1. This Association is a self-determining Baptist body, created and sustained by the churches affiliated with her and responsible to them through their Messengers.

Section 2. The purpose of the Randolph Baptist Association is to enable member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the programs and ministries of this Association, the Baptist State Convention of North Carolina, and the Southern Baptist Convention, thereby fulfilling the Commission of Jesus Christ as stated in Matthew 28:19-20.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of cooperating Baptist churches within the area of the Association. A cooperating church shall be defined as one which sends an Annual Report to the Association, elects Messengers to attend the Associational Meetings, and contributes to the financial program of the Association.

Section 2. The Association shall be sole judge of it's membership and may receive churches, according to the Constitution and By-laws. Member churches may withdraw from the Association as they desire.

Section 3. Any church in the Association which fails to cooperate with the Association over a period of two years shall be contacted by the Credentials Committee of the Association to determine the intentions of the church regarding it's desire to remain in the Association. In the event the church does not respond to the efforts of the Credentials Committee, the church will be considered as having chosen to withdraw from the Association.

Section 4. Any church that has departed from Baptist faith and practices and has failed to abide by the provision of the Constitution and By-laws of the Association, will be contacted by the Credentials Committee. Such church upon recommendation of the Credentials Committee and a vote of the Association shall be placed on probation until the conditions prompting such actions have been corrected. Messengers from any church on probation shall not be allowed to vote in the Meetings of the Association.

Section 5. Churches desiring to affiliate with the Association shall make a written request to the Credentials Committee of the Association at least three months prior to the Fall Meeting (October),

for examination and recommendation to the Association. A church (or mission) is first received into the watch care of the Association. Upon completion of one year in watch care relationship, a church may be received into full membership of the Association by a recommendation of the Credentials Committee. There must be a vote of two-thirds majority of the messengers present at the Associational Meeting for petitioning church (or mission) to become a regularly affiliated member church of the Association.

Section 6. It is understood that each church in this Association is independent and sovereign in it's own affairs, and the Association has no authority over the churches, except in an advisory nature, and this by invitation only.

ARTICLE IV - MEETINGS

Section 1. The Associational meetings shall be composed of Messengers elected by the affiliated churches according to the plan. Each church shall be entitled to three (3) Messengers, including the pastor, and one additional Messenger for each fifty (50) members or fraction thereof, above one hundred in its resident membership, but not to exceed ten (10) such Messengers. The Director of Missions and General Officers shall be Messengers in all Associational Meetings.

Section 2. The Associational Meetings will be held as follows:

- (1) The Fall Meeting shall meet on two days, the week following the third Sunday in October.
- (2) The Winter Meeting shall meet in January. All Mission Performance Directors shall be presented by the Nominating Committee for vote by the Messengers at this meeting. In order for the Messengers to have adequate time to consider the nominees for Program Directors, the Nominating Committee will mail a copy to the Messengers two weeks before the January Meeting. They shall be Director-Elect until October 1 when their tenure of service begins.
- (3) The Spring Meeting shall meet in April. All General Officers, Committee members, and Program Council members shall be presented by the Nominating Committee for a vote by the Messengers at this April Meeting. This will give each person selected the privilege to plan and train for the upcoming year. In

- order to give Messengers adequate time to consider the nominees, a copy will be mailed to them two weeks before the Spring Meeting.
- (4) The Summer Meeting shall meet in late July or early August. The Associational Budget for the new year, beginning on October 1 and ending on September 30 of the following year, shall be presented by the Finance Committee for approval by the Messengers of the Association. In order to give the Messengers adequate time to study the budget, the Finance Committee shall mail copies to the Messengers two weeks before this Summer Meeting.

Section 3. Other meetings of the Association shall be held when called by the Moderator and/or the Director of Missions. Before calling a special meeting, a notice of at least two weeks shall be given to the Messengers, with a clear explanation as to the purpose of the meeting. No other business can be considered. A quorum of fifty (50) Messengers must be present to conduct a special meeting.

ARTICLE V - OFFICERS AND THEIR DUTIES

- (4) The trustees shall have the authority to transfer or hold title to any properties for the Association. All transactions of the elected trustees shall be authorized by the Association in it's meetings.

MINUTES - WINTER QUARTERLY MEETING
JANUARY 30, 1994
OAKWOOD PARK BAPTIST CHURCH

- Hymn " Blessed Assurance " led by Judson Rotan
- Welcome , Scripture (1 John 3:16) and Prayer by Carl Zeigler
- Call to Order by Dr. Richard Crider, Moderator
- Financial Report given by Retta Plunkett, Treasurer

It was reported that several churches have increased their giving to the Association and we are doing much better financially. The report was received as printed.

-Financial Emphasis was given by Wade Powell, Chairman of the Finance Committee. He mentioned that the fact that we are doing better makes it easier on the Committee and it is not necessary to cut programs. Jesus tells us in John to "Feed My Sheep." It is our responsibility to hear that they hear the Word and finances are needed for that.

A motion was made from the Finance Committee to buy a new Laserjet 4 Printer from Elliotts in Asheboro for \$1589.00 plus tax which we will get back from the State later this year. This motion was carried.

-The Nominating Committee report was presented by A. Judson Rotan in the absence of Jimmy Honeycutt, Chairman. The Organizational Leaders were presented for approval for the year 1994-95. The motion to receive these leaders was approved.

-The Counseling Center report was submitted by Ron Chaney. He reported that a lease was signed January 28 for offices on White Oak Street. It needs to be painted and plans for volunteers to do that are being made on February 5. The opening date for the Center is probably going to be February 15. The following items are needed:

3 Desks and Desk Chairs

Comfortable Chairs for Clients

A Love Seat and Chairs for a Waiting Area

A Typewriter and/or Computer

Copier

Answering Machine

Prayer Requests:

Above mentioned needs

Continued unity of spirit

The Committee will be checking daily on messages on the answering machine. Members of this Committee are open to speak at churches. After they have spoken, churches are being encouraged to take up a love offering for the Center. Legal guidelines are being looked into and will be handled when the Center opens.

-Special Committee report was given by Reginald Dawkins.

Due to the studies by the Strategy Planning and Feasibility Committee, it has been noted that a clearer understanding of the functions, ministries, services and direction of the Randolph Baptist Association is needed. The Special Committee is preparing teams within the committee to visit the churches upon their request, and seek to clarify the association as a Resource and Training Center. As soon as these teams are ready

JANUARY MINUTES - PAGE 2

pastors and all Key Leadership of the churches will be notified by the Associational Office.

A motion was made by the Special Committee that a Resource and Training Center Fund be established for voluntary gifts. This motion was passed.

-The Personnel Committee recommendation was made by George Byrum (additional explanation by Judson Rotan) that Mrs. Retta Plunkett be employed as the Administrative Assistant for 30 hours per week at \$8.00 per hour. A resume and job description are available. This motion was carried.

-The Missions Development Council report was made by Bobby Blanton. A recommendation was made to employ Mrs. Andi Wilson as Church and Community Ministries Director for 20 hours per week. This will not come out of our regular operating budget, but will come from our MAP account with additional funds from the Baptist State Convention. This motion was carried.

-Steve Davenport gave an update on the Spanish Mission. The Mission celebrated it's first anniversary on the first Saturday in January. They started with 12 people attending and ended the first year with an attendance of 53. Approximately 150 people have been reached this year and there have been 13 professions of faith. Several activities are being planned for this year and a bigger building is a possibility. ESL classes are meeting and hopefully a Spanish pastor will be able to be employed by late summer. Eleven churches are giving on a monthly basis, but more money is needed. Blankets, linens, furniture, and household supplies are always needed.

-Dr. Crider made a motion that we receive and reports that were made by committees that we did not vote on previously and this motion carried.

-Dr. Crider read a statement saying that due to the fact that our Constitution states that an officer can only hold one position, Mrs. Retta Plunkett has resigned as WMU Director, effective immediately, and Mrs. Barbara Dawkins is taking this on an interim basis.

-Mrs. Andi Wilson was introduced and gave a word of testimony. Originally she felt that she was called into Foreign Missions service and feels that this CCM position is a step closer to this calling. She spoke about how we often get involved in the mechanics of our Christian life and lose our focus or "first love." She asks for our prayers and wants us all to work together.

-Dr. Crider closed with prayer.

**SPRING QUARTERLY MEETING
APRIL 18, 1994
MAPLE SPRINGS BAPTIST CHURCH**

Call to Order by Dr. Richard Crider, Moderator
Hymn "Love Divine All Love's Excelling" led by A. Judson Rotan
Welcome by Rev. Roger Carlson, Pastor of Maple Springs
Devotion "Biblical Basis for Sharing God's Love" by Lynn Holcomb, Pastor of Glenola.

There are many texts in the Bible about sharing love. One of these is found in Philippians 2:5 where it is shown that Christ gave us an example to follow in His steps. By having the same mind as Him we can also share love. God's love is self sacrificing for me. We must expel pride from our hearts because we must be humble to be like Christ. We must return good for evil to be like Him. The Holy Spirit is the glorifier of Christ. Luke 11:13 talks about prayer. We need to not pray lukewarm prayers but earnest supplications. Likeness to Christ motivates us to share His love.
Financial Report given by Mrs. Retta Plunkett, Treasurer. This was received as printed.

Sunday School Report was given by Judson Rotan. The four major aspects of Sunday School are Bible Study, Outreach, Evangelism, and Ministries. Today's Sunday Schools are alive across our land. This past year our 43 churches had an enrollment of 76,181 with an average attendance of 4100 or 65%. About 10% of the people in our Sunday Schools do not know Christ. VBS is reaching more than any other organization in our churches. We had one associational VBS Clinic last Thursday night, April 14, and another one will be held May 12 at Liberty First.

Discipleship Training Report was given by Rev. Ron Hester. There are lots of options available in DT. An Associational Team is being put together to go out to your church or to help on an individual level. May 9-11 Gene Lackey will be in our association to share with churches about how to start DT. Six churches have already signed up and more are encouraged to do so soon.

WMU Report was given by Mrs. Barbara Dawkins. There are three upcoming events. On April 25 the WMU Annual Meeting will be held at Ramseur First with Debbie and Dennis Connell to speak. The Camp Mundo Vista Workday is still scheduled for April 30 and all are welcome to come and help out. May 21 is the Camp Mundo Vista 25th Anniversary Celebration. This is scheduled to begin at 10 AM with a Barbecue Lunch. Tickets are needed for this lunch and can be purchased by calling the State Office by May 1.

Brotherhood Report was given by Bobby Poole. The RA Racer event went very well. An Associational Track Meet is being planned for April 30 at SAMS. The State Track Meet will be held at Southwest Middle School May 13-14. An RA Campout is also being planned.

Evangelism Report was given by Mark Sink. The emphasis now is being put on preparation for Here's Hope Revivals which are scheduled for April of 1995. On April 26 at Church Steering Committee Training will be held for 6 representatives from each church. This is will be held at 7PM at Asheboro First. Prayer is needed as we all prepare for these revivals.

The Organizational Reports were approved as presented.

Life Way Counseling Center Report was given by Rev. Ron Chaney. A balance of \$268.49 is in the bank today. Prayer and behavioral

response is necessary to bring up this balance. Perhaps churches could take another love offering for this. The original agreement is being redone to make things perfectly legal. In this agreement the center in Burlington is renting our facilities and paying 20% of our expenses per day. About \$350.00 will be sent to us to reimburse us for the expenses used so far. A basic fee is being set up, but no one will be turned away, no matter how much can or can not be paid. Complete confidentiality is guaranteed. End tables, smaller display tables for literature, a tape player, and a small filing cabinet are still needed.

The Special Committee Report was presented by Dr. Reginald Dawkins. At the last Quarterly Meeting, a recommendation was approved to begin a Resource and Training Center Fund. People are being trained to assist in communication to the churches on what the Randolph Baptist Association is and does. All communications from the churches to this committee are hopefully to be completed and presented at our Annual Meeting in the Fall.

The Communications Committee was given by Rev. Roger Carlson. This committee looks at the newsletter, bulletin inserts, and Associational Emphasis Week (May 16-22) and how to promote it. 14 churches have selected representatives and all the other churches are encouraged to do this also, preferably not a pastor or staff person. This keeps the lines of communication open between the churches and the Associational Office.

The History Committee Report was given by Judson Rotan. Our Association will be 60 years old on October 25, 1994. An anniversary celebration is being planned for Monday, October 17 at Asheboro First. We hope to relive our history at this event in spoken word, music, and drama. Plans are being made for an associational choir of 75, a historical book with histories from all the churches and their pictures, and a challenge for the future. All churches are being encouraged to have their history to the Associational Office by May 31.

All Committee Reports were approved as presented.

Mark Hall presented the Hope for Hurting Humanity Emphasis in Andi's absence. God is here and we are his hands and heart. The parable in Luke 10:25-37 is an old story with a present ring to it. Our Hope is Jesus Christ. He has instructed us to go out and minister to others and that includes their physical needs. Social ministries began in the church and are in many ways returning there. June 19-July 31 are the target dates for this project. A packet from the Home Mission Board is available upon request with project descriptions. May 16 is a training time at Balfour and will be from 7-8:30 PM.

Dr. Crider made some announcements. Andi is at a CCM Directors conference in Charlotte this week. A check has been received from the Baptist State Convention for \$750.00 to go to the CUOC from the Hunger Fund.

Mark Sink made a motion that we take up a love offering for the Spanish Mission and this was seconded. An offering of \$184.20 was received.

Judson recognized our newest Pastor, Rev. Kenneth McNeill from Franklinville First.
Rev. Richard Fisher closed in prayer.

**RANDOLPH BAPTIST ASSOCIATION
SUMMER QUARTERLY MEETING
AUGUST 22, 1994
RIVERSIDE BAPTIST CHURCH**

Call to Order by Dr. Richard Crider, Moderator
Welcome by Rev. Bill Clapp, Pastor of Riverside
Hymn "Rejoice Ye Pure In Heart" led by David Thomas, Asheboro First
Devotion by Rev. Terry Hinson, Pastor of Sandy Creek. The topic was "When is Little Enough" and the scripture passage used was John 6:1-6. There was found in this passage a tremendous need and a tremendous knowledge. If we could unite the need and our knowledge, we could do tremendous things in our communities. Jesus can provide the same miracle today as He does in this passage. The solution then and now is someone willing to give his all. God can take our all and bless it. Little is enough when it is all that we have, if we give it to Jesus, He blesses it, and we distribute it among the people.

Recognition was made by Dr. Crider of Judson Rotan's recent award at Ridgecrest. This award was given by the Home Mission Board for "Significant Contribution in a Town and Country Association". Judson stated that he accepted this award with much appreciation for the help of the association and that it was made possible by being allowed to work within Randolph for these last 17 years.

The Treasurer's Report was given by Mrs. Retta Plunkett and was approved as stated in the written report for the second quarter of 1994 (April - June).

The History Committee report was given by Judson Rotan. The plans for the 60th anniversary celebration on October 17 at Asheboro First are in progress. A few churches still need to get their histories in. The book of church and associational histories will be sent to the printer soon and will sell for \$8.00 or \$10.00. If anyone has any pictures of any activities in the association over the last 60 years, they are encouraged to submit them for publication in this book.

Presentation of the 1994-95 Budget was made by Mr. Wade Powell, Chairman of the Budget/Finance Committee. Wade thanked the association for the opportunity to serve on the Finance Committee these last three years. We are \$4,953.00 over our budget for June 30 last year. Our missions budget comes through MAP. 4 1/2 % is

the suggested amount for each church to give of their undesignated offerings. The major changes in the proposed budget this year is of putting Life Way Counseling Center in the budget and giving the staff a 5% salary increase. All requests from organizations were considered and any necessary cuts were made with prayer. This motion was approved.

A motion to purchase a new Computer System for the associational office was also approved. This will be an upgrade to a 486 DX and will cost between \$1500.00 and \$1800.00. The funds from this will come from the Cash Investment Account and the over budget receipts each month.

The Nominating Committee report was given by Rev. Jim Honeycutt. There are still some vacancies on committees and councils and volunteers are welcomed. This motion carried.

The Calendar of Activities was presented by Judson for approval.

The Sunday School report was given by Judson. An organizational leadership study will be held October 3 and 4 at Asheboro First from 6:30 - 9:00 P.M. This book study will be for all organizations and will be taught by the ASSIST Team. There will be conferences for all age levels, as well as a conference for pastors taught by Judson, and one for general officers taught by a state staff person. These books are in the "Today's" series.

There was no Discipleship Training report at this time.

The WMU report was given by Mrs. Barbara Dawkins. Appreciation was given to Judson for his continued support of WMU. The entire WMU Council attended the state training at Caraway in July, as well as Judson and Andi. Upcoming events that were mentioned were the Annual Fall Training on September 26 at Oakhurst and the Baptist Women's World Day of Prayer at Victory on November 7.

The Brotherhood report was given by Mr. Bobby Poole. A Region 5 meeting is held once a quarter. Our associational Disaster Recovery Unit is on the job in South Carolina with Ron Hester and Dale Morgan. A lot of support has been given by individuals and churches for the Disaster Recovery Unit. A Baptist Men's Manual and video is now available for use for programs with different things being targeted each time. High School Baptist Young Men in grades 7-12 will be called "Challengers" later in 1994.

Missions Development report was given by Dr. Bobby Blanton. The missions portion of our New York partnership through our association is now completed with several teams going back to Long Island this summer. The evangelism portion of this partnership will take place in May as a team will go to Long Island to help with their Here's Hope revivals. MAP is very vital to our association and is our missions lifeline. This account is our way of supporting CCM, the Spanish Mission, Disaster Recovery, etc.

The Evangelism report was given by Rev. Mark Sink. Mark will be leaving our association in September and going to Thomasville. He expressed joy and appreciation in serving in our association and evangelism. He expressed a desire for us to look to the future and our Here's Hope revivals.

A hymn "At the Cross" was led by Mr. David Thomas.

David gave our message in music entitled "The Way of the Cross Leads Home."

Andi gave the CCM report by emphasizing the need for volunteers for the Fall Festival booth and the Needs Assessment. Several other upcoming events were mentioned as well as a recap of some of the recent events in our association.

The Hope for Hurting Humanity emphasis began by testimonies of three ladies whose churches had special HHH projects this summer. These ladies were Lois Groce of Franklinville First, Ann Brower of Oakhurst, and Sandra Curry of Victory. The overall thing that was discovered was that the ones doing the ministering were blessed as much as the recipients.

Boyd Ammerman presented the song "Let Your Heart Be Broken."

A slide presentation was given of the projects done in our association to the song "Seek Ye First".

Andi gave a challenge saying that HHH was a special emphasis for a special time, but that it is hoped that we can continue to do HHH projects on a regular basis. There is still hope in Jesus and we will receive great blessings because He blesses our efforts.

A placque of appreciation was given to Dr. Richard Crider for his two years of service as our Moderator.

A placque of appreciation was also given to Dr. Dan Wood from the staff of the RBA for his years of faithful service as our computer consultant.

Dr. Crider presented the gavel to our new moderator Rev. Richard Fisher. Rev. Fisher called on Rev. Kenneth Tucker to close in prayer.

**MINUTES OF ANNUAL MEETING
TUESDAY, OCTOBER 18, 1994
FIRST BAPTIST CHURCH, FRANKLINVILLE**

Call to Order by the Moderator, Rev. Richard Fisher, Pastor of Center Cross Baptist Church

Hymn "To Worship, Work, and Witness" led by Boyd Ammerman, Minister of Music, Cross Road Baptist Church

Welcome, Scripture, and Prayer led by Rev. Kenneth McNeill, Pastor, First Baptist Church, Franklinville. The Scripture passage read was Philippians 3:10-14.

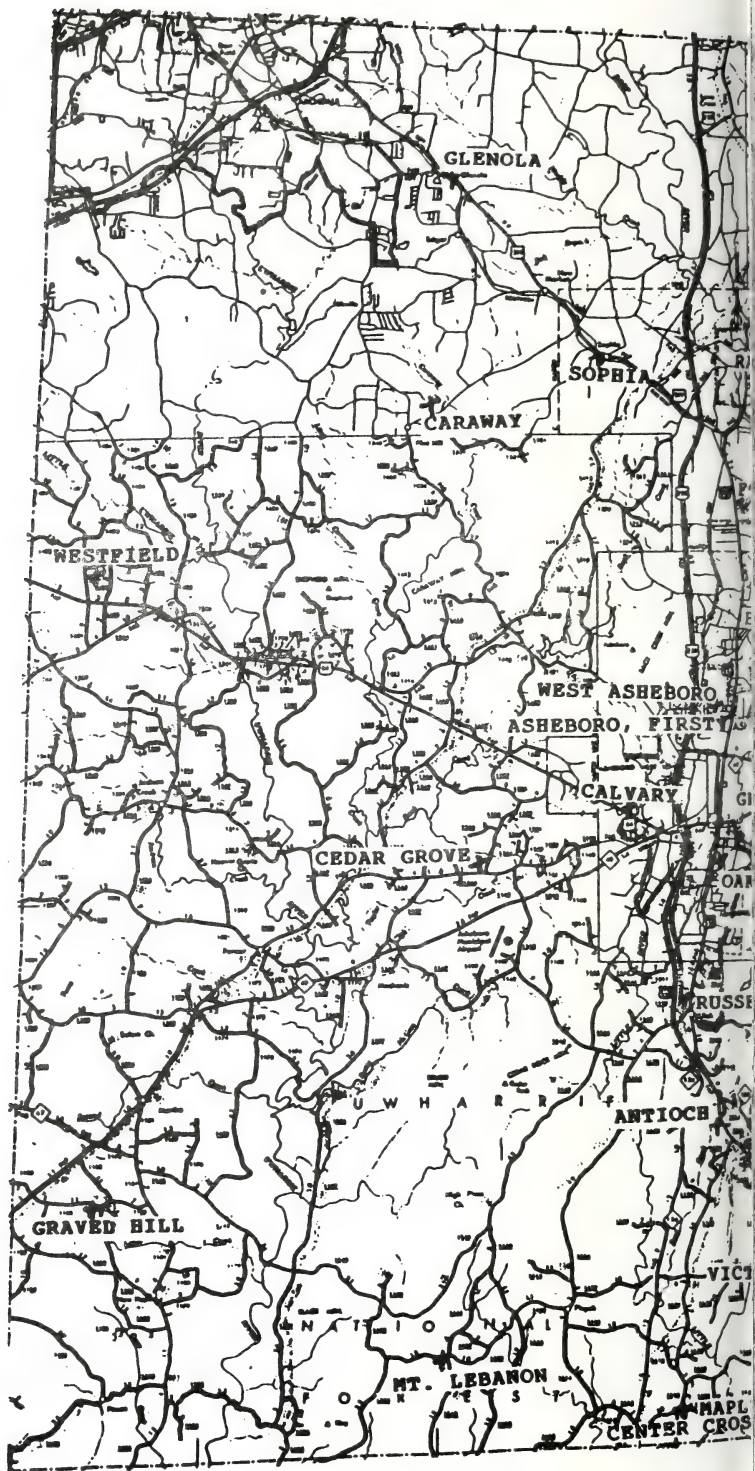

A motion was made and approved to constitute the sixtieth annual session of the Randolph Baptist Association by Mrs. Retta Plunkett, Clerk.

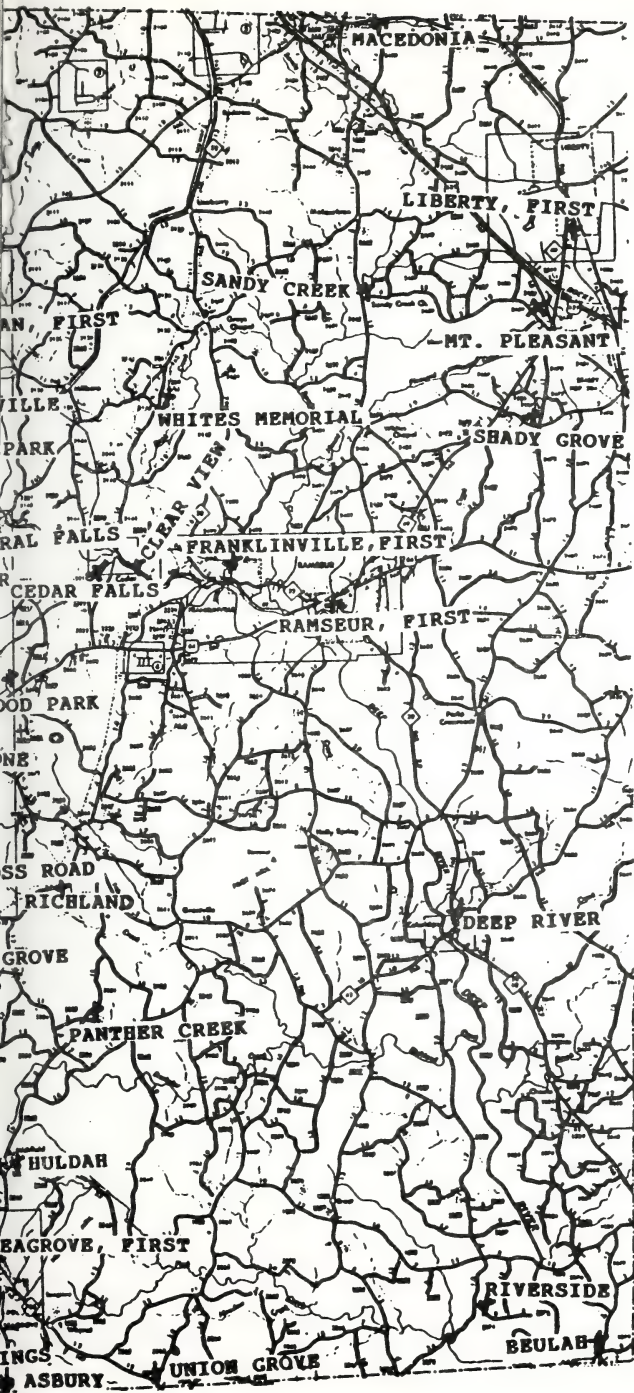

The Associational Meetings report was made by Rev. Kenneth Tucker to accept the printed order on pages 1 and 26. This was approved as presented.

New Pastors and Staff were recognized by Rev. Judson Rotan, Director of Missions.

The Treasurer's Report was presented as printed on 21-25 in the Book of Reports by Mrs. Retta Plunkett, Treasurer. This was approved as presented.

The Budget Emphasis was given by Mrs. Beulah Tote, Chairperson of the Finance Committee. Our finances are looking much better this

year. Our churches are moving forward so our association should do the same. We need our churches to give 4 1/2 % of their undesignated offerings to the association. The Associational Building is in bad need of renovation. Volunteers are in the process of doing this, but more volunteers and finances are needed for this. A love offering was taken and the amount received was \$257.50.

A motion was made to dedicate the Annual Minutes for this year to Rev. R. L. Hughes because of his support and contribution for many years to our association. This motion passed.

The Clerk's Report was given by Mrs. Retta Plunkett and approved. The History Committee report was given by Mr. Wally Jarrell. He mentioned the 60th anniversary that was celebrated on October 17, 1994 and thanked everyone for their support. The History books are not in yet, but order forms are being circulated and the cost is \$7.00 each. This report was approved.

The Special Committee report was given by Dr. Reginald Dawkins, chairman. This report is printed on page 8 of the Book of Reports and was approved as presented. A committee for fund raising will be appointed by the Moderator in the near future.

Hymn "To the Work" was lead by Boyd Ammerman.

What is God doing through us now? Judson Rotan spoke about our past, our present, and our future. As we learn about experiencing God, we learn to trust Him to show us the doors of opportunity and open them for us. We have caught the vision and walked through these open doors recently.

Ron Chaney spoke on Life Way Counseling Center. Life Way opened it's doors on February 15, 1994 and 322 sessions have been completed from then until September 16, 1994. This report is on pages 14-19 in the Book of Reports.

Bonnie Davenport spoke on the Spanish Mission and that report is on pages 12-13. The Spanish Mission continues to grow and has moved to it's new location in the Activities Building of Balfour Baptist Church. Plans for 1995 include beginning Sunday School, WMU, and hopefully, securing a Spanish pastor. Regular gifts are received from 16 churches with special gifts received from other churches, individuals, mission groups, etc.

Andi Wilson spoke on our Church and Community Ministries program. She started the job on February 1 and has been busy with new avenues of ministry. Nine churches participated in Hope for Hurting Humanity. A mission group came from Oklahoma that included 10 youth and 8 adults. They worked with a Backyard Bible Club at Coleridge Apartments and 15 professions of faith were made. The Home Mission Board and the Baptist State Convention each gave \$750.00 to the Christians United Outreach Center for food. A Community Needs Assessment was recently held with 16 volunteers interviewing people at 20 agencies. An updated Mission Action Guide will be the product of these interviews. A Fall Festival Booth was manned by 40 volunteers giving cups of cold water to individuals. One thousand cups of water were distributed. An ESL teacher training is hopefully going to be held in April of 1995. Disaster Recovery was spotlighted by Dale Morgan, the coordinator.

Cedar Grove Baptist Church gave money for the trailer and other money has come in to help with the tools and supplies needed to equip this trailer. This Unit is to be used not only for Disaster Recovery, but also for individual church projects. We need to get more people involved, including women.

Nelson Rowland gave a report on the New York Partnership. There is a financial upheaval in New York with leadership leaving, and hurting people there. Mission groups worked with VBS, Backyard Bible Clubs, and did work on the Long Island Baptist Associational Building. Electricians are still needed to finish up there. In May we hope to go Long Island with a team of at least 30 people to work with 10 of the churches there in the Here's Hope Revivals.

The first Volunteers in Missions Award was given to Nelson Rowland in honor of his years of missions involvement.

Boyd Ammerman led in the Hymn "Share His Love".

Boyd sang the solo "Jesus Saves".

Ron Hester gave the Scripture from Zechariah 4 and then led in prayer, and gave the Annual Sermon. God simply expects our obedience. He doesn't expect the supernatural from us, but for us to simply be yielded to Him. We are to be the pipeline through which God's message is to flow. We often allow things in our lives to hinder that flow and dim the spiritual light. God is not looking for superstars, but surrendered servants.

Kenneth McNeill gave our benediction.

HISTORY OF FIRST BAPTIST CHURCH FRANKLINVILLE, NORTH CAROLINA

The First Baptist Church of Franklinville was organized in October of 1887. Rev. J. B. Richardson was elected as moderator. Most of the members came from the Columbia Baptist Church of Ramseur.

The new church grew because of the faithful work of Pastor Rev. J. F. Moore. Rev. Moore began preaching in the town wherever he could secure a place for the congregation. There was considerable opposition to a new church in town. When they could find no place of worship, a determined band decided to build a place of worship. During the building time, they worshipped in the incomplete building.

The name selected for the first building was Moore's Chapel, built in 1887, honoring Rev. Moore. At this time, a membership of 25 was reached. After the work of other pastors, membership increased to 37 in 1893.

The church was united with the Piedmont Association in 1895. Under the leadership of Rev. Fred N. Day, a genuine revival came to the church and many souls were added. Sunday School rooms were built and growth continued.

In 1919, a new auditorium was built and the name of the church was changed to Franklinville Baptist Church.

In 1934, a meeting for organizing the Randolph Baptist Association was held and Franklinville Baptist, along with other neighboring churches, united, forming the association.

Joe Dan Hackney, an outstanding citizen of the town and member of the church, was very influential in the growth of the church. Mr. Hackney would appear down on the river bank where card playing and gambling were in progress, and witness to those involved.

Rev. Dan T. Hurley was ordained by this church. Rev. Hurley attended Campbell College, Wake Forest, and Southwestern Seminary. He went on to Bucharest, Romania, where after many years of labor he died.

Rev. W. A. Elam, who had served the church twice before he accepted the call, became full-time pastor in 1944. Under his leadership, the church adopted a five-point five-year program which focused on spiritual, numerical, and financial growth. In 1951, the first unit of the educational building was built, then a second unit in 1954, and a third in 1959.

In 1964, Rev. M. A. Pegram was called as pastor. During the years he served, a new parsonage and sanctuary were built. Rev. Dan Wood was called as pastor in 1981. Rev. Kenneth McNeill was called as pastor in 1994 and is presently serving.

First Baptist Church of Franklinville remains a strong Southern Baptist Church with deep roots and a growing desire to impact her local community with the gospel of Jesus Christ.

**MINUTES OF ANNUAL MEETING
WEDNESDAY, OCTOBER 19, 1994
FIRST BAPTIST CHURCH, RAMSEUR**

Call to Order by the Moderator, Rev. Richard Fisher, Pastor of Center Cross Baptist church

Hymn "Stand Up, Stand Up for Jesus" led by David Thomas, Minister of Music, First Baptist Church, Asheboro

Welcome, Scripture and Prayer led by Rev. Justus McKeel, Pastor, First Baptist Church, Ramseur. The Scripture passage read was Ephesians 1:18-23.

The Sunday School Report was given by Judson Rotan, Interim Director. Four churches were recognized with Standard Sunday Schools. These were Clear View, Franklinville First, Riverside,

and Mt Pleasant. Ramseur First was recognized as Advanced. Appreciation was extended to Andi Wilson for her work with VBS. Ron Hester gave the Discipleship Training Report and input was asked for from all as to what kind of help is needed with Discipleship Training.

The WMU Report was given by Barbara Dawkins. Marie Hazelwood was recently chosen as an Acteens Advisory Panelist for NC. She attends Victory Baptist and is one of seven girls on this panel. The Camp Mundo Vista Campaign is still going and churches and individuals are encouraged to pledge and give to this.

The Brotherhood Report was given by Bobby Poole. A Brotherhood Workshop will be held on November 15 at Balfour from 7-9 P.M. and RA Leaders, Baptist Men Presidents, and Brotherhood Directors are all encouraged to attend.

Mike Eller gave the Missions Development Report. Encouragement was given to continue to support our MAP Account as some lives may be touched through that that may never be touched in any other way. \$15,000 is needed this year from churches and individuals and all of us need to work together in this respect.

Kenneth Tucker gave the Family Life Report. October 25 is the date set aside for the Senior Adult Rally. The Senior Adults have a new leader, Donnie McNeill, and information on planning and promotion of Single Adult events has been sent out to churches.

The Disaster Recovery Report was given by Ron Hester. A card is available to complete giving information so that those wishing to participate can be contacted when necessary. Caps are available for \$7.00 and shirts are available for \$6.00.

John Rogers gave the Christian Education Report. Four of our Baptist Colleges were mentioned and he is presently serving on the Board at Chowan.

Johnny Ross from the Baptist State Convention gave the Listening Team Report. Congratulations were extended on our 60th Annual Meeting and Celebration. The Listening Team consisted of 8 people from the Baptist State Convention and is the result of the redirection of work by the General Board. This is a joint partnership with the Baptist State Convention and the Randolph Baptist Association. Twenty seven pastors were interviewed, a luncheon for Staff was held where all but two attended, and 51 people attended the area listening sessions, representing 18 churches. A report was given to the Associational Council with all but one person in attendance. The report was compiled and given to the Baptist State Convention, finalized and given to the Associational Staff on October 6. Five of the eight on the Team were able to attend the Annual Meeting and have seven of the eight have now become the work team. Jeremiah 29:11 was read.

Hymn "My Faith Looks Up to Thee" was led.

Memorials were read by Kenneth Reaves and the prayer was led by John Mangum.

Special Music was given by David Thomas as a solo entitled "I Need Thee Every Hour".

The Baptist Hospital Report was given by Jerold Smith.

The Baptist Retirement Report was given by Calvin Knight.

The Baptist Children's Homes Report was given by Lynn Garner. Kenneth Tucker gave the Associational Meetings Report. The emphasis will be on evangelism in the coming year. The motion was approved to accept the report as stated in the Book of Reports. Roger Carlson gave the Communications Committee Report. All churches are encouraged to send in a lay person's name as a Communications Representative. This helps in both the sending and receiving of information from our churches. The motion to receive this report carried. The Properties Committee Report was given by Judson Rotan. This report is on page 34 of the Book of Reports and was approved as printed. The Stewardship Report was given by Roger Carlson. Stewardship is often thought of in terms of finances, but also includes our time and talents. Mike Eller gave the rest of the Christian Education Report and talked about Gardner Webb Divinity School. Judson Rotan Gave the DOM Report. Understanding the local church is the key to the association. We are here to assist the churches and we all need to make commitments as servants. Hymn "The Solid Rock" was sung. Judson Rotan spoke about our upcoming Here's Hope Revivals, John Mangum talked about enlistment, and Judson led in a prayer time about these revivals. David Thomas gave a solo entitled "The Lily of the Valley". Jack Glasglow, pastor of Zebulon Baptist Church and Second Vice President of the Baptist State Convention, gave the message on evangelism. Romans 1:15 was the passage used. These revivals will only be a blessing if we are sincere and give it our all. Otherwise they will be "all style and no substance" and will do more harm than good. We need to focus on substance in winning others to Christ and we need to focus on children and youth. Is Jesus the #1 priority in my life? My experiences with Jesus need to be shared. Justus McKeel gave instructions for lunch and Kenneth Reaves closed in prayer.

**HISTORY OF FIRST BAPTIST CHURCH (145)
RAMSEUR, NORTH CAROLINA**

According to earlier accounts of the history of Ramseur, the church was organized in 1850 by William C. Patterson, who served as pastor until 1853 and again in 1855. Services were first held in a brush arbor. The oldest known church house dates back to around 1855. The church records show that a building was started under the leadership of the Reverend Mr. Patterson during his second pastorate. He died before it was completed.

The church was at first interdenominational. It then joined the fellowship with the Missionary Baptists and became known as the Missionary Baptist Church of Columbia when the town was named Columbia Factory. The church functioned under that name until the name of the town was changed to Ramseur in 1889. The church's name was Ramseur Baptist Church until 1969, when it was changed to First Baptist Church of Ramseur.

The earliest known membership totaled 66. For many years, these members met to worship in a frame building located beside the present Christian Church on Church Street. The old frame building was sold in 1894, and the first section of the present brick building was constructed shortly thereafter.

In 1851, the church drew up a petition for admittance into the Sandy Creek Baptist Association. The church remained a member of this historic association until 1895 when it joined the Piedmont Association. In 1934, the churches of Randolph County organized the Randolph Baptist Association and the Ramseur Church joined along with 20 other churches.

The present congregation is still active in programs of study, missions, and evangelism, seeking to advance God's Kingdom on earth.

LIFE WAY COUNSELING CENTER

Life Way Counseling Center opened it's doors and our hearts to the hurting people of Randolph County on February 15, 1994. Larry C. Willett, Ph.D. (Counseling) started on February 15. Kathryn Kirkpatrick, Psy.D. started on February 21. Carson Sarvis, M.Ed.

started on July 19. Life Way is presently open on Monday, Tuesday, and Thursday for appointments.

The agreement between Randolph Baptist Association and Life Way of Graham on the sharing of expenses had to be revised because of some legal requirements. The new agreement is that Life Way of Graham will pay 20% of the expenses of Life Way of Asheboro per day. A day consists of 6 clients. Life Way of Graham is now paying 60% of the expenses for Life Way of Asheboro as well as all of the Call Forwarding expenses on the telephone bills.

We are very pleased with our agreement and commitment with Life Way of Graham. One option that we considered would have cost the Randolph Baptist Association \$8,000.00 for 1 day per week for 52 weeks. That would be costing us now \$24,000.00 since Life Way is now operating 3 days!

There have been 322 sessions completed at Life Way from February 15 - September 16, 1994. Praise our Lord for such results! Our records will reflect more information (see attached sheet) in the future reports. Also included is a copy of our brochure.

Life Way Counseling Center has been blessed to have Kathy Hunt volunteer her services since April 1994. She has been faithful to work every Monday, Tuesday, and Thursday, except for days that she had to take Chemotherapy treatments or that she was not feeling well as a result of the treatments, which have been rare. She has worked regularly and at the hours any paid employee would have, and she has developed a wonderful relationship with the counselors. They admire Kathy very much and feel badly when she cannot be there. Kathy has done everything from answering the phone, greeting clients, typing, filing, and all other office procedures necessary, including vacuuming the office occasionally.

Kathy is a strong Christian and wants to do God's will. She feels that one way to do that is to help others. She is also a CONTACT volunteer and helps in her church activities. She is always looking for a way to reach out to others. She is starting a support group now for people who have cancer. Kathy radiates the love of Jesus and everyone who meets her notices that.

Any individual or church that has a copy machine that Life Way may use or have, please contact our Associational Office or contact Ron Chaney at 910-857-2849.

Please feel free to call Life Way Counseling Center at 625-5900 for appointments.

Pastors, please use this great resource for your people. Our counselors are dedicated professionals who seek God's direction for each session.

CHRISTIAN LIFE COUNCIL REPORT

The Southern Baptist Convention has given to the Christian Life Commission the task of helping Southern Baptists apply Christian principles to every area of life. The Commission engages in a number of programs that deal with family life, race relations, citizenship, world hunger, peace and justice, environment, and special moral concerns. The CLC produces a wide range of helpful educational materials for Southern Baptists including Light, a periodical that deals with moral concerns.

In 1994, our council, associational churches, and other churches in our community led the way in addressing and opposing alcohol sales in the City of Asheboro. As a result, an alcohol sales referendum was defeated and Asheboro remains the largest city in North Carolina without alcohol sales. We thank you for your continued commitment to applied Christianity.

CHURCH AND COMMUNITY MINISTRIES

This has been an exciting year in CCM work. I am blessed to be working with Randolph Baptists. It is exciting to see our churches reaching out in a variety of ways to meet the needs of their community.

We had several big events during the summer and early fall in which many of our churches participated.

HOPE FOR HURTING HUMANITY

Hope for Hurting Humanity was a simultaneous effort among all Southern Baptists to involve churches/individuals in ministry/witness projects. These projects were to be designed so as to reach the people in the community around a particular church. Churches were encouraged to conduct these projects during the six week period - June 19-July 31.

The following churches conducted a Hope for Hurting Humanity project(s):

Asheboro First	Mt Pleasant
Balfour	Oakhurst
Cross Road	Seagrove First
Franklinville First	Victory

Liberty First

At our Quarterly Meeting in August, we had a Hope for Hurting Humanity Celebration in which we heard testimonies from 3 churches who conducted projects, saw a slide show of various projects, and had a display table featuring pictures and examples of the projects churches conducted. The challenge is for each church to continue to meet the needs of Hurting Humanity by offering Hope in the Name of Jesus!!!

FANTASTIC FRAZIER FLING

On Saturday, September 24, we sponsored an Association-wide Youth Rally at Frazier Park. Even though it rained and we had to meet in the auditorium of Loflin Elementary School, a tremendous program was presented: clowning, group singing, drama, mime, special music by Endurance, and our guest speaker Rev. Hank Williams!!! Our purpose was to encourage youth from our churches to come and bring their friends. A great crowd of approximately 150 attended and the Lord really blessed (despite the rain and having to move indoors!). Three youth made a profession of faith and several others rededicated their lives to Christ!

COMMUNITY NEEDS ASSESSMENT

On Tuesday, September 27, 16 volunteers from our churches came together to conduct a Community Needs Assessment. We interviewed 20 agencies in our community which provide a service to people. We learned about the many needs people have, as well as ways in which Randolph Baptists can minister along-side these agencies. The information we gathered will be presented in the new Mission Action Resource Guide which, when completed, will be available to all churches and/or individuals.

FALL FESTIVAL BOOTH

On Saturday and Sunday, October 1-2, the Randolph Baptist Association had a booth at the annual Fall Festival. Our booth was located on N. Fayetteville St., between Salisbury and Sunset. We provided a place for festival goers to sit down and rest and get a cup of cold, refreshing water!!! We gave out almost 1000 cups of water! Approximately 35 volunteers from several of our churches helped to staff the booth. These volunteers were very friendly and helpful to those who accessed our booth. This was a great ministry opportunity for each volunteer and provided a positive witness on behalf of the Lord Jesus Christ and Randolph Baptists to those who attended the festival!!!

Mrs. Andi Wilson, Church and Community Ministries Director

DISASTER RECOVERY UNIT

Thanks to you the Disaster Recovery Unit is now in the final stages of preparation, but is already in use, meeting the needs of people

affected by the tornadoes in Lexington, S.C. Seven people from the association left on August 21 where they worked for four days removing trees and other debris so that the people can begin repairs and rebuilding of their homes and lives.

Originally scheduled to go to Albany, Georgia, to assist with flood recovery efforts, we were asked to change at the last minute and go to Lexington. The team joined with others from Region Five (Rowan, Liberty, Central, Piedmont, Pilot Mountain, Dan Valley, and Randolph associations) to form the largest group of recovery workers there.

There was work done on properties of at least twelve individual homes plus a Mobile Home park. The work involved removing trees from homes and property, clearing debris from the lawns, putting plastic on roofs of damaged homes, making temporary repairs on mobile homes, roofing at least one home, etc.

The work was coordinated by the South Carolina Baptist Convention and the Lexington Baptist Association. The team was housed at Northside Baptist Church of West Columbia, and was fed by the Lexington Baptist Church.

This work has given us the opportunity to better evaluate our needs in tools and personnel. We can use people of all walks of life. People with health problems, but are able to do things such as rake yards, move wheelbarrows with light loads, and move small limbs can be extremely useful. We had several women who were extremely useful. We learned that not everyone needs to be able to run chainsaws, or use axes. Volunteers can establish their own pace and rest as needed. So plan to volunteer on the next call and be a part of ministering first-hand to people in need for the reward of a lifetime.

We want to thank every individual and church that has given to this ministry. Two individuals have given of their time and expertise without charge. Louis Brady did the logo and Nelson Rowland has done the interior cabinet and storage bins.

Mr. Dale Morgan, Disaster Recovery Coordinator
Rev. Ronald Hester

DISCIPLESHIP TRAINING REPORT

To borrow an idea from an advertisement for a popular brand of automobiles, today's Discipleship Training is not your parents' BYPU, BTU, or Church Training. With the development of the LIFE Courses, major changes have taken place. Available today are the regular curriculum materials, if you choose that route. If you feel something else is needed, there are numerous options available through the Lay Institute For Equipping (LIFE).

If your need is gaining a better understanding of the Bible, the STEP BY STEP THROUGH THE OLD TESTAMENT (NEW TESTAMENT) books may answer your problem. If your need is in more intense discipleship development, you may want to explore MASTERLIFE, DISCIPLE'S PRAYER LIFE, or EXPERIENCING GOD. If you need help in strengthening the family, you might try PARENTING BY GRACE or COVENANT MARRIAGE. To get a better handle on the hurts of the past which plague so many people, you might explore UNTANGLING RELATIONSHIPS, CONQUERING CODEPENDENCY, CONQUERING CHEMICAL DEPENDENCY, SHELTER FROM THE STORM, etc. FIRST PLACE presents biblical insights and nutritional information to help establish physical health and fitness. The list of options is almost endless.

The DiscipleLife Strategy offers a six year plan for discipling youth. TEAM KID provides a new concept in discipling children. It is not just a Sunday evening program, but may be used at any time. Utilizing activities, group study, games, and refreshments, TEAM Kid may be just the answer for reaching today's children for Christ.

Our strategy this year is to have meetings with pastors to seek to discover specific needs that have been realized, and to help to find the resources to meet those needs. Pray with us as we seek to discover "the mind of Christ" in Discipleship ministry this year.

Respectfully submitted,
Rev. Ron Hester, Director

EVANGELISM COUNCIL REPORT

God continues to bless and guide North Carolina Baptists through Evangelism. Plans are being made to continue to assist our churches in developing Church Evangelism Committees in the local church. This is a great way to strengthen the work of evangelism in the church.

The training of lay-persons to be involved in witnessing will continue to be a priority in North Carolina evangelism. This past year the State Convention has conducted training events in all our associations in preparation for the 1995 "Here's Hope, Share Jesus Now" Revival Emphasis. We have an Associational Steering Committee in place to help our churches prepare for this united effort to take place in the Spring of 1995. Our associational dates are April 2-9, 1995.

Your Evangelism Council has met each quarter this past year for planning and praying for our special emphasis for the Here's Hope Revivals.

Our goal is that every church in our association would participate in this simultaneous revival effort. Let us continue to work and witness that we may see people come to know Him. It is our prayer that baptisms will begin to rise each year.

In the following paragraph, you will see dates about the upcoming "Here's Hope, Share Jesus Now" Revival preparation. There will be other dates added to this as the preparation unfolds.

FAMILY MINISTRY COUNCIL

The past year for the Family Ministry Council has been mostly structuring and planning. The Council met several times without the benefit of a Singles Leader. Mr. Donnie McNeill, of Victory Baptist Church, was elected to that position at the August Quarterly Meeting.

The Council planning for Singles, Senior Adults, and Family Enrichment has been by the individual leaders. In addition to the State meetings, the new year (1994-95) offers good things from the Associational Family Ministry Council.

Senior Adults:

In addition to State meetings, there are at least two Associational meetings planned for Senior Adults. These dates are October 25, 1994 and March 1995. More information will be forthcoming.

Single Adults:

The first Associational Singles meeting was June 26, 1994 at Oakwood Park Baptist Church. There were six churches represented. Singles have met monthly since then for information, planning, and enlistment of new persons. The Singles leader, Mr. Donnie McNeill, has a committee to help him with the planning of future meetings and a Singles banquet for November or December.

Family Enrichment:

Planning for Family Enrichment includes a regional meeting for May 1995. Rev. Ron Chaney is enlisting the help of State workers from the Cary office, the Family Counseling Center in Asheboro, and Associational leaders to help with

this meeting.

The key speaker will be Rev. Jack Causey of the First Baptist Church in Statesville with a variety of small groups.

Larry Willett, Life Way Counseling Center, will speak to husbands and wives. Kathryn Kirpatrick, Life Way Counseling Center, will share parenting skills.

Other areas being addressed are Step-parenting, Singles, Senior Adults, and children. These are in the planning stage and child-care is being considered as well for this meeting.

The Family Ministry Council desires your support and prayers as we seek to serve you through this association.

MISSIONS DEVELOPMENT COUNCIL REPORT

The work of the Missions Development Council has focused upon several key areas this year:

1. New York Partnership

Our partnership with the Long Island Baptist Association continues through 1996. This past year our RBA sent several teams of workers into the New York area to do various projects. Although much has already been done through "summer" projects, there continues to exist the need to maintain a more year round presence in the area. Plans are underway now to send a team of pastors from the RBA to assist in "Here's Hope" revivals in May of 1995.

2. Church and Community Ministries

We are pleased with the addition of Andi Wilson as our CCM Director in January. Andi serves as a missions liaison between churches and communities. Already Andi has proven to be an asset in our associational missions work.

3. Spanish Mission

One of the most active and visible aspects of our mission involvement has been the support of our Spanish Mission. Having begun in January of 1993, the mission continues to make impressive gains in attendance. The recent addition of a van, and more spacious meeting facilities promise to continue this trend. The Spanish Mission continues to need our prayers and financial support as they work toward calling of a Bi-Vocational pastor.

4. Disaster Relief

We have several men from our RBA that have been actively involved in assisting in disaster relief projects throughout the South. An associational relief team has been organized and a disaster relief trailer assembled to assist in future crises.

5. Hope for Hurting Humanity

We were very pleased with the response of the churches to this mission project. We had nine churches that participated. The purpose of these projects was to assist in creating mission awareness and involvement among our churches.

6. Christians United Outreach Center (CUOC)

The opening of the CUOC in February of 1994 was the fulfillment of years of dreaming. We feel the addition of this center will compliment the mission efforts of our area churches.

7. Mission Action Project (MAP)

MAP continues to be our local missions lifeline. We are able to fund (either totally or partially) many projects that represent the RBA. Your continued support, both individually and church-wide is vital.

Respectfully submitted,
Bobby Blanton, Chairman

PASTORAL MINISTRIES REPORT

This past year we held a "Called to Care" seminar for pastors of the association. The seminar was led by various pastors in the association and was well attended and enjoyed by all who attended.

PROPERTY COMMITTEE REPORT

The Property Committee has met twice this associational year to discuss maintenance to the building and grounds. They contracted the mowing and care of the grounds to Bryan Brown of Asheboro. He mows and cares for the grounds weekly and will provide care to the shrubbery throughout the year.

The Property Committee has agreed to improve the building inside with painting, carpeting, new furniture, and window blinds. Churches will be enlisted to assist in this refurbishing of our Associational Building this Fall and Winter. An open house will be planned for everyone to come and see the building in a new look.

SPANISH MISSION REPORT

In September of 1992, two Spanish speaking young men approached Stephen and Bonnie Davenport, retired Southern Baptist missionaries who had served 24 years in Argentina, about the possibility of starting a Spanish mission in Asheboro. They were traveling each Sunday to Sanford or Pittsboro in order to attend Spanish services. After much planning, and in consultation with Rev. Judson Rotan, we were finally able to begin services in Spanish. These were held in a building in downtown Asheboro which is owned by Mr. David Stedman, who let us use the facilities rent free.

Balfour Baptist Church was asked to be the sponsoring church. The Mission was able to get financial support from the Language Ministries Department of the North Carolina Baptist State Convention and the MAP program of the Randolph Baptist Association. Fourteen churches of the association are also giving monthly financial support. Services began on Saturday evening, January 2, 1993 with twelve Spanish people present. The work continued to

grow with many new people attending each service. Over 182 people have attended at least one time. By December of 1993 the attendance had reached 54.

Many churches have contributed other gifts of money, clothing, furniture, food, paper products, coffee, etc. A doctor and his wife recently donated an automobile. A church near Siler City sent a gift of \$1000.00 to help the Mission get a new pulpit and two platform chairs. Donations were received to purchase an overhead projector, hymn books, television set, a VCR, 112 new steel folding chairs, as well as a mission van and a piano. God has been good to provide through you and we appreciate all that the churches have done so far to assist in the development of the Mission.

The Mission has English as a Second Language classes (ESL) and these have averaged 20 persons during 1993-94. There are several ladies from several churches in our association who have received training in this ministry and are working as teachers of these classes.

The greatest need that the Mission has now is for a Spanish pastor, one who can better understand their culture and can better relate to these people in their own language, lead in Bible studies and evangelistic efforts. We are hoping that a pastor can be called about December of this year. We will need more financial support from our churches. There are more than 2000 Hispanics in the city of Asheboro. God has laid the responsibility of ministering to these people, for whom Christ has also died, upon the hearts of many of His servants here.

The Mission held it's first services in our new location at 1712 N. Fayetteville St. on September 3, 1994. This is an activities building of Balfour Baptist Church. There were 66 present and 59 of these were Hispanics. God's blessings continue to flow!

Respectfully submitted,
Rev. Stephen Davenport, Spanish Mission Pastor

SPECIAL COMMITTEE REPORT

In compliance with the guidelines established by the Association and listed below, the Special Committee submits the following:

1. Search for possible relocation sites

It was determined by the Special Committee based on the projected size of the associational building (3,000 - 3,600 square feet one story) that the land should be three to five acres. Research of several newly constructed associational buildings of similar size confirmed this need.

There are those properties of desired size within a three to four mile radius of Asheboro that are available. A sampling of these properties revealed

a cost of \$16,500.00 to \$39,500.00 per acre with several prime locations valued in excess of \$1,000,000.00.

The committee followed the guidelines of the Feasibility Committee which was approved by the association in seeking to find properties that were easily accessible, visible, and adequate for the projected size of the associational building.

2. Examine building designs

As stated, several newly constructed associational designs (one-story) were viewed along with recommendations from the associational staff, organizational leaders, and other persons of the association.

From this investigation and inquiry, it was determined that there would be a need for a 3,000 to 3,600 square foot structure.

This committee only examined existing designs which appeared suitable to this association's needs, and did not attempt to draw or have drawn a specific architectural design.

The approach of this committee centered upon square footage (one-story) and the property size suggested for such a structure, including adequate parking.

3. Projected land and building costs

As stated, land acreage within a three to four mile radius of Asheboro ranges from \$16,500.00 to \$39,500.00 with several prime locations exceeding \$1,000,000.00.

The present day cost of constructing a 3,000 to 3,600 square foot building varies depending upon the type of structure and materials used. Estimated costs range from \$50.00 - \$80.00 per square foot, with one estimate from \$90.00 - \$100.00 per square foot.

There is no way of determining costs a year, two years, or five years in the future.

4. Explore monetary methods of addressing the projected costs

The Special Committee, based upon it's research, recommends that in addressing relocation and building construction, a Fund-Raising Committee be appointed to pursue methods of securing funds to purchase property. At the present time there are no funds available to be used even if properties of lesser cost become available. One fund raising method recommended by a member of the Special Committee is as follows:

As of the year ending September 30, 1993 there were reported 8,998 resident members in the association. If

each of these members sacrificed, that is, gave the average price of a "coke", 50 cents per week, it would amount to the following:

Per Week 50 cents times 8,998 = \$4,499.00

Per Year \$4,499 times 52 = \$233,984.00

In two years there would be monies available to cover the entire costs of land, building, and furnishings.

If only half of the resident members responded it would amount to:

Per Week - \$2,249.50

Per Year - \$116,974.00

In approximately 3 1/2 years there would be sufficient funds.

Just think! The price of a "coke", 50 cents per week by each resident member or half of the resident members giving, in 2 to 3 1/2 years a new facility which be adequate, accessible, and visible.

The Special Committee believes that a greater understanding of the association as a Training and Resource Center instead of an "Associational Office" is needed. Perhaps, through this awareness, the churches and leadership would catch a glimpse of an even greater positive witness to our faith and ministry to all peoples through a center which is adequate, accessible, and visible.

MOTION BY SPECIAL COMMITTEE

Mr. Moderator:

In compliance with orders from the Association to give a definite recommendation at the Annual Meeting or Quarterly Meeting, the following motion is offered:

The Special Committee, based upon it's research, recommends that in addressing relocation and building construction, a Fund-Raising Committee, representing all areas of the association, be appointed by the Moderator to pursue methods of raising or securing funds to purchase property, and to report such method (s) to the association at the Annual Meeting or Quarterly Meeting for approval.

SUNDAY SCHOOL REPORT

Your Sunday School ASSISTeam conducted a Leadership Study Conference on October 3 and 4 with fifty six registered from twelve churches across the association. This was a five hour study during two nights. The books taught were the "Who" books, an understanding of who are Adults, Youth, Children, and Pre-schoolers in our day.

Also, we have conducted two Sunday School Directors' Workshops during the year. One of those was held in the Asheboro area and the other one in the Liberty area. There were twelve to twenty in these Workshops.

The Vacation Bible School team, under the direction of Andi Wilson, attended the State Clinic and later in April and May, conducted Area-Wide Clinics in our association. Around seventy five persons attended these Clinics.

The theme for the coming year is "Serve to Win". Traditionally the Sunday School has served as the evangelistic outreach arm of the church. It is our prayer that many will be reached this coming year through our Sunday School organizations. The Sunday School organization will assist the evangelistic efforts of "Here's Hope, Share Jesus Now" with "Breakthrough.....Witness to Win". Several events for Sunday School will be offered for churches to prepare for the "Here's Hope" Revivals in the Spring.

Our associational ASSISTeam is available to help our churches on an individual basis, if you need help. Please feel free to call on them for Sunday School training.

A. Judson Rotan, Interim Director

DIRECTOR OF MISSIONS REPORT 1993-94

As I look back upon this associational year, I am expressing my gratitude to God for His wonderful blessings. We began this associational year in October 1993 with a low spirit across the association and our financial situation was critical. We had to cut programs and events from our calendar. But since January 1994, God's hand has guided and blessed us. The spirit of the association began to rise, finances increased until at mid-year we were about \$4000.00 over the budget needs.

Overall, the year has been good and busy. It is uplifting to remind myself that the wonderful thing about the association is that it is a fellowship of churches working together on mission in our area of the State. Thank God, He has united us as a local body of believers to accomplish His great task in church development, evangelism, and missions. From my perspective, this has been the year where we as Randolph Baptists have witnessed to our communities and world that we want to be on the cutting edge of

ministry. God has opened to us several doors of opportunity for continuous witness.

1. The Life Way Counseling Center, a shared ministry of our association and the Life Way Mental Health Associates of Graham, has become a success in just a few months. We started out with one day of counseling and now we are having three and a half days of counseling per week. Since February, when the Center opened, several hundreds of clients have been through the Center. It is a God sent ministry to our area. We are privileged to sponsor this ministry and pray for an even greater witness and success in the future.

2. Our two staff persons began their work in February. Mrs. Retta Plunkett was employed to be our Administrative Assistant, working six hours daily for five days a week. Retta was our interim secretary for seven months until the Personnel Committee was able to re-evaluate the position.

Mrs. Andi Wilson became our Church and Community Ministries Director on a part time employment of twenty hours per week. She has been an added blessing to us as she has moved us into Hope for Hurting Humanity Projects for the summer months. Several churches adopted big projects for the summer. There were many involved in the local mission project that gave a strong witness for Christ. We are ministering to hurting humanity with love and care. There are some exciting days for us as we meet needs in Christ's name. We desire to be on the cutting edge of ministry.

3. The Disaster Recovery Unit is one of the most exciting projects this year. This developed over night, it seems. Several men expressed a concern so we gathered Baptist Men together and shared the concern, and they responded. Today a ten by eight foot trailer is equipped for Disaster Recovery. It has already been used in Lexington, S.C. The Baptist Men and churches gave over five thousand dollars to purchase the trailer and equip it. Again we are ready to be on the cutting edge of ministry.

4. The New York-Long Island Partnership continues to be a blessing. Four teams from our churches ministered in Long Island this past year. The associational building there was completed. Our final project in our partnership next year is the "Here's Hope" Revivals in May of 1995. We will be conducting their "Here's Hope" Revivals with an Evangelist, Song Leader, and a witnessing team of three persons for ten of their churches. This is a place to be on the cutting edge of evangelism and missions.

As to my personal accounting to the association, I have been involved in the following:

1. Served a month each in two of our churches as Interim Pastor. It gave me an opportunity to work with their Pastor Search Committees.

2. I have preached or visited in 23 of our churches.
3. I have conducted one revival and spoken at two homecomings.
4. I have travelled over 12,000 miles across this association for events and activities with pastors, committees, and church meetings.
5. I have participated in 56 committee meetings and continue to teach in Sunday School Workshops, Mission Studies, and Deacon training in churches.
6. Some of the activities outside the association were;
 - Attended Baptist State Convention, Winston-Salem
 - Attended Southern Baptist Convention, Orlando, Fla.
 - Attended the Baptist Sunday School Board Update Conference in April
 - Attended Jericho Mission Week at Ridgecrest
 - Attended and lead a conference during Home Missions Week at Ridgecrest for Directors of Missions. While at Ridgecrest, received the Award for Town and Country DOM of the East - "for significant contribution">
 - Presided over the State DOM Conference at Wingate College as President.

One of the most significant times in our association this summer was the Baptist State Convention General Staff Listening Team coming to our association during the last week in August. Eight persons came and spent three days sharing with us. There was a dinner on Monday night for Pastors and Wives with Dr. Roy Smith as speaker. The team had twenty six interviews with pastors and three area town meetings with church leadership. Also, a luncheon for Church Staff was conducted. They listened and shared with us their findings. We are beginning the process of evaluating what was said and heard. In the next several months we will be working with the Associational Council and the State Listening Team to implement the priorities of concern and needs. It was one of the best things we have done for building relationships and direction for our work together as Baptist State Convention Staff and association.

Our main emphasis for 1994-95 is the "Here's Hope, Share Jesus Now" Revivals in April of 1995. Our prayer is that all of our churches will join together for a week of simultaneous revivals April 2-9, 1995. This great event will need all of our preparation and prayers. The Steering Committee for Here's Hope will emphasize Local Church Witnessing Training, 60 Days of Witnessing, Prayer Retreats, and promotion and preparation for the revival efforts. Please join me in prayer daily for a great spiritual renewal in our churches and County.

The joy of serving you continues to bless my soul. I am grateful to the wonderful people in our churches and to the faithful pastors who make up this association. I am indebted to the prayers, support, and cooperation that has been given to me over these seventeen years. I still believe that some of our greatest days are ahead of us as a family of churches working and ministering

together to our County. Let us encourage one another and support one another as we seek God's purpose throughout Randolph County.

Respectfully submitted,
A. Judson Rotan, Director of Missions

MOTION FOR ANNUAL MINUTES TO BE DEDICATED TO REV. R.L. HUGHES

1. Because of the faithful service and commitment to the Lord and His church,
 2. And because of his 48 years of continuous support and leadership in the Randolph Baptist Association,
 3. And because of the love and appreciation we have for this giant servant of God,
 4. I make a recommendation that our 1994 Annual Minutes book be dedicated in memory of Rev. R. L. Hughes, pastor of Oakhurst Baptist Church, Seagrove First Baptist Church, and Moderator, Sunday School Director, and Chairman of several committees in the association,
- Also, I recommend that a picture of him, along with biographical information and a memorial thought be written for this Annual.

I so move.

Respectfully submitted,
A. Judson Rotan

Income Distributions

1920-1993

With the 75th anniversary of the chartering of the N. C. Baptist Foundation approaching, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the 1919 Baptist State Convention meeting for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of several struggling institutions and the mission programs at the heart of this missionary minded denomination.

As of December 31, 1993, the Foundation held \$45,878,748 under management. In 1993, \$1,243,217 was distributed to Baptist work and \$1,196,748 was distributed to individuals for a total income distribution of \$2,439,965.

The income distributions for the entire 74 year history of the N. C. Baptist Foundation totals: \$7,009,154 income paid to individuals and

\$10,011,893 to Baptist churches, institutions and mission causes for a grand historical total of \$17,021,047.

In 1993, the staff of the Foundation consisted of seven full time employees and two persons who provided part-time service in accounting and legal services. In May of 1994, Rev. Coy H. Jeans, Jr. was employed by the Foundation Board as Western Area Manager of Trust and Endowment Development. Rev. Jeans will serve individuals in western North Carolina through estate stewardship planning to better provide for families and Christian endeavors. He will also work very closely with Associations and churches in the area. We encourage western North Carolina Baptists to contact Rev. Jeans at his office in Marion at 704-652-9548. The Foundation's main office is located at 201 Convention Drive, Cary, N. C. 27513 telephone 919-380-7334.

Meeting the
Challenges of
Health Care

1994

Report to the Associations

"Touching Lives With Hope"

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our Hospital healing team now consists of 5,777 employees. The Medical Center (North Carolina Baptist Hospital and Bowman Gray School of Medicine) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,545 inpatient admissions during our fiscal year 1993-94. Our Outpatient Department, physicians' clinics, and other related departments received 523,672 patient visits.

DEPARTMENT OF PASTORAL CARE

Our chaplaincy division joins with our health-care professionals to provide spiritual and emotional healing. With 15 to 35 chaplains present at various times, 58,747 ministries were provided to patients, families, staff and groups. Mission dollars from the Cooperative Program enabled this ministry to be carried out.

The Center for Congregational Health, in its second year of ministry as a part of our Department of Pastoral Care, continues to expand and strengthen. To date thru 1993, 40 ministers have completed intentional interim training and 29 are in training. The number of churches calling intentional interim pastors continues to increase. The training of consultants for conflicted churches and leadership training for young ministers were both begun.

The Pastoral Counseling Division now operates 12 counseling centers across the state. These centers provided 26,716 hours, a five percent increase over the previous year.

In December 1994, Dr. Dewey Hobbs will retire as Director of the Department of Pastoral Care. His eleven years of leadership and ministry have brought quality and expansion in every facet of the department.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave \$425,734 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

EXCELLENT FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of superb stewardship.

- (1) The latest report of the North Carolina Database Commission comparing the average of other state academic medical center charges vs. Baptist Hospital for our most frequent diagnoses reveals our charges are 21% lower.
- (2) We are one of only 17 hospitals nationally with a "AA" bond credit rating.
- (3) Averaging the last two years and the projection for 1994, the Consumer Price Index will average 2.8% and the Medical CPI for hospitals will average 8.9%. Baptist Hospital rate increases for the same period will average 1.8%, under both the above-mentioned indexes.

MEETING THE CHALLENGES OF THE FUTURE

The health care environment is and will continued to be changing. Baptist Hospital is proactively facing these changes on a daily basis. Below are listed several visions which have recently been or will soon be realized.

Nursing Center at Oak Summit

Opened in July 1993 this 170-bed facility offers four levels of care. It is also one of only a few nursing centers in North Carolina that provides care for ventilator-dependent patients.

Emergency Department/Dietary Building

Progressing toward a late 1995 opening, this facility will expand our ED capacity to 70,000 visits annually. It will also house three floors of patient private rooms, our Pharmacy Department, a new kitchen and 900-seat cafeteria, and a 35-bed Day Hospital.

J. Paul Sticht Center on Aging and Rehabilitation

This building will usher in a new era in rehabilitation at our Medical Center. Housing a total of 128 beds, it will contain a geriatric day hospital which will aid the transition from hospital to home, inpatient rehabilitation nursing units, a psychiatric floor, geriatric research and education. Completion is targeted for 1996.

At home health care

Our Home Health Solutions provides our local region with parenteral nutrition and intravenous antibiotic therapy, chemo-

therapy and pain management. Home Health Specialists provides nursing care, personal care and physical and occupational therapy.

Center for Research on Human Nutrition and Chronic Disease Prevention

Our continued partnership with Bowman Gray School of Medicine enables our Medical Center to provide the highest quality of research, education, and patient care. Quoting Dean Richard Janeway, "We are trying to prevent the major killers such as cancer, strokes, and heart attacks. With this facility we'll be able to transfer the information straight to the patient's bedside."

COMMUNITY HOSPITAL ASSISTANCE

Developing relationships with community hospitals such as Stokes Reynolds in Danbury and Hoots Hospital in Yadkinville enables us to assist them in lowering costs as well as providing quality hospital and outpatient care. We anticipate expanding this endeavor to include other smaller, outlying hospitals. We also have significant affiliate relationships with hospitals in Wilkesboro, Lexington, and Mt. Airy and are in the process of developing other affiliate relationships.

QUALCHOICE OF NORTH CAROLINA

Making Life for Older Adults...

The Best of Times

As a result of the wonderful support given by North Carolina Baptists, 1994 will be remembered as one of the finest years in the 43 year history of Baptist Retirement Homes. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired W. Paul Riggs to serve as Chaplain to the residents of the Prince Nursing Care Center in Winston-Salem and the Rickman Nursing Care Center in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step-up" for Older Adults, the renovation of the Taylor House in Albemarle was completed and renovation of the Hamilton Baptist Home in Martin County was begun. When the renovation of the Hamilton Baptist Home is completed in mid-1995, all of the facilities operated by the Baptist Retirement Homes will be "State-of-the-Art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), a special small group approach to the care for institutionalized Older Adults suffering from dementia was

instituted at the Prince Nursing Care Center in Winston-Salem. Through the implementation of this program, Baptist Retirement Homes once again demonstrated its commitment to the principle that everyone has the right to age with dignity and to enjoy a certain quality of life throughout the aging process.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem . . . a unit where frail Older Adults can receive such treatments as IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults, Baptist Retirement Homes expanded its nursing services in 1994 to include an additional 100 Older Adults (80% of that group being classified as the poor elderly . . . men and women who lack sufficient financial resources to pay for the institutional services they receive).

Thank you North Carolina Baptists for helping us make life for Older Adults . . .

THE BIBLICAL RECORDER

Associational Report--1994

The rapid changes taking place in our world have produced distorted values, violence, threats and uncertainty and the surrender of much that is good and wholesome while creating false heroes who fail. Baptists must rise up to face these decisions and issues before our window of opportunity is lost forever. We must not squander our heritage from yesterday and our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now, with charges and countercharges flying, with people trying to use and manipulate others.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1995 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.

6339 GLENWOOD AVE./BOX 550

— RALEIGH, NORTH CAROLINA 27612

REPORT TO THE ASSOCIATION 1994

Can God's people make a difference concerning the moral climate of our state? There is no doubt about it! The \$300 billion gambling industry has targeted our state for legalized gambling. Why North Carolina? The fact is that N.C. is the largest state in the nation where the gambling industry has not been able to get their foot in the door. Furthermore, NC is the only state in the traditional Bible-belt where the gambling industry has not been able to make any inroads. In order to get their legislation enacted, they hired 14 of the most influential and effective lobbyists that money can buy to sell "their bill of goods" to the members of the N.C. General Assembly.

Is there anyway to defeat such money and power? Yes! Through the prayers and influence of God's people! It happened in 1994!

The legislature has adjourned - the members have gone home - the gambling lobbyists have packed their bags and left town.

How was it done? Baptists and other Christians fulfilled their Biblical responsibilities by influencing their legislators through their prayers, letters, phone calls, and personal contacts.

The Christian Action League along with the Christian Life Council of the Baptist State Convention; N.C. Baptist Men; and Woman's Missionary Union, has conducted 36 workshops, THE CHRISTIAN LOOKS AT GAMBLING, to educate and motivate our people into action against this insidious evil. You responded, and now, we can claim the victory.

Furthermore, when communities like Asheboro, Albemarle, Concord, Kannapolis, Thomasville, and Manteo, including Hyde and Harnett Counties, faced battles with the powerful \$140 billion dollar liquor industry during the year, we were delighted to provide campaign strategy, research documents, and publicity materials. The liquor forces did not win any of these referendums.

We thank God for your support of our Ministry of Applied Christianity, and we stand ready to assist God's people in being the "salt" and "light" that He would have us be.

September, 1994

Dear Friend of C.A.L.:

PRAISE GOD FROM WHOM ALL BLESSINGS FLOW!

The 1994 Session of the General Assembly has adjourned, and all House and Senate members have gone home. Most of all, we are grateful that the 12 highly paid and influential lobbyists of the \$300 billion gambling industry have left the capital city also, and they left town "empty-handed" with all gambling bills "dead".

Senate Bill 11, The State Lottery Act, which had passed the Senate by a vote of 27 - 23, "died" in the House Committee on Constitutional Amendments and Referenda.

Two pari-mutuel gambling bills (Senate Bill 116 and House Bill 42) also failed to pass. These legislative proposals would have opened the door for horse/dog racing with off-track betting parlors. When the state-lottery bill was unsuccessful in securing passage, pro-gambling forces "threw in the towel" on these efforts.

PRAISE GOD FROM WHOM ALL BLESSINGS FLOW!

Since God has given us another victory over the gambling industry, it is time to meet the obligations from that effort. God honored our efforts, but in order to inform "rank and file" citizens about this insidious evil, we had the following expenses:

1. The cost of conducting 31 workshops, THE CHRISTIAN LOOKS AT GAMBLING--	\$8,110.00
2. The expense involved in mailing approximately 81,000 letters to strategic areas of the state--	\$15,163.69
TOTAL	\$23,273.69

PRAISE GOD FROM ALL BLESSINGS FLOW!

Will you join us thanking God for this victory by doing the following?

1. Express a prayer of gratitude to our Heavenly Father and ask Him to give us the wisdom to "side-track" other gambling initiatives that will be forthcoming.
2. Will you make a personal contribution to the League as an expression of your gratitude for this victory?
3. Will you discuss with your church leadership about a generous contribution from your church to the League in order to meet past obligations and to be better prepared to meet future challenges?
4. If your church does not have the Christian Action League in its budget, we urge you to give this Ministry of Applied Christianity your prayerful consideration.

PRAISE GOD FROM WHOM ALL BLESSINGS FLOW!

We also count it a privilege to have assisted 10 communities (Albemarle, Asheboro, Concord, Kannapolis, Thomasville, Manteo, Sylva, Franklin, and Hyde and Harnett Counties) already this year that faced referendums concerning our nation's no. 1 drug problem - alcohol.

There is no other organization in the state that communities can turn to for research, information, and campaign strategy in their battles with the \$140 billion alcohol industry.

This is a heavy responsibility, and this is why we must have your continuing prayer support.

We praise God for you and for your commitment to the cause of Moral and Civic Righteousness.

Yours for a Better North Carolina,

Joe S. Lennon

One year and 338 days after Pearl Harbor, the Council on Christian Higher Education was created: November 17, 1943. The first Council meeting occurred January 17, 1944, four months and 20 days before D-Day. Reports to the Baptist State Convention in those years contained many references to World War II and its effects upon churches, communities, the colleges and Baptist work in general. It was a time of weakness and confusion. War was raging in Europe and the Pacific, and the outcome was still in doubt.

In such a time there were visionary Baptists who by faith could see beyond the clouds of war to the needs of peacetime. A Convention committee of 64 members labored almost two years before recommending that the Council be established. Chowan College was closed in 1944, Gardner-Webb College was not yet funded by the Convention, and Wingate College received only \$5,000. The clear aim was to strengthen the colleges, increase their moral and financial support among Baptists, place Christian Higher Education high on the Baptist agenda, and to organize such efforts on a continuing basis.

In 1994, the Council on Christian Higher Education's 50th year of operation, let us give thanks for those pioneer Baptists whose foresight, insight and good works caused North Carolina Baptists to become leaders in the field of Christian Higher Education.

HOME MISSION BOARD, SBC
Christ for Our Nation

1993 ANNUAL REPORT SUMMARY/HIGHLIGHTS

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, Ga., the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

At the end of last year, 4,882 missions personnel were serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 1,700 Mission Service Corps volunteers were serving on home mission fields. During the year there were 1,500 church starts (more than four per day) and 349,073 baptisms.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1993, gifts to the offering totaled \$36.31 million, about 3 percent less than the 1992 total. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1994 Annie Armstrong Easter Offering goal is \$40 million. About 36 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1993:

Chaplaincy Ministries—The 2,325 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith and 4,500 baptisms.

Church Loans—Approximately 1,056 churches had active loans totaling \$131.1 million. The Church Loans Division closed 120 church loans totaling \$32 million, including \$3.8 million of refinancing.

Language Missions—Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects.

Evangelism—During Crossover Houston, the Mass Evangelism Department coordinated 35 street evangelism events, 25 block parties, nine evangelistic rallies, and 68 special Harvest Revivals and events. These activities resulted in 1,253 conversions. The Personal Evangelism Department produced and shipped materials for "Here's Hope. Share Jesus Now." This emphasis will include 60 Days of Soul-Winning, January 9-March 9, 1995.

Volunteers—More than 74,860 Southern Baptist adults, college students, and youth group members volunteered for long- and short-term projects. In addition, several thousand more were involved in disaster relief efforts in the Midwest.

Church Evangelism Development—Over 1 million teens participated in "See You At The Pole," gathering at their flagpoles to pray for the schools of our nation.

Administration—The Home Mission Board broke ground for a new national office building which will be completed in 1995. Customer Services received more than 51,000 calls and shipped almost 5 million pieces of HMB material.

The Association:

Churches Reaching All Peoples

Constitution and By-Laws Randolph Baptist Association Revised: October, 1990

ARTICLE I - NAME

- Section 1. The name of this body shall be known as the Randolph Baptist Association. It may hereafter be referred to as the Association.

ARTICLE II - PURPOSE

- Section 1. This Association is a self-determining Baptist body, created and sustained by the churches affiliated with her and responsible to them through their Messengers.
- Section 2. The purpose of the Randolph Baptist Association is to enable member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the programs and ministries of this Association, the Baptist State Convention of North Carolina, and the Southern Baptist Convention, thereby fulfilling the Commission of Jesus Christ as stated in Matthew 28:19-20.

ARTICLE III - MEMBERSHIP

- Section 1. The Association shall be composed of cooperating Baptist churches within the area of the Association. A cooperating church shall be defined as one which sends an Annual Report to the Association, elects Messengers to attend the

Associational Meetings, and contributes to the financial program of the Association.

- Section 2. The Association shall be sole judge of it's membership and may receive churches, according to the Constitution and By-laws. Member churches may withdraw from the Association as they desire.
- Section 3. Any church in the Association which fails to cooperate with the Association over a period of two years shall be contacted by the Credentials Committee of the Association to determine the intentions of the church regarding it's desire to remain in the Association. In the event the church does not respond to the efforts of the Credentials Committee, the church will be considered as having chosen to withdraw from the Association.
- Section 4. Any church that has departed from Baptist faith and practices and has failed to abide by the provision of the Constitution and By-laws of the Association, will be contacted by the Credentials Committee. Such church upon recommendation of the Credentials Committee and a vote of the Association shall be placed on probation until the conditions prompting such actions have been corrected. Messengers from any church on probation shall not be allowed to vote in the Meetings of the Association.
- Section 5. Churches desiring to affiliate with the Association shall make a written request to the Credentials Committee of the Association at least three months prior to the Fall Meeting (October), for examination and recommendation to the Association. A church (or mission) is first received into the watch care of the Association. Upon completion of one year in watch care relationship, a church may be received into full membership of the Association by a recommendation of the Credentials Committee. There must be a vote of two-thirds majority of the messengers present at the Associational Meeting for petitioning church (or mission) to become a regularly affiliated member church of the Association.
- Section 6. It is understood that each church in this Association is independent and sovereign in it's own affairs, and the Association has no authority over the churches, except in an advisory nature, and this by invitation only.

ARTICLE IV - MEETINGS

- Section 1. The Associational meetings shall be composed of Messengers elected by the affiliated churches according to the plan. Each church shall be entitled to three (3) Messengers, including the pastor, and one additional Messenger for each fifty (50) members or fraction thereof, above one hundred in its resident membership, but not to exceed ten (10) such Messengers. The Director of Missions and General Officers shall be Messengers in all Associational Meetings.
- Section 2. The Associational Meetings will be held as follows:
- (1) The Fall Meeting shall meet on two days, the week following the third Sunday in October.
 - (2) The Winter Meeting shall meet in January. All Mission Performance Directors shall be presented by the Nominating Committee for vote by the Messengers at this meeting. In order for the Messengers to have

- adequate time to consider the nominees for Program Directors, the Nominating Committee will mail a copy to the Messengers two weeks before the January Meeting. They shall be Director-Elect until October 1 when their tenure of service begins.
- (3) The Spring Meeting shall meet in April. All General Officers, Committee members, and Program Council members shall be presented by the Nominating Committee for a vote by the Messengers at this April Meeting. This will give each person selected the privilege to plan and train for the upcoming year. In order to give Messengers adequate time to consider the nominees, a copy will be mailed to them two weeks before the Spring Meeting.
 - (4) The Summer Meeting shall meet in late July or early August. The Associational Budget for the new year, beginning on October 1 and ending on September 30 of the following year, shall be presented by the Finance Committee for approval by the Messengers of the Association. In order to give the Messengers adequate time to study the budget, the Finance Committee shall mail copies to the Messengers two weeks before this Summer Meeting.

Section 3. Other meetings of the Association shall be held when called by the Moderator and/or the Director of Missions. Before calling a special meeting, a notice of at least two weeks shall be given to the Messengers, with a clear explanation as to the purpose of the meeting. No other business can be considered. A quorum of fifty (50) Messengers must be present to conduct a special meeting.

ARTICLE V - OFFICERS AND THEIR DUTIES

Section 1. The officers of this Association shall be Moderator, Vice-Moderator, Clerk-Treasurer, and three (3) trustees.

Section 2. These officers shall be elected in the Spring Meeting in April by the Messengers of the Association. The Nominating Committee will present nominees to the Messengers with the privilege of other nominees from the body. Prior approval and consent to serve shall have been received from a prospective nominee before placing his name in nomination before the body.

Section 3. The officers of this Association shall serve from October 1 through September 30 of the following year. Any officer may be re-elected with the exception of the Moderator, who shall serve no more than two years in succession.

Section 4. Duties of the Officers:

- (1) The Moderator shall preside over all Meetings of the Association, and fulfill such duties as required upon the presiding officer of this Associational body.
- (2) The Vice-Moderator shall perform the duties of the Moderator in the absence of, or at the request of the Moderator.
- (3) The Clerk-Treasurer shall fulfill the following duties:
 - a. The Clerk shall record and preserve the proceedings of all the Associational Meetings. The Clerk shall distribute the Uniform Church Letter forms to the clerks of the churches affiliated with the Association. The Clerk shall compile the reports and statistics of the

- churches and issue a book of minutes as soon as is practical after the Fall Meeting.
- b. The Treasurer shall preserve all money paid into the treasury, pay the same to the order of the Association, and make a full and complete report of all receipts and disbursements at each Quarterly Meeting, plus a year end report at the Fall Meeting.
- (4) The trustees shall have the authority to transfer or hold title to any properties for the Association. All transactions of the elected trustees shall be authorized by the Association in it's meetings.
- (5) In the event the Office of the Moderator of the Association shall become vacant, the Vice-Moderator shall immediately become the Moderator for the unexpired term of office without any further action by the Association.
- (6) The vacancies occurring in the office of Vice-Moderator and other General Officers, except Moderator, will be nominated by the Nominating Committee at the next Association Meeting.

ARTICLE VI - MISSION PERFORMANCE ORGANIZATION

The Directors of these organizations shall be: Sunday School Director, Discipleship Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Evangelism Director, Missions Development Director, Stewardship Director, Family Ministries Director, Christian Life Director, Pastoral Ministries Director and Seminary Extension Director.
- Section 3. These Organizational Directors shall be elected at the Winter Meeting, (January), or no later than the Spring Meeting (April), for a term of three years. The Directors shall be contacted and nominated by the Nominating Committee.
- Section 4. The Directors shall assume their duties on Oct.1, and serve through September 30, or until their successors are elected. They will be Directors-Elect in the Winter Meeting and will have the privilege of training, planning and enlistment of their Council members until October 1.

ARTICLE VII-ADMINISTRATIVE COMMITTEE

- Section 1. The Administrative Committee is composed of the Moderator, Vice-Moderator, Clerk/Treasurer, Chairman of Finance, Chairman of Properties, Chairman of Communications, and the Director of Missions.
- Section 2. If there are major decisions to be made between the Quarterly Associational Meetings, the Administrative Committee will act in behalf of the Association, and will report the actions to the next Quarterly Meeting.
- Section 3. The Administrative Committee will meet as needs arise between the Quarterly Meetings.

ARTICLE VIII - ASSOCIATION COUNCIL

- Section 1. The Associational Council shall be composed of the General Directors of all Mission Performance Programs, the Associational Officers, the Associational Staff, and the Chairman of Finance, Strategy and Communication, and others deemed necessary to attend the Council in planning the work of the Association.

RANDOLPH BAPTIST ASSOCIATION
RESCHEDULED WINTER QUARTERLY MEETING
FEBRUARY 26, 1995
CALVARY BAPTIST CHURCH

The Meeting was Called to Order by Rev. Richard Fisher, Moderator. The Hymn "Stand Up For Jesus" was led by Judson Rotan.

Kenneth McNeill, pastor at Franklinville First Baptist gave the devotional with the theme "Preparing to Reach People". This theme goes with our upcoming "Here's Hope Revivals". How can we prepare for these revivals? Matthew 6:36-38 shows that compassion is needed. This passage shows that Jesus was moved with pity which is compassion on a really deep level. Compassion is real and experiential, but not always explainable. Seeds have been planted and cultivated by many out of compassion. Prayer is also needed to provide laborers and show them where to go. The Lord cannot be limited.

The Sunday School Report was given by Judson Rotan. The most important organization in the church is the Sunday School because every church has one. Our theme has been "Breakthrough to Win". There is an Equipping Center in the Associational Building to help teachers be prepared for soul winning. It is important for Sunday School teachers to be aware of opportunities for sharing and praying for prospects. Tuesday, March 14, there will be a Sunday School Director's Workshop at Franklinville First Baptist at 7:00 P.M.

Andi Wilson gave a brief report on Vacation Bible School and the upcoming clinic. This year there will be just one clinic held at Oakhurst on Thursday, April 27,

from 7-9:30 P.M. By this time each church should have enlisted a Director and all workers needed.

The WMU Report was given by Barbara Dawkins. This report was printed in the packet, but one change needed to be made. The Workshop scheduled for January 30 had to be rescheduled for February 27 at 7:00 P.M. at the Associational Building.

Bobby Poole reported that date of the RA Track Meet was not printed properly on the Brotherhood Report and should be listed as April 22 with April 29 as the rain date. Pre-registration for the Track Meet is necessary. A good time was had by all at the NC Baptist Men's Convention. A new concept of each one reaching one unchurched person was learned in Raleigh. Sometime around the first of May, a RA Camp out is being planned.

The Evangelism Report was given by Bobby Blanton. "Here's Hope, Share Jesus Now" has up to now been a descriptive phrase, but now active plans should be in progress for each church's revival. April 2-9 are the suggested dates, but each church is free to choose to most convenient time for their revival. Simultaneous Revivals have been a very productive way for increases in baptisms and positive responses to the gospel. Each pastor and Here's Hope Committee person is urged to be present at the Prayer Retreat Breakfast scheduled for Saturday, March 4, at 8:00 A.M. at the Golden Corral Restaurant.

The Missions Development Report was given by Mike Eller. Judson reported that the previously planned trip to New York in May to conduct "Here's Hope Revivals" has been cancelled. The Missions Development Council presented a motion for Associational Missions Week in May to be a Week of Prayer and Giving to our Mission Action Projects Account. Our MAP budget is now \$15,000.00 per year and it is more difficult to meet this demand in December like we have done in the past. This motion was approved as printed in the packet.

The Family Life Report was given by Kenneth Tucker. Donnie McNeill, the Associational Singles' Leader was introduced. Donnie is from Victory Baptist Church. The Singles' Ministry seeks to bring people together to minister to each other and grow in the Lord. Kenneth mentioned that a Family Life Conference is still scheduled for May and will be a major event with several different areas highlighted. The Singles' Brunch in January had 39 present from several different churches and denominations. The Singles' Banquet in February had 41 people present. A Senior Adult Rally is planned for March 28 at Seagrove First Baptist with David Moore from the Council on Christian Life and Public Affairs in Cary.

Wally Jarrell gave the report from the History Committee. The 60th Anniversary Books are now available for \$7.00 each. Although we do not want to dwell on the past, we can look to the future by building on our past.

The Nominating Committee Report was presented by Judson Rotan in the absence of Jimmy Honeycutt. This report was printed in the packet and was approved as presented.

Judson Rotan led in a special prayer time for John Mangum who has been quite ill and for Jimmy and Margaret Honeycutt who are recovering after a car accident in January.

Judson welcomed Joseph Edwards, the new pastor at Mt Lebanon and mentioned that Russells Grove also has a new pastor, Brough Fox.

Judson gave the Here's Hope Challenge and mentioned that 466 people were baptized in 1970, our highest number here in the association. Our present Sunday School enrollment is 6,800 and if just 680

(10 %) shared their faith in the 60 days of witnessing, there would be a total of 40,800 presentations. About 20 of our churches have voted to participate and it is hoped that more will do so. If we join together results will occur. We need to keep 2 Chronicles 7:14 in mind, bring them in, build them up, and disciple them. Will this be a reality in each of our lives?

Amos Garner, pastor at Calvary gave a warm welcome and gave directions to the Fellowship Hall for refreshments.

Mike Eller closed the meeting with prayer.

Respectfully submitted,
Retta Plunkett, Clerk

RANDOLPH BAPTIST ASSOCIATION
SPRING QUARTERLY MEETING
APRIL 10, 1995
GRAVEL HILL BAPTIST CHURCH

The meeting was called to order by Richard Fisher, Moderator.

Ron Chaney, pastor of Gravel Hill, welcomed everyone.

The Hymn "All the Way My Savior Leads Me" was led by Richard Fisher.

A special welcome was extended to Marcia McQueen of the Baptist State Convention and a member of the Listening Team that has been working with our association.

Ron Greene, pastor of Cross Road, gave the devotional using 2 Corinthians 5:18-20 and speaking on the ministry of reconciliation as related to missions and evangelism. Reconciliation means to affect a change on the part of another person. This cannot take place within our own power, but as we have the power of the Gospel. We are to be representatives to induce change and we often do not do this. We are often lacking in prayer and "on the job training".

If we pray first, we will produce fruit.

The Sunday School Report was given by Mrs. Andi Wilson. A Sunday School Director's conference was held this past quarter and another one will be coming up in the next few months. Pray for Kenneth McNeill as he will be our new Sunday School Director in October.

Barbara Dawkins gave the WMU Report and made a special point of inviting everyone to the upcoming Annual Meeting on April 24 at Cedar Grove. The special emphasis will be with Acteens.

Bobby Poole gave the Brotherhood Report. The Associational RA Car Race was recently held. The RA Track Meet is scheduled for April 22 at SAMS at 3:00 P.M. The State Track Meet is planned for May at Southwest Randolph High School. A RA Campout is being planned for May 12-13. Everyone will meet at Seagrove First Baptist between 5-6 PM. A letter will go out soon with explanations about this. Retta Plunkett gave the Finance Report and stated that although the balance was lower than usual due to the Building Renovations and the History Books, the bills were paid and we are starting to build Cash Investment back up.

The Financial Emphasis was given by Mrs. Beulah Tote. Although Life Way is doing better financially, giving is not what it should be in this area. The building renovations were done by a step of faith and the churches have not given as hoped. Several of our churches have given and their names were read.

In the absence of Justus McKeel, Richard Fisher gave the report from the Personnel Committee. The Committee has compiled a list of maternity policies and these were approved as printed. These policies will be included in the Handbook. Andi Wilson gave the special emphasis for the Week of Prayer for Associational Missions and the MAP offering. This special week of emphasis will be May 21-28 and promotional items will be given to the churches within the next couple of weeks. Our MAP account is how we "do" missions and includes our ministries to CCM, Spanish Mission, Disaster Recovery, missions partnerships, etc. The Lord continues to bless these ministries, but additional money is always needed to carry these out.

Ron Chaney spoke about our upcoming Family Life Conference scheduled for May 15 at Asheboro First Baptist. This conference has been "in the works" for at least eight months and is being held during Family Life Emphasis Week for the Southern Baptist Convention.

Ron also talked about Life Way Counseling Center and our commitment there. Our agreement was to pick up the amount to make up the difference of what the client can pay up to \$45.00. We originally agreed to this and now need to live up to our end of this bargain.

Andi Wilson talked about Summer Missions and emphasized the upcoming projects shown in her handout sheet. We hope to have a summer worker this year to carry on Andi's work with CCM while she is out for maternity leave. The Community Resource and Mission Action Guide is available, but since it was expensive, only one per church is available. An additional one per church can be picked up on special request. This includes information from the Community Needs Assessment and also includes a guide to Mission Action ideas.

Richard Fisher lead in the Hymn "I Love to Tell the Story".

Bobby Blanton gave the report on our "Here's Hope Revivals" by stating that 28 churches officially participated and then asking for testimonies. Reginald Dawkins from Liberty First, Estelle Hackney from Asheboro First, Roger Carlson from Maple Springs, Bill Clapp from Riverside, Mike Staton from Forest Park, and Bobby Blanton from Balfour all gave testimony to the good attendance, movement of the Spirit, good singing, fellowship, and preaching of the Word being present in their revivals. Bobby mentioned that God is at work in Randolph County and we are on the threshold of something great!!

Bobby continued with a challenge to all of us using Acts 1:1-11 as the basis. One mark of revival is a renewal of power, a freshness of the Spirit. If we could grasp the truth of the secret of the apostles, we could do the things that they did. Our expectations of revival are often less than the Lord's. The following three priorities became their basis for evangelism:

1. The example of Jesus became the experience of the apostles.
2. The practice of Jesus became their program.
3. The coming again of Jesus became their constant concern.

Ron Chaney dismissed in prayer after instructions concerning the fellowship to follow.

RANDOLPH BAPTIST ASSOCIATION
SUMMER QUARTERLY MEETING
AUGUST 21, 1995
SHADY GROVE BAPTIST CHURCH

Missions Fair began at 6:30 P.M. with displays focusing on Backyard Bible Clubs and Summer Missions Projects, Spanish Missions, and Life Way Counseling Center. Richard Fisher, Moderator, called the meeting to order.

Bill Rice, pastor at Shady Grove, welcomed the association to the church.

David Thomas led in the singing of the hymns "He Lives" and "Stand Up for Jesus" and then led in prayer.

Mike Staton, pastor at Forest Park, gave the devotional, focusing on Matthew 28:19-20. Our purpose as an association, as well as individuals, is to go and teach. An illustration using a white hankie depicting our purity, a red hankie showing our sin, and a blue hankie showing Jesus, our close friend and Saviour, was used. Our purpose is to share the gospel and we can do more when we share our resources as an association of churches.

The Finance Report was given by the Treasurer, Retta Plunkett, and approved.

Beulah Tote, Chairperson of the Finance Committee, gave a presentation of the proposed 1995/96 Budget, assisted by Dan Wood, Judson Rotan, Andi Wilson, and Retta Plunkett. The motion to accept this budget was given by the Finance Committee and was approved.

The Chairman of the Nominating Committee, Jimmy Honeycutt, presented the proposed list of committee and organizational officers for the year 1995/96 in the form of a motion and this was approved as presented.

The 1995/96 Calendar of Activities was presented by Judson Rotan for approval by the association and this was approved as presented.

The Brotherhood Report was given by Bobby Poole and included comments from Ronald Hester about the Disaster Recovery ministry.

Richard Fisher gave the Family Ministry Report in the absence of Kenneth Tucker, emphasizing the Singles Fellowship coming up on Sunday, September 10.

Kenneth McNeill gave the Sunday School Report and mentioned the upcoming conference being held on August 29 at Franklinville First. Those wishing to attend were encouraged to call Kenneth or the Associational Office for reservations. A good year is being planned and the ASSIST Team is available to help in any way they can.

The WMU Report was given by Barbara Dawkins. Fall Training was emphasized and is being held on September 18 at Clear View from 7-9PM. The September 11 event for Baptist Women and Baptist Young Women has been cancelled.

Andi Wilson and Kelly Stratton gave the CCM Report and reminded everyone that the Missions Guides are available for those churches that haven't received them yet. The Coleridge Road Apartment held in May was very successful with about 200 attending. Kelly mentioned that several Backyard Bible Clubs were held and several decisions for Christ were made. Hope for Hurting Humanity training was held May 30 and nine projects were profiled with a pretty fair attendance. Oakhurst had a project this summer to collect diapers for the Family Crisis Center and Hospice in which 1,224 diapers (29 packages) were collected and distributed to these agencies.

Clear View has had a Campers on Mission service every Sunday morning this summer at the Deep River Family Campground.

If other churches had projects that were carried out this summer, please give Andi this information.

The Youth Rally in Frazier Park in which "Witness" was spotlighted was a success with 225-250 people attending.

We will be doing a Fall Festival Booth again this year(Oct 7-8) and volunteers are needed to help in two hour shifts.

A gift was given to Kelly Stratton from the Association in appreciation for her service as a CCM Intern this summer.

Andi gave the VBS Report and reminded everyone that the VBS Reports are due in the Associational Office if they have not already been sent. A VBS Workshop is held every year and is very beneficial to those attending. The Workshop next year will be a little different and will also benefit those using other literature besides Southern Baptist.

Bill Rice adjourned with prayer after giving instructions about refreshments.

The Missions Fair continued during the fellowship time.

The Associational Meetings Committee Report was given by Rev. Kenneth Tucker in the form of a motion to accept the programs as printed on pages 1 and 15 in the Book of Reports.
Judson Rotan welcomed the new pastors/staff in the association and recognized those present.
The Treasurer's Report was given by Mrs. Retta Plunkett and was approved as printed on pages 7-11 in the Book of Reports.
The Budget Emphasis was presented by Mr. Roger Pritchard, Chairman of the Finance Committee. We received a total of \$103,728.91 from our churches this year and this was the first year to receive over \$100,000. It is obvious from the new budget that we have adopted that our purpose for ministry in missions is clear. Our churches are encouraged to strive for the goal of giving 5% to the association of undesignated offerings.
Mike Eller, Chairman of the Missions Development Council, brought a motion to take an offering at both sessions of the annual meeting for us to sponsor a Home Missionary to the Ukraine. The total needed for this is \$750.00 for a year. This motioned was seconded and passed.
The Clerk's Report was given by Mrs. Retta Plunkett as presented on page 5 in the Book of Reports. Appreciation was given to all Church Clerks and a special notice was given that 25 of our churches had their Annual Church Profiles in on or before the deadline. Mention was also made that an up-to-date listing of our Media/Resource Center and would be sent to all churches soon. This report was approved as presented.

Hymn "Here Am I, Send Me Lord" was led by David Thomas.

Judson Rotan gave the list of Missions Awareness Events as printed on page 6 in the Book of Reports and highlighted our special emphasis. Judson then talked about our plans for a World Missions Conference in October of 1996. The specific plans for this are listed on pages 12 and 13 of the Book of Reports.

Andi Wilson gave a brief report on the Fall Festival Booth and expressed appreciation to her husband for his help in this effort. More about this booth will be mentioned in the CCM report given Wednesday morning.

The Apostoloi Team is sponsored by the Baptist State Convention and is made up of college students that will work for 10 weeks in our association during the summer of 1996. Andi and Judson will interview students in February to make the final decision about which ones will come. These students will be at a different church each week and will do a variety of things as decided by the church. The forms necessary to apply for this team to come to the church are available and need to be turned in to Andi by January 31, 1996. O.D. Martin, from the Baptist State Convention, talked about the 15 years of partnerships that we have enjoyed both in the USA and overseas. Our recent involvement in the Ukraine has been particularly special. We are planning, pending approval at the November meeting of the Baptist State Convention of NC, to enter into a partnership with South Africa. Our association will vote on this at the meeting on Wednesday.

Andi Wilson recognized our Missions Volunteer of the Year, Vannetta Kimrey for her years of involvement in missions activities of all kinds, both in her church and in the association.

Hymn "Standing on the Promises" was led by David Thomas.

Rev. Kenneth Reaves, pastor of Randleman First Baptist, led the Responsive Reading and Prayer.

David Thomas presented the message in song entitled "There is a Savior".

Dr. Richard Crider gave the Annual Sermon using Joshua 5:13-15. We need unity of purpose and energy, led by God's Holy Spirit, but also must allow for the diversity of different backgrounds and ways of life. We have a common enemy, but also have a common uniform as outlined in Ephesians 6. We have a common calling as His disciples and a common destiny, but most importantly, we have an uncommon Lord. We can only claim as much territory for the Lord as our faith will reach. Mike Staton gave us instructions for our fellowship time and Richard Fisher gave our benediction.

HISTORY OF FOREST PARK BAPTIST CHURCH RANDLEMAN, NORTH CAROLINA

In the early weeks of 1959, the Mission Board of the Baptist State Convention sent a survey team to the area south of Randleman to determine if there was enough interest there to establish a new Baptist Church.

The outcome of the survey team was most favorable, and with the aid of Balfour Baptist Church in north Asheboro, it was decided to form a Baptist Mission for the area. The first service was conducted on May 3, 1959, in a rented four room housing, facing Randolph Memorial Park Cemetery. Delivering the first sermon for the fledgling mission was the Rev. Talmage Smith, field worker for Randolph Baptist Association.

The Balfour Baptist Church worked through a Mission Board composed of Carl King, Chairman; Wade Snider; and A.G. Memory. The State Mission Board contributed \$1,000.00 to help purchase the land on which the present church building now stands. A building committee was appointed, composed of John Harris, Chairman; J.C. Pearce, Carl King, Wade Snider, and Gilbert Underwood. On April 2, 1961, Balfour Baptist Mission moved into it's new home, consisting of an auditorium and seven classrooms.

The Rev. Mr. Smith preached during the first few months of the life of Balfour Baptist Mission. Then Balfour Baptist called the Rev. B.L. Gupton, a retired

Army chaplain, as Mission Pastor. He served during 1960 and into 1961, when the Rev. Doyle Moore was called as Mission Pastor. He resigned in 1963 to return to Southwestern Seminary to continue his education.

The Rev. John I. Kiser was called as Mission pastor in the early part of October, 1963, and it was during his pastorate that Balfour Baptist Mission became Forest Park Baptist Church. Forest Park was constituted as an independent Baptist church on October 4, 1964, with approximately 114 charter members. Approximately one-half of these were former members of Balfour Baptist Church and on-half were either confirmed or transferred from other churches of the county.

Forest Park was organized as part of the "30,000 Movement" of the Southern Baptist Association under the presidency of Dr. C.C. Warren. It was his goal to establish 30,000 preaching missions or churches during his tenure. Dr. Warren came to Forest Park to preach on the day the church was constituted.

In 1965, Forest Park undertook another building program and constructed four more classrooms for it's growing congregation.

Rev. Kiser's health required that he resign as pastor on June 30, 1968. He was elected by the congregation as "pastor emeritus" in appreciation for his six years of service. Rev. Harley Rumpfelt was called as pastor in January 1969, and served until November 27, 1971.

During the spring of 1975, the third and final phase of the building plan was put into action. A building contract was awarded to J&L Builders for a cost not to exceed \$90,000. On October 5, 1975, the dedication service for the new sanctuary and fellowship hall was held. During the summer of 1992, A Capital Improvements Committee was elected by the church to look into enlarging the present fellowship hall. At this time, September 1994, the committee, backed by the church, is beginning to put the plans into action.

Forest Park has grown in ways of the Spirit as well as physically. On January 5, 1969, Mr. Larry Freeman was the first person to be ordained to preach by Forest Park. In June of 1969, the church voted to give Mr. Harry Harris a letter of recommendation to enter Southeastern Seminary. In June of 1974, Mr. Larry McElreath and Mr. Mark McMasters were called to be summer youth workers. Both young men became dedicated members of Forest Park, and on May 5, 1979, the church licensed Mark McMasters the preach the gospel. Then in 1979 Larry McElreath, who had been serving as youth director, resigned to continue his education and was ordained as a minister in 1982. The church has had nine pastors during it's history and six interim pastors. The present pastor is Rev. Mike Staton.

RANDOLPH BAPTIST ASSOCIATION
SIXTY - FIRST ANNUAL MEETING
WEDNESDAY, OCTOBER 18, 1995
HULDAH BAPTIST CHURCH

THEME: " Missions: Strengthening Our Stakes " (Isaiah 54:2)

Call to Order by the Moderator, Rev. Richard Fisher, pastor of Center Cross Baptist Church.

Hymn "There Is a Name I Love to Hear" led by David Thomas, Minister of Music, First Baptist Church, Asheboro.

Welcome, Scripture, and Prayer led by Rev. Kenneth Tucker, in the absence of the host pastor. The Scripture used was 2 Corinthians 5:18-6:1.

The Associational Meetings Report was given by Rev. Kenneth Tucker as printed on page 3 in the Book of Reports, listing the dates and places for our meetings in the next year.

Mike Staton gave the Communications Committee Report, explaining the functions of this committee as outlined in the Constitution.

The Credentials Committee Report was given by Dr. Richard Crider. The Committee has already met this year with a candidate for ordination. This was Mr. Dwight Ayers from Balfour. Two other requests have been submitted and are being handled with one of them pending on November 12.

Wally Jarrell, of Deep River, gave the History Committee Report. All churches are encouraged to submit historical facts in the appropriate place on the ACP. Histories need to be collected within the churches and preserved. The RBA History Books are still available at a price of \$7.00 each.

The Personnel Committee Report was given by Justus McKeel as outlined on page 41 of the Book of Reports.

Judson Rotan gave the Properties Report in the absence of Carl Zeigler. The Associational Building was renovated this last year in agreement of the Properties Committee and the Finance Committee. Eight churches and 30 volunteers did the labor involved in this undertaking. A new roof is needed on the building and volunteers are doing this. The windows will need to be repainted or replaced in the near future.

After a reminder to turn in committee or organizational reports to the Clerk, a motion and second were given to approve the reports as presented. The motion carried.

Judson Rotan presented the DOM Report as printed on pages 32-34 for adoption by the association. This carried. New pastor, Bill Arbo of Glenola, was introduced and welcomed into RBA.

Judson Rotan began his DOM Message by challenging us to look forward. He reminded us that the association is here to assist churches to carry out the Kingdom of God. The association is a servant of the local church. Jesus instituted the local church and so the association is secondary. The church's responsibilities are to reach the lost for Christ and to develop leaders. The role of the association is to help churches better do what they will not or cannot do themselves. The desire is to not just maintain at this time, but to lead.

Hymn "Stand Up For Jesus" was led by Boyd Ammerman.

The Baptist Retirement Homes Report was given by Calvin Knight and the text of Psalm 71:17-18 was read.

Charles Tanner gave the report from the Baptist Children's Homes and read from Isaiah 61:1-3.

D C Sullivan gave a report about the Adopt an Annuitant Program. This can be done by sending it directly to the SBC and designating it for this purpose. He is available to answer any questions about this.

Kenneth McNeill gave the Sunday School Report as printed on page 35 in the Book of Reports. The theme for this year in Sunday School is "Carry the Light: Live God's Word".

Andi Wilson gave the Discipleship Training Report in the absence of Wayne VanCannon. Andi stressed the fact that the idea is no longer to have a lot of structured workshops for everyone, but to work with individual churches to assess their needs and then find the materials and the best way to help them meet their goals.

Andi also gave the VBS Report, saying that this year there was just one clinic conducted and only 51 people attended, including 9 conference leaders. This next year there will be a special conference for those not using SBC literature, zeroing in on how to work with different age levels, approaches, etc.

The WMU Report was given by Barbara Dawkins. Women on Mission is the new organization for women and will have more options and flexibility to help women meet missions needs. Appreciation was shown for Judson Rotan and his willingness to work with our WMU. He was recently spotlighted in the Tar Heel Leader. More 100th Anniversary NC paintings are still available on a first come first serve basis.

Bobby Poole gave the Brotherhood Report, emphasizing the importance of our RA/GA programs, as mentioned so frequently by missionaries that had the first seeds of mission service planted there. November 4 is Baptist Day at Wake Forest and applications must be sent immediately.

Evangelism was spotlighted by Bobby Blanton. Our main emphasis this year was Here's Hope. We are not sure just how many of our churches participated in this. It is hoped that this will not just be a one time event, but will be ongoing.

Mike Eller gave the Missions Development Report mentioning that most of the emphasis has been on MAP this past year. Mike brought a motion from the Missions Development Council to enter into the South African Partnership, pending approval by the Baptist State Convention. This was seconded and the motion was carried. A second motion was made from the Council to accept the MAP goals as outlined on page 14 of the Book of Reports. This motion was seconded and also carried. Mike also mentioned that the Missions Development Council and the Associational Staff are looking at the process for Habitat for Humanity and the possibility of a church in the Level Cross area.

Kenneth Tucker gave the report from the Family Ministries Council as outlined on pages 39-40 in the Book of Reports. The Promise Keepers Conference in Atlanta in 1996 is a good way to show appreciation for your pastor and the registration fee is \$95.00.

The special offering for the Home Missionary in the Ukraine was again taken with \$190.00 being received at this time and the total being \$615.00 for both sessions.

Hymn "Abide With Me" was led by David Thomas.

Rev. Koy Lee Haywood led our Memorial Service and read the names of those in our churches that passed away this past year.

Andi Wilson gave our CCM Report and gave an update on some of the Hope for Hurting Humanity projects that were conducted this past summer. The Fall Festival Booth was in a good location this year. 2,200 cups of water (95 gallons) were given out Saturday and 1,400 cups (65 gallons) were given out Sunday. Styrofoam cups with the Roman Road were used and it is hoped that a lasting impression was made with some of those. Appreciation was expressed to those volunteers who worked there and included all age groups. If your community has a Fall Festival and you want to do the same thing, check with Andi and she can look into that possibility.

Some activities that are being planned for this next year include helping the WMU with the prison packets again, having another youth rally, having the Fall Festival Booth again, another association wide youth mission trip like the one this year to Atlanta, and a basketball camp for underprivileged kids. Other possibilities are working with Brotherhood on Camp Angel Tree, participating in Make A Difference Day, working with the Greensboro Crisis Pregnancy Center to possibly establish a satellite center here. Churches are encouraged to do CCM work and to call on Andi if there are any questions about what or where to find a need.

Dan Wood gave the Life Way Counselling Center report and reminded us that the relationship with emotional well being is often related to spirituality.

Richard Fisher mentioned that Steve and Bonnie Davenport have both been sick and we had a moment of prayer for them.

Dale Morgan gave the Disaster Recovery Report and mentioned that the Unit was available at that time for viewing. Almost 20,000 miles have been travelled in a year to several places. Training for Disaster Recovery will be available later in the Fall and appreciation was expressed to all that have participated so far. Dale reminded everyone that work would be done on the roof at RBA on the 21st of October, weather permitting.

Hymn "Send the Light" was led by Boyd Ammerman.

Boyd Ammerman brought our special music entitled "O Lord, You're Beautiful".

Dr. Ray Benfield, recently retired missionary from Denmark gave the message entitled "Going the Distance in Missions" and used Romans 10:9-15 as the text. He gave illustrations from not only their ministry in Denmark, but also in Austria and Greece.

Richard Fisher, Moderator, closed the meeting.

Host Pastor, Wayne Vuncannon, gave instructions for lunch and then the closing prayer.

HISTORY OF HULDAH BAPTIST CHURCH SEAGROVE, N.C.

The seed beginnings of Huldah Baptist Church date back as far as April, 1896, in the hearts of neighbors of Rock Springs School District, who asked Rev. Marvin J. Leach to preach once a month in the school house. Soon as Sunday School was formed and began to progress rapidly.

In the fall of 1896, the people requested that Rev. Leach conduct a series of meetings "under the brush arbor." Many were converted, and as a result, on the second Sunday in November, 1896, Huldah Baptist Church was organized with 11 charter members. Taking part in the service on the first Sunday, along with Rev. Leach, were Jefferson Lannings and John Summey, with Rev. Summey preaching the introductory sermon.

The church name came from Huldah J. Staley, an elderly lady living near the church, who requested that the church be named after her.

Huldah Baptist Church is located three miles north of Seagrove. The land on which the building was erected was presented by John Presnell. The first trustees were G.H. Bean, Alvius Bean, and Elias Moore.

After having served the congregation for many years, the first church building was replaced by a newer one in 1954. Many wonderful years of worship were observed in the second auditorium.

God abundantly blessed Huldah and once again the congregation felt the need for a new auditorium. The pastor at that time, Tom Walker, called a business meeting after the morning worship service on June 6, 1976, and the church voted to let Pritchard Construction Company build the proposed sanctuary which will seat about 450 people. The building committee for this construction were Cicero Bennett, Vernon Brown, William Moran, Lewis Thomas, and Robert Yates.

Today, the church has a total membership of 248 and an average Sunday School attendance of 60. Rev. Wayne Vuncannon has served as pastor for the past ten years.

FAMILY MINISTRIES COUNCIL REPORT

The Family Ministries Council is once again restructuring. Rev. Ron Chaney and Donnie McNeill are now serving in other associations. We appreciate their work this past year and pray God's best for them.

Rev. Koy Lee Haywood will be serving as the Senior Adult Leader and Rev. Kenneth Tucker will serve as the Single Adult Leader. The Nominating Committee will be seeking to fill the positions of Family Ministries Director and Family Enrichment Leader. We desire your prayers in this matter.

Family Enrichment

A regional Family Life Conference was provided in May. Ron Chaney and Judson Rotan arranged for State workers from Cary, counselors from Life Way, and local pastors for conference leaders. There were only 66 in attendance, including leaders and a guest speaker.

Those attending were:

Nursery - 8
Pastors - 6
Senior Adults - 12
Single Adults - 15
Couples - 7
Parenting Skills - 9
Step Families - 4
Children - 5
Divorce Recovery - 0
Youth - 0

We expected better support from the churches, but we do appreciate all who attended, and especially to the hard working leaders. Our thanks to First Baptist Church, Asheboro, who hosted the conference for us.

Single Adults

The Singles Committee met several times throughout the year. This Committee planned and provided four opportunities for Singles to meet. There were two meetings at Cross Road Family Life Center. One major event was the Singles Valentine Banquet in February.

Singles participated in the Family Life Conference with Rev. Johnny Ross as the leader.

Most recently, Singles met at Victory Baptist Church for a Praise and Prayer Session. Praise music, special music and singing, small group praying, and good food was enjoyed by all. Ms. Jodie Reavis and Ms. Faye McDaniel did a major part of the work and we appreciate their help.

Plans are to provide more opportunities for Singles to meet and support the World Missions Conference in 1996.

Senior Adults

Opportunities for Senior Adults to meet were in October of 1994, and March of 1995. Seniors also participated in the Family Life Conference in May. Information for other events is forthcoming.

DISASTER RECOVERY/RELIEF

The Disaster Recovery Unit has proved it's usefulness in the past year even in a time when we have not experienced local disasters. It has responded to calls in Great Barrington, Massachusetts; Huntsville, Alabama; and was used in Asheboro when a windstorm blew down some trees blocking some streets. Although our unit did not go, the Disaster Recovery regional team went to Pensacola following the hurricane damage there.

In spite of the increase in the number of named hurricanes, we have only had one (which was a minimal storm) to make landfall in the states. As this is being written however, a Relief Team is being assembled to go to St. Thomas, Virgin Islands, to assist with the disastrous effects of Hurricane Marilyn. This team will be on site for approximately two weeks assisting the Red Cross in feeding the people.

As people are assisted in recovering from the effects of natural disasters, they are also presented with the Savior who is able to make the disaster a stepping stone toward a new life in Him. Pray with us as we minister in Jesus' name.

Respectfully submitted,
Dale Morgan, Disaster Recovery Coordinator

DISCIPLESHIP TRAINING REPORT

I have heard it said that an honest confession is good for the soul, but that it will ruin your reputation. In spite of this, I must confess that I found myself spread quite thin in the past year, and in the process got very little accomplished in the area of Discipleship. I owe the association a very strong apology for my failures.

Rev. Wayne Vuncannon will be leading this area of work in the coming year, and I am sure he will accomplish much more than I have been able to do. I offer him my prayers, support, and encouragement as he makes strides in leading the Discipleship work in the association.

Respectfully submitted,
Ronald Hester, Discipleship Training Director

EVANGELISM REPORT

This has been a busy year in Evangelism for North Carolina Baptists. Our "Here's Hope, Share Jesus Now" emphasis was supported well in our Randolph Baptist Association and across the state.

Statewide, our "Here's Hope" emphasis was supported by 662 churches (according to 32 of 79 associations reporting), with 726 professions of faith reported. Our entire baptism total for 1994 in North Carolina was 2,451. Both North Carolina and the SBC reflected a 1% increase in baptisms for 1994. (Our statewide Super Summer Youth event at Carowinds in July saw nearly 30,000 attend the two day event and recorded 239 professions of faith.)

In our association there were 24 churches that participated in our "Here's Hope" revivals April 2-9. We had a witness training session January (Roman Road Witnessing materials), a "60 Days of Soul-winning" emphasis in January, and a well attended Prayer Breakfast in March. Although church reporting has been a problem, we are hopeful that each church saw an increase in evangelism participation, professions of faith, and church additions during this emphasis.

Currently, we are working on an evangelism project for 1997 that may be used as a pilot project for our State Convention. We are working through the details of planning an Evangelism emphasis similar in format to our World Missions Conferences. Much work remains in developing this project.

Looking ahead to 1996, our Statewide emphasis will be "People Sharing Jesus". More information will be forthcoming. Also, plans are being developed to sponsor a Billy Graham Crusade in Charlotte for 1996.

Respectfully submitted,
Bobby Blanton, Chairman

PERSONNEL COMMITTEE REPORT

The Personnel Committee met several times during the year to consider matters related to the Associational Staff. One meeting was devoted to the annual evaluation of the Staff and to consider their needs. The Committee found working conditions to be very good in the Associational Office.

It became necessary to develop a policy in personnel for sick leave time, including maternity leave. This policy was adopted in a Quarterly Meeting and was used by Andi Wilson, CCM Director.

The last meeting of the committee was devoted to a review of staff salaries and recommendations to the Finance Committee. My special thanks to Karen Hall, George Byrum, and Judson Rotan who helped us fulfill our duties in the Constitution and By-Laws.

Respectfully submitted,
Justus McKeel, Chairman

REPORT OF PROPERTIES COMMITTEE

With the cooperation of the Finance Committee, last Fall and Winter the Associational Building was renovated inside. Eight churches and around thirty people volunteered their skills to paint the walls, put up window blinds, etc. Many churches and individuals gave money toward the purchase of new carpet and furniture for the reception area and the Director Missions Office. Also, the kitchen was furnished with a new refrigerator and sink. It is a new and different place for the association. The cost of the renovations was around \$4,000.00. You are urged to go to the Associational Building and see the renovations.

After examining the east side of the roof, it was determined that we needed to add a new roof. Director of Missions Judson Rotan was told that volunteers could do this and save the association at least half the cost. Because of inclement weather, a new work day will have to be set. October 21 is set as the first day.

Also, the Committee determined that the windows need to either be painted or replaced in the very near future.

Respectfully submitted,
 Carl Zeigler, Chairman, Properties Committee

COMMUNICATIONS COMMITTEE REPORT

The Constitution of our association declares that the Communications Committee will meet four times during the year for the purpose of improving the means of communication within the association.

I am happy to report that the Communications Committee is in compliance with the Constitution. We met four times during the year and the following are some of the areas we worked with:

2. Quarterly emphasis on the association through bulletin inserts.
3. Planned and promoted Associational Emphasis Week in May.
4. Enlisted church representatives for communications news from the churches to the association and vice versa.
5. Encouraged fellowship groups among the association, such as Staff, Pastor's Wives, Church Secretaries, Bi-Vocational.

CREDENTIALS COMMITTEE REPORT

Several requests have been received this year for ordination. Dwight Ayers of Balfour Baptist Church was reviewed by the Credentials Committee and recommended

for ordination into the gospel ministry. A request is pending for November 12 and another one has just been received.

Respectfully submitted,
Richard Crider, Chairman

HISTORY COMMITTEE REPORT

It is very important to fill in the historical facts on the ACP. History needs to be collected within churches and records preserved, preferably in a fire proof place. Our 60th anniversary books are still available at the Associational Building for \$7.00 each.

WORLD MISSIONS
CONFERENCES

DIRECTOR OF MISSIONS REPORT

MILES TRAVELED: 12,970 (Kept daily log of travel)

WORK IN OFFICE: Attended 24 committee and council meetings, 12 group conferences. There were many telephone conferences and conversations. Our secretary, Retta Plunkett, prepared and mailed around 14,300 "Randolph Baptist" monthly newsletter to our pastors, church leaders and others. Many events and activities emphases, promotional letters and posters are produced and mailed from the associational office monthly. Our associational building is a RESOURCE CENTER as well as offices for personnel and a place for fellowship and training. Over 500 videos are in our RESOURCE CENTER. Many are for state, home and foreign missions. Also organizations have several training videos. There are children and youth videos and several series, such as "Turn Your Heart Toward Home" by James Dobson, "Children At Risk" by Dobson and Bauer, and "The Search For Significance" by Robert McGee. Our Administrative Assistant, Retta Plunkett, is preparing a catalog for the churches and church leaders about the names of videos we have in the RESOURCE CENTER. This will be available soon.

WORK IN AND AMONG THE CHURCHES: Out of our 43 churches, I had the privilege to visit 20 of them this year. This has been a year of transition. At one time we had as many as 9 churches without pastors. I have spent much of my time on Sundays and Wednesday nights with five of our churches without pastors, preaching and working with them for several Sundays. Through the year, I have preached in several of our churches for pulpit supply, homecoming, deacon and minister ordination. I have conducted deacon conferences, taught mission studies, lead Sunday School Workers workshop and was an evangelist in one of our churches for "Here's Hope" revivals. There has been around 55 personal conferences with pastors, church leaders, and search committees.

OTHER AREAS OF MINISTRY: Worked with Andi Wilson, our CCM Director, helping to plan and promote Church and Community projects, activities and events. I visited in the hospitals and conducted devotions at Cross Road Retirement Center. Planned and conducted a foreign missions rally with Dr. Samuel James, Vice President of Foreign Mission Board, traveled to Long Island, N. Y. for partnership planning and helped to plan the "Here's Hope" revivals among 24 of our churches in April, 1995.

MEETINGS ATTENDED OUTSIDE THE ASSOCIATION: I have attended the Baptist State Convention, Evangelism Conference, both in Winston-Salem, Convention Staff / DOM meeting at Caraway, Jericho Missions Week at Ridgecrest, and a conference on "Transforming Ministry for the Future" in Winston-Salem. Also it was a wonderful privilege to conduct a "Here's Hope" revival in a church in South Carolina and go on a mission trip with First Baptist Church, Asheboro, for two weeks in June to the Ukraine

for a church construction project.

THANKS: I am grateful for the 24 churches who wholehearted participated in the "Here's Hope "revivals. It is reported that around 60 decisions were made for Christ. Also I am grateful for the Properties and Finance Committees working together for the renovation of the associational building last fall. Eight churches had volunteers to paint or help fix-up the building. Mrs. Beulah Tote, Chair person for Finance Committee, gave her leadership for this project. I am deeply grateful for her efforts. The building has new carpet, furniture for the reception area, window blinds and kitchen equipment, along with new painted rooms. It is a new and different place to work.

CHALLENGE: I am happy to report that the State of the Association is in good health. The State of the Association is a look at the present and our past accomplishment, the facts and figures which we use as a benchmark. But to me, the most exciting thing about Randolph Association is where we are going. As we face 1996 and the year 2000, there is excitement about our future in ministry and work as Randolph Baptists.

This past year, there were new and exciting ministries among us, Spanish Mission , Life Way Counseling Center, Disaster Recovery Unit, CCM projects and events, Coleridge Apartment ministries, and many other mission endeavors. Most of the organizations had increased interest and attendance at their events. The spirit of the association has been high all year long. We have enjoyed an excellent year in associational missions.

In financial matters, our churches gave \$103,116.64 this year, 1994-95. This is \$5,239.64 over our budget for the year. This is history making for our association.

If financial data are vital statistics, then the contributions the association receives from the churches are the life-blood of our work and ministry. I am happy to report that our churches contributed 6% more this past year than the previous year. We are very grateful for the increase.

If we are going to maintain a vital ministry to our churches, their communities, and to the world; our churches must be encouraged to give 5% of their undesignated offerings to the associational budget. Let's teach ourselves TO THINK 5%.

1994-95 was a banner year for our association. So it is a time to rejoice and give praise to God for our accomplishments, our growth. But IT IS NOT TIME to be satisfied with our growth and forget our mission from our Lord to win and disciple persons.

—We must remind ourselves that 7 out of 10 persons in this county are unreached for the cause of Christ.

—We must remind ourselves that we must disciple those we win to be Christ-like in their daily life-style.

—We must continue to urge our church membership to be on mission for our Lord.

—We must cooperate together to meet the needs of hurting humanity who are poor, divorce, single, abused and drug afflicted without Christ's love and grace.

So our mission is never completed. It is a daily commitment to greater objective and goals each day and each year. This coming year 1995-96 is a Year of Missions Awareness and Involvement. Several missions events will be conducted, with a climax of a World Missions Conference, October 6 - 13, 1996.

I challenge us to be people on mission for our Lord , not people on issues. Thank you for a great year of ministry and work. Again it has been my joy to serve you as your Director of Missions. I appreciate your continuous prayers and support for the days to come.

Respectfully submitted,

A. Judson Rotan

WORLD MISSIONS CONFERENCE

I. WHAT?

A World Missions Conference is a mission education project in which the church hears messages from missionaries around the world.

Since 1944, World Missions Conferences have helped Southern Baptist missions agencies, state conventions and associations personalize their work in churches across the convention. Each year, 200 associations sponsor these meetings annually, providing a meeting place for missionaries to tell their stories to Southern Baptists and to encourage those who hear to pray, to give, and to become missionaries where they are.

OBJECTIVES:

1. Stress the Biblical basis of missions.
2. Expand local missions involvement.
3. Increase giving to missions through the Cooperative Program and special missions offerings.
4. Inspire prayer for missionaries.
5. Accelerate missions awareness through Brotherhood and WMU.
6. Secure life commitments in response to God's call.
7. Teach more about the Southern Baptist way of doing missions.

II. WHEN?

October 6 - 10, 1996
Sunday morning through Thursday

III. WHERE?

At least in thirty (30) churches in the Randolph Baptist Association.

IV. HOW?

1. Missions dinner on Saturday night, October 5, 1996 at Caraway Conference Center, 6:00 P. M.
2. Each church will hear two (2) foreign missionaries, two (2) home missionaries, one (1) state missionary, and one (1) associational missionary.

3. There will be morning meetings for pastors and lay-persons on Monday, Wednesday, and Thursday at Caraway Conference Center.
4. There will be youth, single adults, and senior adults events during the week.
5. Each church is asked to contribute \$400.00 to the association for the expenses of the week. This is for travel, lodging, meals and promotional materials.

V. WHY?

- * Kenny Rains, Coordinator for World Missions Conference, Brotherhood Commission, SBC, says, "Southern Baptists are a mission people, and they want to see how their missions dollars are spent. Through World Missions Conferences they can. As World Missions Conferences enhance missions awareness, they challenge people to action and enable Southern Baptists to see a cross section of missionaries".
- * Myra Book, Director of Deputation Services at the Home Mission Board, says, "World Missions Conferences are the best tool we have to get home and foreign missionaries into churches that otherwise might never hear their stories".
- * Paul and Barnabas shared of their work to the people who sent them out. (Acts 14:26-28)
- * Three (3) words characterize the World Missions Conference:
 1. **INFORMATION:** "They...reported all things that God had done".
 2. **CHALLENGE:** "The fields are white unto harvest".
 3. **INVOLVEMENT:** "Ye are my witnesses".

CHURCH & COMMUNITY MINISTRIES

MRS. ANDI WILSON, CCM DIRECTOR

I am very thankful for the ministry opportunities that Randolph Baptists have been a part of this year! I really appreciate the willingness of our churches to get involved in the variety of ministries that we have offered. LIFEWAY COUNSELING CENTER

Now well into its second year of ministry, the LifeWay Counseling Center continues to expand its ministry. LifeWay Counseling Center is a partnership ministry of Randolph Baptist and LifeWay Mental Health Associates of Graham.

Our three counselors, Larry C. Willet, Ph.D., Kathryn Kirkpatrick, Psy.D., and Carson Sarvis, M.Ed. have been well accepted by the community. We are truly blest to have Christian counselors who know how to blend the best counseling techniques and Christian theology thus providing a wholistic ministry.

We were saddened in July at the death of Kathy Hunt our center volunteer. The center really benefitted from her presence and service. The volunteer receptionist position is still open.

This year the center has averaged 108 counseling sessions per month. Some of these were individuals and some were couples. Almost one half of our client load is children and teenagers.

Giving from our churches continues to pay a portion of the rent and utilities. But, most importantly, giving from Randolph Baptists enable those without insurance or other financial means to receive help from the center at a reduced rate. On average, three persons a month receive support from Randolph Baptist.

We continue to encourage Christians to use this valuable resource. Our counselors seek God's direction for each session and are experienced in dealing with the following concerns: depression, anxiety, emotional difficulties, grief, physical and sexual abuse, parenting and adolescent problems, eating disorders, work and career issues, substance abuse, group counseling, as well as psychological and personality testing.

Thank you Randolph Baptists for making a quality counseling ministry possible.

SUNDAY SCHOOL REPORT 94-95

"Strong Sunday Schools help make strong churches!" In this past year some Associational SS Director's meetings were held, some individual ASSIST consultations and at least one area conference was conducted. This director did have the opportunity of attending one of the Sunday School Conferences at Ridgecrest, which was arresting, informative and challenging.

The SS Theme for 95-96 is, **"Carry The Light: Live God's Word"**. The waters are being stirred and there seems to be excitement building for the Teaching / Reaching Ministry of Sunday School. For example, the recent conference in August, which focused on *Outreach Through the Sunday School* and *How to Teach a Bible Study Lesson*, was well attended. Approximately 45 SS workers attended and 7 churches were represented. Some of the verbal response has been, "Best SS training I have ever attended." "I have been burned out in SS work, but now I have some new tools and insights." "I am so excited, I am going to re-work my entire SS department." These are just a few comments. These comments do remind us that "Strong Sunday Schools help make strong Churches." Strong churches then reach the lost with the good news of the Lord Jesus Christ.

Randolph Association is blest, indeed, to have such a caring, committed, and available ASSISTeam, (Associational Sunday School Improvement Support Team). Adult: Mark Hall, Youth: Dan Wood, Children: Janet Smith, Preschool: Janet Meyers, VBS: Andi Wilson, Director: Kenneth McNeill, DOM: Judson Rotan.. This team meets quarterly for evaluation and planning.

One of the ASSISTeam members has commented, "Yes, the ASSISTeam does make house calls." In one sense, this focus and approach has been adopted as a goal of ASSIST in 95-96. In other words, the sole purpose of the ASSISTeam is to help you as a local church evaluate your present needs in your particular Sunday School setting and then provide training / equipping to help meet those needs.

Excitement is building as specific preparation is being made for a conference at Center Cross Baptist Church, November 9, 1995. Associational churches are invited to attend if this conference addresses one of your SS needs.

ASSISTeam covets your prayers and involvement as we try to listen to your needs and respond as God directs!

Respectfully submitted,
Kenneth C. McNeill

1995 ASSOCIATIONAL VBS

Mrs. Andi Wilson, VBS Director

Attendance at our Associational VBS clinics has been declining in recent years. The Associational VBS Team decided this year to offer only 1 clinic in hopes of attracting more teacher/workers from our churches. However, once again attendance was very low. *(3 of our churches did not have a VBS & at least 11 churches did not use Baptist Sunday School Board materials).*

Our clinic was held on April 27th at Oakhurst Baptist Church. The total attendance was 51 (including 9 VBS team members who led conferences). The VBS Director also led a conference just for Pastors to introduce them to the new VBS material. The attendance at this conference was low as well.

The VBS Team is trained by the state convention to lead these clinics. They do an outstanding job each year making it a very helpful conference. I would like to encourage our churches to plan to attend the clinic(s) in 1996!!! Please let us know what we can do to make these clinics better suited to meet your needs!!!

PARTICIPATION REPORT

Churches in the Association	43 + 1 mission
Number of these churches represented in at least 1 clinic	18
Number of Pastors attending at least 1 clinic	4

A Backyard Bible Club Training Clinic was held on May 30, 1995 at Balfour Baptist Church. A total of 14 received training. Eight (8) BBCs were conducted this summer throughout the Association.

A very special thanks goes to the Associational VBS team for 1995:

MISSIONS DEVELOPMENT REPORT

During the past year most of the Missions Development Council attention has gone to the Mission Action Projects(MAP) of our Association. Through this fund we have been able to participate in the following:

1. Church and Community Ministries under the leadership of Andi Wilson has been the catalyst for much of the mission work of our Association. Through her coordination of Backyard Bible Clubs, Summer Youth Rally, Coleridge Road Apartments Street Festival, sponsoring a booth at the Fall Festival, and several other events and ministries our churches have been better able to realize what missions at home is all about.

2. The Spanish Mission is another way the AMDC has been able to assist the churches to serve the people of Randolph County. This mission, started in 1993, serves a population that might otherwise go untouched by the traditional church. We are now in the process of calling a permanent pastor for this area of ministry.

3. Disaster Relief is another project of the AMDC that is funded through the gifts of the churches to MAP.

These, along with some emphasis for New York Partnership, Multi-Housing Ministry, and other special mission projects have been funded through our MAP account. Thanks to Randolph Baptists for making it possible to conduct these and other mission assignments during the past year.

As we have already started planning for a new year we are narrowing our focus somewhat. The AMDC will focus on three primary areas in the coming year. They are:

Church and Community Ministries: The mission work done here through both training for missions and implementing missions will require much attention from the AMDC, Associational staff, and the churches of RBA in 1995-96.

Apostolic Team: This is a group of four college students who will work with our churches next summer. They will be assisting churches all over the Association in accomplishing our task of missions at home.

South African Partnership: You will hear about and have opportunity to vote on a partnership that will enable us to be "stretched" further towards the "ends of the earth".

These areas of missions will require the efforts of us banding together to accomplish the task of carrying the gospel to people everywhere.

Respectfully Submitted,

Christian Action League of North Carolina, Inc.

ANNUAL REPORT TO THE ASSOCIATIONS

1995

This year has been a significant one for the Christian Action League of N. C. as we gave leadership and support to local communities in their battle against the proliferation of alcohol, provided a voice for Christian morals and ethics in the halls of the legislature and continued our battle against on-going legislation concerning the lottery and other anti-family issues.

1. Legislative Issues:

A. Alcohol

The alcohol industry sought to implement state-wide Liquor-By-the-Drink and beer/wine sales through legislative action. House Bill 599 would have implemented LBD without a vote of the people. The Christian Action League prompted churches to action and strong opposition developed from across the state, the bill was withdrawn and died in committee.

B. Lottery

In the 1995 Session of the General Assembly, there were four lottery bills introduced. Several times in the past decade, gambling forces were able to secure the passage of a lottery measure in the Senate, but not in 1995. Lottery legislation was defeated in the Senate by a 28-20 vote. In the House, HB 838 (Lottery for School Buildings) was brought out of committee by an unusual parliamentary move and placed on the House calendar. Calls and Prayers from CAL members and the Christian community were honored when the measure was sent back to committee where it remained until the end of session.

We praise the Lord for this victory and for the fact that N. C. remains the largest state in the nation that has no state-sponsored lottery. However, we request your prayers as the Christian Action League will continue to be on the front-line fighting this battle again in 1996.

C. Abortion

The Christian Action League and other Christian organizations have continuously lobbied for abolition of the state abortion fund. House Bill 229 has passed and will cut the **abortion funding** from \$1.2 million to \$50,000 and then to be used only in cases of rape or incest.

For many years we have been working for legislation requiring **Parental Consent** before a minor can obtain an abortion. House Bill 481 was adopted this year providing this "common sense" legislation.

D. Abstinence Education

Another proposal that the Christian Action League has been working on became law this year. House Bill 834 (Teaching Abstinence Until Marriage) is pro-family and supports biblical and moral values. This bill requires schools to offer a program encouraging abstinence until marriage and also provides for parental review of teaching materials before comprehensive sex education instruction can be implemented.

2. League Leadership:

Reverend Johnny R. Henderson became the League's Executive Director in July upon the retirement of Coy C. Privette. Johnny brings a wealth of experience to this position. A trustee since 1977, he is the North Carolina Baptist Men's Correctional Ministries Coordinator and serves on the Executive Committee of Prison Fellowship of North Carolina. Also, his church was featured on ABC News last year for its outstanding prison ministry.

We are grateful to God for the prayer and financial support that the League receives from the churches of your association. May others join you as we seek to be the "Salt and Light" in a world hostile to Biblical ethics and morality.

Making Life for Older Adults . . .

The Best of Times

As a result of the wonderful support given by North Carolina Baptists, 1995 will be remembered as one of the finest years in the forty-four year history of the Baptist Retirement Homes of North Carolina, Inc. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylva, North Carolina as its first full-time Chaplain. Reverend Osment's work responsibilities include ministry to the residents of the Brookridge Retirement Community in Winston-Salem and the Western North Carolina Baptist Home in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the final phase of the renovation of The Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of The Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of The Hamilton Baptist Home is completed, all of the facilities operated by the Baptist Retirement Homes will be "state-of-the-art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some

form of dementia), the Young Solarium addition was completed in the Fall of 1995. The Young Solarium will house a new small-group program designed to enhance the quality of life experienced by institutionalized Older Adults suffering from dementia.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem . . . a unit where frail Older Adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and community based service program, In Home Care, Inc. . . . the new service designed primarily to extend the amount of time that frail Baptist Older Adults can remain in the home environment.

Thank you North Carolina Baptists for helping us make life for Older Adults . . .

1995 Report: Baptist Children's Homes of North Carolina

Michael C. Blackwell, President

H. Lee Davis, Jr. Chairman of Trustees

For six-year-old Malinda, darkness brought sleepless nights listening to her mother's boyfriend beat her brother and sister – and praying she wouldn't be next, watching her mom choose her lover's whims over her children's needs, and finally, being abandoned on Christmas Eve in pouring rain on a dirt road.

Her darkness, more than just a light switch clicked off, swirled with pain, fear, confusion and despair.

Today, a bright-eyed teenager living at Broyhill Home, one of four Baptist Children's Homes residential campuses, Malinda finally sees light. After becoming a Christian in 1992, she can forgive her mom and let go of her painful past. "Learning to deal with my issues is a lot easier since I became a Christian," said Malinda. "I'm happy here at Broyhill. The people believe in me, support me and are here for me."

Believing in children and families, offering light to pierce their darkness has been Baptist Children's Homes' goal since its beginning 110 years ago.

Serving 1,513 children and families in 1993-94 in 12 facilities across the state, BCH provides intentionalized programs of residential group care, emergency care, therapeutic camping, maternity care, teenage mother/babies, model day care and behavioral change for girls. Gaston County emergency care cottages in Dallas, operated on a yearly contract basis, were not renewed with BCH following Gaston County's decision to change the facilities' direction to a level of service BCH doesn't provide.

Commemorating 110 years of ministry, BCH published *Intent to Serve*, a history depicting the last decade of BCH's child-centered, family-focused services. Each church was to receive a complimentary copy in the Fall of 1995.

Founded in 1970, the Baptist Maternity Home in Asheville celebrated in October 25 years serving over 900 young, unmarried, pregnant women who were given a quiet, supportive atmosphere to make decisions about their future.

A chapter of BCH life closed with the death of alumni, employee and friend Bill Sisk. Investing 52 years of himself, Sisk, who came to Mills Home at age 8 and returned to work on staff 42 years, died May 21, 1995. "An era has passed," said BCH President Michael C. Blackwell. "It's extremely unlikely Baptist Children's Homes will ever see another individual who invests himself so fully in this place as did my friend Bill Sisk."

Adding to the light, Baptist churches, through the Cooperative Program, designated gifts and the Thanksgiving Offering funded about one-fourth of BCH's \$12 million budget with gifts totaling \$2,934,304.

Trustee Jim Goldston held his sixth annual Goldston's Carnival for Children raising \$28,633 and providing two fun-packed days of rides, games, entertainment and food for children and area residents. "There is nothing more important in this life than children," said Goldston. "This is just one thing we can do to show our commitment, to put our feet to our prayers."

Putting words into action described numerous individuals who gave time and effort with special campus work projects.

This year, the Friends of Children committee added a twist to their annual spring bus tour by pulling on gloves and work clothes to help beautify Odum Home in Pembroke and Cameron Boys Camp near Southern Pines.

A team of volunteers from Denver Baptist Church worked at Broyhill Home clearing brush, painting inside a cottage and building a storage shed; and at Kennedy Home tearing down an old gym built in the 1930's, restructuring an old picnic shelter into an arts and crafts center, removing old heating equipment from Biggs cottage and renovating family conference rooms in the new gym.

"We pray about these kids, and we pray that we will be an example," said Allen Holmes, Denver Baptist's mission trip coordinator. "This is more important than any building or construction work."

Trustees, intent on strengthening BCH's leadership position and continuing its tradition of giving light to families and children, approved a \$10.1 million campaign, "Light Their Way," to raise money for special projects, operational needs and endowment. The campaign will run September 1995 - May 1997.

Many children, like Malinda, suffer in darkness. Many families linger in pain waiting for answers, waiting for help. Because of Baptists' support, BCH is able to "Light Their Way," offering hope, security and love.

HOME MISSION BOARD, SBC

Christ for Our Nation

1994 ANNUAL REPORT SUMMARY/HIGHLIGHTS

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1994, there were 4,913 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. This is only 87 short of the Bold Mission Thrust (BMT) goal of 5,000 home missionaries. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,000 Mission Service Corps volunteers were serving on home mission fields, exceeding another BMT goal six years early. During the year there were nearly 1,300 church starts. Southern Baptist churches baptized 378,463 people in 1994, an increase of nearly 30,000 over 1993.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1994, gifts to the offering totaled \$37,177,500, about 2 percent more than the 1993 total and the second largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1995 Annie Armstrong Easter Offering goal is \$50 million, in commemoration of the HMB's 150th Anniversary. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1994:

Chaplaincy Ministries—The 2,364 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith.

Church Loans—The Church Loans Division closed 107 church loans totaling \$21.5 million, including \$3.9 million of refinancing.

Language Missions—Home missionaries in the Language Church Extension Division serve among 102 ethnic groups and 97 American Indian tribes, using 102 languages and dialects, in addition to sign language.

Volunteers—Volunteers continue to serve in record numbers and represent more than \$100 million in value to the HMB. In 1994, nearly 80,000 persons served as volunteers, about 5,000 more than in 1993. Mission Service Corps missionaries, numbering 2,016, and serving in 1,385 locations, represent a cadre of committed people responding to God's call to be personally involved in home missions.

Christian Social Ministries—More than 2,500 volunteers were trained to teach English as a second language, tutor children and youth, and assist adult non-readers.

Church Extension—Through Praxis, 47 men and 31 women from six Southern Baptist seminaries participated in church planting during the summer.

Special Ministries—International ministries were conducted at the United Nations, in Washington, D.C., in 40 port cities, and among international students.

Prayer and Spiritual Awakening—The Home Missions Intercessory Prayerline received 82,000 calls in 1994.

BAPTIST COLLEGE/UNIVERSITY REPORT 1995

The Baptist State Convention is 165 years old. For 161 of those years the Convention has been in the business of founding, adopting, supporting and nurturing Baptist colleges and universities. North Carolina Baptists are known for their broad and deep commitment to Christian higher education. Our seven Convention-related education institutions are: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, Wingate University and Wake Forest University.

For 1995 the Convention's Christian higher education budget is \$6,000,540, or 20.41 per cent of the total. These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering.

The 1994 enrollment in North Carolina Baptist colleges and universities was 22,473, with 4,075 graduates. Approximately 476 students were enrolled in church-related vocation studies.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

1995 ANNUAL REPORT

The messengers present at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program of work.

Those who have become involved with the Foundation thus far, many of whom no longer are alive today are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provide for sharing the Gospel with the income from endowment funds they created while they were living.

Many North Carolina Baptists are today enjoying the benefit of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the Foundation sold and invested under guidance of professional managers. When these trusts were created, the individuals were provided tax benefits which enhanced their estates. In most cases, the income they now receive is greater than that received prior to starting the trust. At some future date of their choosing, the assets in trust will serve the Lord in ways chosen by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video, "Pillars of the Church", was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available by request in writing to 201 Convention Drive, Cary, North Carolina 27511. Personal and confidential assistance is available by calling our office at 919-380-7334 or written request directed to the above address.

The total assets under management by the Foundation at the end of 1994 were \$47,312,575. A total of \$1,241,756 was paid to Baptist churches, institutions and mission causes during 1994. The amount paid to individuals from trusts, which will eventually pay to Baptist causes, was \$1,499,098 during the year. During the first six months of 1995, the total performance of the charitable endowment funds under management was 15.3% (annualized).

THE BIBLICAL RECORDER

Associational Report--1995

The headlines each day--Bosnia, O.J. Simpson, interest rates, tax overhaul, etc.--often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing. The Biblical Recorder tells the whole story--the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 162 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value in 1995-96 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Meeting the
Challenges of
Health Care

1995

Report to the Associations

"Touching Lives With Hope"

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

"THE BAPTIST"

Affectionately known to many simply as "The Baptist", our hospital now employs 5,544 members who comprise our healing team. We are joined with Bowman Gray School of Medicine and thus The Medical Center has over 9,000 employees making us the largest employer in Forsyth County. In fiscal year 1994-'95, our 806-bed facility provided care for 23,712 inpatient admissions. Our rapidly growing Outpatient Department provided care for 557,511 patient visitors.

A NEW DIVISION: PASTORAL CARE AND CHURCH RELATIONS

In May restructuring created a new division with the consolidation of the departments of Pastoral Care and Church/Community Relations. This division consists of four ministry components which are listed below with a brief ministry synopsis:

DEPARTMENT OF CHAPLAINCY AND PASTORAL EDUCATION

Through spiritual and emotional healing to patients, families and staff, approximately 55,000 ministries were provided by our chaplains.

THE CENTER FOR CONGREGATIONAL HEALTH

This rapidly expanding ministry to churches, pastors and staff, and congregational leaders also enables the training of intentional interim pastors. Also, training is provided for leadership and church consultants. Workshops and other events are held as well.

DEPARTMENT OF CHURCH AND DENOMINATIONAL RELATIONS

This department serves as the liaison between Baptist Hospital and the churches, associations, and convention, as well as other church groups. By facilitating appointments, policy interpretation, understanding of our health care services, this function helps keep our vital bond with North Carolina Baptists strong. Mission dollars for benevolent care through this department in excess of \$452,000 were given by Baptists to the Mother's Day Offering. This mission effort helps relieve the financial burdens of patients who have little or no healthcare insurance. This is truly a ministry of renewing hope in their lives and is a source of great joy for us.

PASTORAL COUNSELING

With increasing requests from churches and associations across the state, this ministry continues to expand. Our thirteen strategically located counseling centers provided 27,000 ministry hours last year.

Thank You Letters From Mother's Day Offering Recipients

"I would like to take this opportunity to tell you how grateful I am for the generous contribution made to help me with my recent medical expenses. I have been extremely concerned as to how this account would be settled. I never dreamed that such a fund was available. To all Southern Baptists across the state of North Carolina, I sincerely thank them for their generosity and concern for my well-being. This gift has definitely lightened my life's load. The gratitude I have in my heart is difficult to express on paper, but truly one deeply appreciated."

"Please accept my sincere appreciation for the financial assistance you and Southern Baptists contributed toward my late husband's hospital bill. This was a gracious gesture on your part that truly helped lighten the financial burden left to me due to his extended illness. A gift of this magnitude will not be forgotten by me or my family. Through all this ordeal my faith in God has been unshaken, and your kindness only strengthens that faith."

POINTS OF EXCELLENCE AND PROGRESS

- **FINANCIAL STEWARDSHIP** - Annually Baptist Hospital's rate increases consist of less than both the medical consumer price index for hospitals and general inflation. The most recent North Carolina Database Commission report confirms the average of charges at other in-state academic medical centers for our most frequent diagnoses reveals our charges are 21% lower. For all hospitals statewide we are 7.7% lower on those same charges, despite treating the most critical patients from across the state.
- **QualChoice OF NORTH CAROLINA** - A managed care plan providing quality health care and patient physician choice. Established by The North Carolina Baptist Hospitals, Incorporated and Bowman Gray School of Medicine and Wake Forest University, QualChoice is now expanding to employers in our region.
- **ACCREDITATION WITH COMMENDATION** - This distinction was awarded us by the Joint Commission of Accreditation of Healthcare Organizations. With a grade of 96 we earned the distinction as one of America's most highly rated hospitals.
- **EMERGENCY DEPARTMENT/DIETARY BUILDING** - With a Fall 1995 opening of this 300,000 square foot facility will expand our Emergency Department capacity to 70,000 visitors annually. It will also house a 35-bed Day Hospital, as well as a 900-seat cafeteria, and will double the proportion of private beds available to patients.
- **COMPREHENSIVE OUTPATIENT REHABILITATION FACILITY** - A 64,000 square foot facility scheduled for completion in the Summer of 1996.
- **STICHT CENTER ON AGING AND REHABILITATION** - Housing a geriatric research and education center, geriatric day hospital and inpatient acute rehab beds, psychiatry, and adult acute psychiatry, a planned completion and opening date for this center is the Spring of 1996.
- **HOME HEALTH SOLUTIONS AND HOME HEALTH SPECIALISTS** - Specialists providing at home care such as intravenous chemotherapy, pain management, nursing and physical and occupational therapy.
- **COMMUNITY HOSPITAL ASSISTANCE** - Baptist Hospital continues to develop relationships with hospitals and physicians in other communities inviting them to join our expanding healthcare delivery system.

A CLOSING WORD

Historical methods of delivering healthcare are changing in significant ways. We are constantly seeking to position ourselves to develop the methodologies, service delivery systems to meet these challenges. In the midst of the multiplicity of challenges that remain several treasured, time tested constants. Among these are our commitment to excellence and compassion in providing care, the demonstrated support of the Carolina Baptists, and most significantly, the providence of our Lord. Trusting in these, we move forward boldly and confidently into the future.

Respectfully submitted,

Len B. Preslar, Jr.
